## PRLAC Agenda – May 25, 2021

1. Call to order and Introduction of attendees
2. Approval of minutes from our April 23<sup>rd</sup>, 2021 meeting
3. Ken Evans from Friends of the Pemi will provide an overview of the almost decades-long projects that the Friends have been pursuing on the East and West sides of Livermore Falls
4. Permit Applications:
  - a. Permit #2021-01456: Application by Eversource to “rebuild the existing 10.6 miles long A111 electric transmission line from the Webster substation in Franklin, to the Pemi Substation in New Hampton. **Sherrie Trefry of VHB and Kurt Nelson of PSNH will be on our Zoom meeting to provide an overview and answer our questions**
  - b. Permit #2021-00531: Field Engineering response to our concerns regarding the wetlands permit application for bank stabilization (Glove Hollow Tree Farm)
  - c. Status of Owl’s Nest request to pull Pemi water for their 10 acre pond – site visit...
5. Membership: Reappointment of Kathleen DeWolfe (Ashland), and Lisa Doner (Plymouth; pending)
6. Further discussion on incorporating a PRLAC overlay in municipal Planning Boards
7. Return to face-to-face meetings and SB95...?
8. VRAP update, and Michele Condon training
9. Regarding review of future permit applications, we should discuss:
  - a. Researching RSA’s and agency rules to back up potential violations we observed
  - b. Including town Selectboards, Planning Boards and Conservation Commissions as a cc in our response to make sure they are aware of our concerns for issues, especially for ones that don’t pertain to the laws.
  - c. Pursuing legislation for egregious issues, not addressed by law
10. Follow-up on ice treatment material storage on Langdon Street in Plymouth
11. Result of site visit by Sherill, Janet and Myrtle to review Campton bank erosion after bridge repair – James Quinn email to Campton Town Admin
12. Tabled until June PRLAC meeting: Michele Tremblay will be our guest to discuss the New Hampshire Rivers Council program called Watershed Steward™. The model is that local organizations use these materials to implement the program in their watersheds to aid in encouraging riparian property owners to be good stewards of the waterway
13. Other items...
14. **Adjourn**
