## Monthly Programs:

**LITTLE HANDS ART CLUB** (18 months to 4 years with caregiver): In this monthly art class for young children, participants will listen to stories and create a process-based art project, developing key pre-literacy skills and creative expression. Librarians will lead a storytime and demo an art project, which caregivers will work together with their children to create. **Registration is required.**

### **LEGO CLUB** (recommended for ages 5 and up):

Come use our Legos and Duplos to build some amazing Lego creations that we'll display around the library! All ages are welcome, but those under 10 years must be accompanied by a caregiver. **No registration required.**

### **CREATIVITY CORNER** (ages 5-8):

Come to a special monthly story and craft just for 5—8 year olds! We'll read stories and then do crafts and/or science. This special monthly program is for 6-8 year olds attending on their own, while their caregiver remains present and available within the library. **Registration is required!**

### **TWIG: Tiny Food Party** (grades 4-6):

TWIG is for children in grades 4-6 who love the library and want to help us plan our next big events, give input into what books we will add to our collection, and volunteer at library events. This month, we'll be having a tiny food party! We'll make tiny food to eat and out of polymer clay.

**Registration is required.**
