   b. Benette proposed that the current language in Section III, 2 describing meeting participation electronically be replaced by the following: “Subject to RSA 91-A:2 III, and upon notice at least 48 hours in advance to the Chairperson and Library Director, a Trustee may attend a meeting other than by attendance in person, when such in-person attendance is not reasonably practical. The reason shall be stated in the minutes. Participation may be by electronic communication, telephone or otherwise, so long as the public can hear, read and discern the meeting discussion.” A motion to accept this change was made by DW and seconded by MVdW. The motion passed.
   c. Long Range Plan. CC reported on progress so far. The Long Range Plan Committee (CC, PH and LF) has met twice to set a timeline for researching and writing the plan, and to identify sources of information for the plan. The committee will meet over the summer and will present draft goals and strategies to the Trustees in August 2017, and the new Strategic Plan will be finished by December 2017. In August the Trustees will start viewing a series of library development videos made by United For Libraries.

c) CIP Requests.
   a. Air Conditioners. Lori will request 3 quotes from local HVAC companies to replace or repair the old air conditioners. The estimated cost is $50,000. A motion was made to present a request for $50,000 to

After discussion, CC moved that the Foundation be allowed to use the Library rooms during the hours requested. MVdW seconded. Motion passed.
