LITTLE HANDS ART CLUB (18 months to 4 years with caregiver): In this monthly art class for young children, participants will listen to stories and create a process-based art project, developing key pre-literacy skills and creative expression. Librarians will lead a storytime and demo an art project, which caregivers will work together with their children to create. **Registration is required.**

PRESCHOOL STORYTIME (ages 3-5):
Join us for a special monthly preschool storytime! We'll read stories and do activities that are developmentally appropriate for preschoolers—sometimes art, sometimes games, and sometimes science! This is a program designed for 3-5 year olds to attend alone, while caregivers remain nearby and easily accessible in the library. **Registration is required.**

LEGO TIME (recommended for ages 5 and up):
Come use our Legos and Duplos to build some amazing Lego creations that we'll display around the library! All ages are welcome, but those under 10 years must be accompanied by a caregiver. **No registration required.**

CREATIVITY CORNER (ages 5-8):
Come to a special monthly story and craft just for 5—8 year olds! We'll read stories and then do crafts and/or science. This special monthly program is for 6-8 year olds attending on their own, while their caregiver remains present and available within the library. **Registration is required!**

TWIG: DRAW CUTE ANIMALS (grades 4-6):
TWIG is for children in grades 4-6 who love the library and want to help us plan our next big events, give input into what books we will add to our collection, and volunteer at library events. This month, we'll be practicing drawing cute animals (with & without instructions) and sharing our drawings with each other! **Registration is required.**
