“The Library’s 150th anniversary is a moment to honor our past and, more critically, anticipate our future. Our Community continues to have challenges. And though the Library cannot meet all the needs our community has, we can help make a difference. In the coming years there is so much more to do. We will continue to provide the traditional core library services and develop new goals. For the coming year, as we celebrate 150 years of service, we will focus our efforts in providing more programs that are relevant to the needs and wants of our community, as well as broadening our impact and contributions to local economic development.”
said Maria Pagan, Library Director.

Thomas J. Schwab (1927 - 2020)

It is with a grateful heart that we remember Thomas (Tom) Schwab, a noted attorney, compassionate civic leader, and gifted musician, who passed away on January 14th.

Tom was an important part of the Holyoke Public Library, which he helped guide to its major renovation from 1996-2013. Tom worked tirelessly to plan and help coordinate the process to get approval and then funding for the library. He was also a kind and compassionate friend to those who knew him on the library board.

A celebration of his life and music is planned for the spring by his family.

All of Holyoke owes a debt of gratitude to Tom for his selfless volunteer work in and around Holyoke.

Meet our New Staff Members!

The Holyoke Library is happy to introduce our new staff members!

Everyone at the library is happy to welcome Veronica White as our new Teen Room librarian.

Veronica is a Mount Holyoke College and Syracuse University graduate, and a long-time Pioneer Valley resident. She is an avid reader, crafter, podcast listener, and gamer with a love for fantasy and YA fiction.

When she's not running programs and causing havoc in the teen room, she's dancing or whipping up some nerdy art at home. Please stop by the teen room to talk books, make art or just say hello any time!

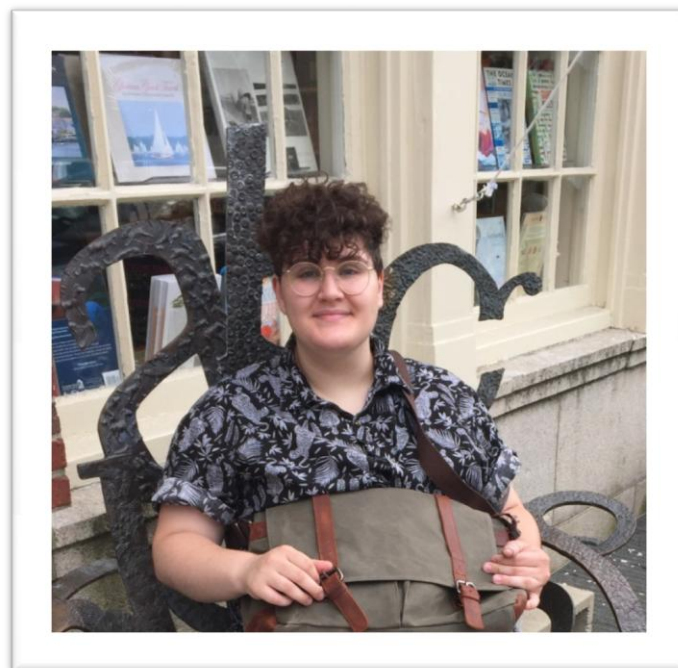

Joining Mark our night custodian in keeping the building looking clean and sparkling is our **new custodian Frank!**

Frank is happy to stay behind the scenes making sure that all of the library spaces are kept well maintained. If you happen to see him or Mark around, please feel free to say "Thank You!" for all of their hard work.

We are excited to welcome as our new Evening Children's Room librarian **Charlie Pope.**

Charlie is a recent graduate of Mount Holyoke College, where they studied English Literature and Spanish with a focus in creative writing.

Throughout high school and college, Charlie worked at the Clapp Memorial Library in Belchertown in various positions, including teen event coordinator, library page, library intern, and circulation desk substitute.

Charlie loves reading (and art!) more than anything, and is quite partial to graphic novels, though they also love mysteries, fantasy, and classics. Some of their favorite authors include Agatha Christie, Carmen Maria Machado, Naomi Novik, and Neil Gaiman.

Bob Comeau draws on his extensive research into burial ground, cemetery, and church history to answer this question, exploring the many factors that determined burial places at different points in Holyoke's history. The talk will focus on cemeteries and burial grounds established before 1900, including lesser-known graveyards that pre-date the founding of Holyoke.
