Lakes Region Planning Commission  
103 Main Street, Suite 3  
Meredith, NH 03253

Dear Friends,

I'm sorry that I can't be with you today, but I join you in celebrating the valuable work done by the Lakes Region Planning Commission.

For more than five decades, the Lakes Region Planning Commission has brought Granite Staters from multiple communities together to identify and collaboratively solve local planning issues. In this forum, citizens and local officials continually find new opportunities to enhance their communities, benefiting Granite Staters, visitors, and our economy. The Lakes Region is strengthened by everyone here today, and I am grateful for all of your work.

Thank you to everyone who helped make today's event possible. I would also like to congratulate today's award recipients for all that they have done for the Lakes Region. I look forward to continuing to work together to make New Hampshire an even better place to work, live, and raise a family.

With every good wish,

Margaret Wood Hassan  
United States Senator
