

ABOUT THE AWARD

The **Great Stone Face Book Award** is an award sponsored by the Children's Librarians of New Hampshire (CLNH), and is given each year to an author whose book receives the **most votes from fourth through sixth graders** throughout the state. Each year, a committee chooses 20 recently published titles, which children then use as a guide for voting. The vote takes place every April during National Library Week, and the winner is announced in May. The purpose of the award is to promote reading enjoyment, to increase awareness of contemporary writing, and to allow children to honor their favorite books and authors.
