- *Circulation:* Circulation numbers for the month of April were unavailable due to a GMILCS system failure.

- *Personnel:* Terrie Marietta has been hired as a part-time library assistant. Melissa Deschenes is now only working weekends.
• **Systems:** Eric Graham, the former administrator for the Merrimack Valley Library Consortium, has been hired by GMILCS to replace Tom Corbett. Mr. Graham will begin June 16th.

• **Facilities:** The fountain basin has been patched and the pump fixed. The library did not open on Thursday, May 15, due to the power outage caused by the electrical work being done on Middle Street. Power was not restored until 4:30. The staff was sent home at 2:30. Due to the power outage Art discovered that the main floor emergency lighting was not working. The whole unit has been replaced.

• **Other:** A patron may be using library computers to lure teenagers via chat rooms. The police have been contacted and the case will be referred to the Detective Division.

### OLD BUSINESS

- **91 Nashua Street:** The second floor has been renovated. The tenants are renovating the first floor in exchange for two months rent. The renovations are scheduled to be done by June 1.
- **Security of Collection:** The relocation of DVDs seems to have kept the thieves at bay.
- **Purchase of Lawn Mower:** The library has purchased a Honda Lawnmower using money from the Tarbel Fund.
- **Library Code of Contact:** The trustees approved the Library Code of Conduct. The procedures for the library staff to follow if children are not picked up at closing were discussed. - **Long Range Plan Update:** Art will send an electronic copy of the Long Range Plan to Sandra. Sandra will add Cara's prior changes. The Internet policy objective will be removed. Also to be edited is the section reflecting that the library is the hub of Internet sources rather than Internet resources.
- **Building Planning:** Art distributed the library plot plans. A meeting was scheduled for June 6 at 6:00 p.m. to discuss the space needs analysis.
- **Acoustic Café:** The 2002-2003 sessions were well attended. The Café Committee has decided to continue the series.

### NEW BUSINESS

- **Budget:** The Selectmen want department budgets in by end of July. Art has put together a tentative 2004 bare bones budget. The Selectmen have announced that Department Heads should not budget for wages and salaries. Art expects to have guidelines from town next week.
