1. Call to Order – 6:10PM Opening Statement and Roll Call

The following statement was shared by Kathy Parenti: “Good Evening, in coordination with the Board of the Library Trustees, I am declaring that an emergency exists and we are invoking the provisions of NH RSA 91-A:2, III (b). Federal, state, and local officials have determined that gatherings of 10 or more people pose a substantial risk to our community in its continuing efforts to combat the spread of COVID-19. In concurring with that determination, we also find that this meeting is imperative to the continued operation of Town government and services, which are vital to public safety and confidence during this emergency. As such, this meeting will be conducted without a quorum of this body physically present in the same location.

At this time, we also welcome members of the public accessing this meeting remotely. Even though this meeting is being conducted in a unique manner under unusual circumstances, the usual rules of conduct and decorum apply. Board members should silence, turn off and/or set aside their cell phones since any texting by them during this meeting may be subject to the Right-to-Know law. We ask that no one uses the “chat” feature of Zoom Any person found to be disrupting this meeting will be asked to cease the disruption. Should the disruptive behavior continue thereafter, that person will be removed from this meeting. This meeting is being recorded for placement on the Town website.
