

Delivery Service Policy

The Library will deliver material to those patrons in Gilford unable to come to the library in person on a short-term or indefinite period of time. A schedule of delivery dates as well as material due dates will be worked out between the Library and the patron. A staff member or volunteer shall be designated as the driver and will pick-up and drop-off materials on the scheduled dates.

Daycare delivery service is available for daycares during the school year. Daycare providers can request themed books and delivery will be provided on a bi-weekly or monthly schedule.
