Registration for programs is required. Please email galefreelibrary@gmail.com or call 508-210-5569.

Nutcrackers: A Colorful History

Thursday, December 1st

11:00 am (virtual)

You may never have given those funny painted statues much thought, but the history of nutcrackers involves the development of tools from the Stone Age to the Industrial Age. Their story encompasses the political changes of Communist-era Germany, a Russian ballet, and American G.I.s. These are all elements in the history of the charming, colorful creations we enjoy today.

This program will be led by art historian Mary Woodward, who serves as a guide at several Historic New England properties, and who has previously served as Public Programs Coordinator and Educator at the Concord Museum.

"Nutcrackers: A Colorful History" is presented in partnership with the Tewksbury Public Library.

Craft Night for Adults

Death on a Winter Stroll

By Francine Mathews

Christmas and death come to Nantucket.

U.S. Secretary of State Janet Brimhold McKay; her husband, Ron; and his unsatisfactory, artistic son, Ansel, are in Nantucket for Christmas Stroll, a beloved island tradition. Also on the island is a film crew that's staying at the compound of wealthy tech genius Mike Struna, an old friend of ambitious director Carly Simpson-Sonnenfeld and her much older husband, Vic, a womanizer who runs a powerful talent agency. The two disparate groups are linked by a talented nature photographer squatting in a falling-down house.

Ansel McKay and Winter Candler, daughter of movie star Chris Candler, strike up a friendship after a chance meeting in town. Both have serious problems, and both are often shadowed by their parents' security teams. Ansel, who had long believed his father's story that his cocaine-addicted mother left him and later died, has now identified her as Mary Alice Fillmore, a celebrated photographer who's squatting in her family home, which Ron McKay vengefully left to rot. When Mary Alice is murdered, Police Chief Merry Folger and her staff have their hands full since many of the suspects are powerful people who don't take kindly to her questions. Then Vic Sonnenfeld goes missing. Once his shotgunned body is found in a nature reserve, Merry has no dearth of suspects in a challenging case of powerful people and tangled love/hate relationships.

Plenty of fascinating characters and myriad motives make for an exciting read.
