May Program Descriptions

TEEN ADVISORY GROUP

(grades 7-12)

Each month, we'll be holding open meetings for teens interested in getting involved with the library! TAG is for teens in grades 7-12 who love the library and want to help us plan our next big events, give input into what books we will add to our collection, and volunteer at library events. This month is our last TAG meeting before summer break so we'll be celebrating with a costume party! Snacks will be provided. Volunteering at the library and attending TAG meetings counts towards community service hours! **Registration is required.**

DUNGEONS AND DRAGONS

(grades 7-12)

Join an ongoing roleplaying adventure where you can make friends, fight dragons, and enjoy snacks. All levels of experience welcome, all materials will be provided. We are currently playing through the 5th Edition campaign, Hoard of the Dragon Queen. If you want to learn more about DnD, creating a character, or hosting a game at home please talk to our Young Adult Librarian! **Registration is required.**

EARLY RELEASE EVENT: MYSTERY PARTY

(grades 7-12)

Come to the library on Early Release Day to play both detective and suspect in a Mystery Party! Solve puzzles, interrogate fellow suspects, and sniff out the saboteur planted in the group as your character tries to best the resident spy, Ms. Crimson! Snacks and beverages will be provided. **Registration is required, spaces are limited!**

MAKERLAB:

(grades 6-12)

MakerLab is an exploratory program for middle and high schoolers where we will use science, technology, engineering, arts, and math to create different projects each month! This month we'll build marble labyrinths from popsicle sticks, paint, and cardboard and then try out each other's labyrinths! **Registration is required.**

BUJO JOURNALS AND SCRAPBOOKS GROUP

(grades 7-12)

All teens interested in bujo or bullet journals, scrapbooking, or collages are encouraged to attend a crafting session to make a new monthly spread, scrapbook page, or collage and share their art and progress with their peers. We'll provide crafting supplies, themed examples, and tutorials for any teens who need inspiration! **Registration is required.**
