Old Business:

A. Tioga Trail Sign Update- Vicki corresponded with Alicia (Town Administrator) giving information to her about our sign proposal to pass onto Selectmen. Information, estimate, example photo will be given at the next Board meeting.

B. Questionnaires- members discussed questionnaires that were returned from members of the community. We brainstormed ideas on the next step. Interview and videotape them? , mail out to another group of townspeople? correlate information in written form? Suggestion made to have questionnaires available at Old Home Day.

C. Penstock Update- Jack was unable to attend the meeting but sent in a written summary of his Penstock findings and suggestions of what to do next.

1. Amount of funding would be costly just to have Penstock concerns evaluated and then worked on.
2. Project is more encompassing than the Heritage Commission should probably take on.
3. Jack and Ben (if available) should meet with Land Use to go over information we have obtained.
4. The Commission will then meet with the Board of Selectmen about how to proceed further.

D. Old Home Day - List for table Heritage Commission sign, note cards, tent, historical coloring books, suncatchers, DVD, games for kids, questionnaires. Vicki will contact the new Parks and Recreation director to sign up for a spot for Heritage Booth. Priscilla will set up for kids Sand Table activity and items needed for it. Vicki will have kids Duck Pond activity ready as well.
