

# AUBURN PUBLIC LIBRARY

## STEM | OCEANS!

The Auburn Public Library is partnering with

STEM Beginnings™ 

Offering age-specific STEM-based programs: **Oceans!**

Children will first listen to a story, followed by:

~ *EXPLORE OCEAN LIFE* | Learn about sea animals, their habitats, and how they survive in the ocean~

This *second* program session is for *older* children [ages 6-10] who will make 'ocean slime'

**Ages 6-10 | 2:30 – 3:30**

**Wednesday July 17**

Spaces are limited to 12 children per group. Please be sure your child can attend before registering!

\*If your child is age 6, you may choose the program that best suits their interest | Please check the age and times carefully!

\*Seating and a *small* play area will be set up at the back of the Merriam Room for parents/caregivers and siblings

Please note that all siblings and other visitors not registered for the program *must remain in the back play/adult section*— thank you!
