# April Program Descriptions

(grades 4-12)

Each month, we'll be holding open meetings for teens interested in getting involved with the library! TAG is for teens in grades 7-12 who love the library and want to help us plan our next big events, give input into what books we will add to our collection, and volunteer at library events. This month we'll team up with TWIG for a Nailed It competition to create desserts based on picture-perfect examples! Snacks will be provided.

Volunteering at the library and attending TAG meetings counts towards community service hours! **Registration is required.**
