6. New Business
a) 2014/2015 budget review: The trustees reviewed the draft of the new budget. The increase in the budget is due to higher personnel benefits costs. The trustees also discussed the changes in job duties for the Children’s Librarian, but made no final decisions on this issue. Trustees should send any questions about the budget to Lori by August 30, 2013.

e) Rotary & annual auction request: The Rotary would like to hold its annual auction in the library basement in case the community center cannot be used. Lori will find out the maximum number of people allowed in the area as well as any liability issues regarding the use of the outside stairs.

The stocks need to be liquidated and the money put into the foundation account as well as the $500 from another account. Ingrid said that there is a $750 filing fee for the 501 3 C status. d) Bow Rotary naming opportunity: The trustees discussed the proposal by the Rotary and agreed that they could establish, in the common area, a Bow Community bulletin board with a section for their organization’s notices. Ingrid will follow up with the Rotary about this request.

e) Sharing solicitation materials with other town department heads: The trustees agreed that Lori should share these materials with the other department heads so that they are informed about the lower level foundation activities and fundraising efforts.
