

Pemigewasset River Local Advisory Committee

Date: January 27, 2015

Time: 7:00 PM

**Location: Pease Public Library - Plymouth, NH
1 Russell Street (off of Highland Street)
(Downstairs Meeting Room)**

- 7:00-7:05 Minutes
Review and approve minutes from September 30, 2014 (Quorum required)
- 7:05 - 7:40 PSU LoVoTech River Monitoring Program
PSU's Ashley Hyde will join us for ½ hour presentation of results they are seeing from their volunteer river assessment program. PSU has one hundred year-round data logger installations around NH and have been collecting data for ~ 2 years. Emphasis for this presentation will be on Pemi River sites.
- 7:40 - 8:10 Revised Permit Application Review Requirements, including Shoreland, A of T, and Wetlands
Summary of 11/15, DES Workshop - Review of existing LAC permit notification/review process. LACs are subject to Right-to-Know law and therefore must comply with RSA 91-A. PRLAC permit application review comments to DES now requires a "public meeting" and PRLAC quorum approval prior to application submission due date.

We will have for the meeting, 1) Handouts outlining issue 2) Proposed SOP (Standard Operating Procedure) for PRLAC compliance.
- 8:10 – 8:50 Review of Priorities/Goals for 2015
Each member was requested to identify 5 issues as priorities for PRLAC in 2015. These can be from the Management Plan or from other sources. M. Stamp will bring a list of specific priorities submitted by January 21 for discussion. Determine if there is consensus on priorities submitted
- 8:50 – 9:00 Other
Update – Livermore Falls State Park (J. Kellogg)
