Personnel

- “Fun Fridays” is a new theme Michelle will be starting with the staff which will include wearing library/reading-related t shirts, etc.
- Staff meeting was on July 15- new name badges for staff and volunteers have been designed and are in progress
- Background checks through Lexis Nexis will begin, the library account is now set up. The use of the WML Development Fund as a fiscal agent (501©3 status) enables significant cost savings ($4 instead of $55).
- Jennifer Lamy is now working as a paid intern for approximately 8 weeks. She’s been a longtime Library Page who is interested in going to LibrarySchool. She’s helping us with some bigger projects as well as learning about other areas/depts. of the Library.

Facilities/Collections

- Weeding of the fiction collection to alleviate crowded shelves continues.
- Library sign replacement is moving forward. Milford Granite has provided a quote and MedlynMonument is preparing a quote also. (size and design yet undetermined)
American Security & Fire Protection (our current alarm monitoring vendor) has met with Michelle and provided a quote for 5 cameras to be installed on and around the property. Michelle will be in discussions with Nicole Banks from Milford Recreation Dept. to discuss their prior camera purchase.

Systems

- IT contractor spent approx. 30 hours over the past 2 weeks configuring and installing our new wireless access points, replacement switches and printer unit; rebuilding, reconfiguring and installing 3 of our current workstations; and spec’ing and ordering 8 new desktops to replace older public pcs.
- Tracking of the library’s wireless usage via Google Analytics began 9 days ago and shows 59 logins in that timeframe.

Programs: upcoming

- Children’s: Summer Reading Program continues. Special programs held nearly every day. A new museum pass now available courtesy of the Friends of the Library called “Zoo New England”, includes admittance to the Stone Zoo in Stoneham, MA and/or the Franklin Park Zoo in Dorchester, MA.
