Management Plan

- 604(b) grant funding for Water Quality Planning Activities in Support of Rivers and Lakes Management and Protection Programs
 - Grant status
 - The 604(b) grant requires a public review of our Management Plan process and preliminary conclusions/direction. Need your thoughts on ~ when; what it should cover and how best to generate interest.
- Management Plan Update
 - Management Plan Outline Draft: Begin fleshing out item # 6 of the “Present & Anticipated Problems – next 10 years”.
 - Get concerns identified and accurately stated.
 - Tie this back to the survey issues and begin to prioritize and develop recommendations.
