Personnel

- Staffing
  - Michelle will be leaving for Minneapolis this coming Monday for PLA. She will return to work on Monday, March 31st. Diana will be in charge while Michelle is away.
  - Joanne has MD note excusing her for the next 4 weeks. On short term disability: town covers 2/3 of salary. Due to Joanne’s absence, there are now staffing problems. Discussed possibility of using the other 1/3 of salary towards a part time ref librarian. Michelle will explore this issue further.

Facilities

- Water in the electrical room again—Joel purchased a sump pump (~$130)—pump is working well.
- Building ballasts update: ballasts have arrived. We have to return the bad ballasts. We’re awaiting Rick Blaise to install.
- Energy audit update: I’ve asked Rick Blaise to take a look at the energy audit proposal as he seems to think he could save us some money by doing small amounts of work at a time; he also thinks some of the recommendations might not give us huge amounts of savings and we would still need to replace in another 5 years (as we did with the first audit). 
- A small area of roofing seam material has come undone due to the ice. The “ice wire” he previously installed continues to work well.
- Still awaiting parts for the blower in the Children’s Room. This is work from the HVAC upgrade that encountered problems due to faulty parts from the manufacturer. Other problems include faulty linkage in Tech Services (replaced); faulty controller in the meeting room (replaced). We still owe about $8k which I’m not paying until work complete. Finance Dept is aware and has kept the 07 books open.
- Expansion tank in the boiler room—handles overflow of water when heat is added—been a problem since Joel has worked here. The problem: it overfills and causes a pressure buildup. Joel had JLawrence look at it, they fixed it, the problem is back. Has not been paid until problem fixed. Not a high priority at the moment now that warmer weather is coming.

91 Nashua: Stable

Other

- Challenges to materials: Michelle sent a letter to Mr. Wisniewski re: movie/DVD. This lead to a discussion of our Collection Development Policy. Decision made to further discuss and review.
Wadleigh Memorial Library
Trustees Meeting
March 18th, 2008

· Scholastic Book Fairs: Mary Beth asked if we could have a bookfair here as a fundraiser. Mike raised the question of how an event raising money fell under our room policy. Consensus: as long as it is for the benefit of the library, it is appropriate. Mary Beth would like to hold the bookfair in conjunction with the summer reading program.

· Reviewed long range goals: will revisit next meeting.

· Opening up requests: now able to open up requests to any library in GMILCS from home.
