

Pemigewasset River Local Advisory Committee

Date: January 28, 2014

Time: 7:00 PM

Location: Pease Public Library
1 Russell Street (off of Highland Street)
(Downstairs Meeting Room)

Town: Plymouth, NH

10/22/13 **AGENDA**

7:00-7:05 Minutes

Review and approve minutes from October 29, 2013 meeting

7:05-7:40

PSU Center for Environment project to monitor NH river water quality

Presentation by Errin Volitis, Research Technician CFE and Ashley Hyde, Masters Candidate, Environmental Science & Policy.

100 sites, all seasons Project background, what WQ elements they're looking at, sensors used, frequency of reads, how data is downloaded, how it's being archived and used, and more.

7:40-8:50

Stormwater Management in Pemi watershed

Management Plan priority project. This issue impacts a broad cross section of MP Concerns, including Recommendations:

- 1.1, 1.2, 1.2.1, 1.2.2,
- 2.1, 2.1.2, 2.1.4, 2.1.5,
- 4.1, 4.1.1, 4.1.3, 4.1.5, 4.1.6.

Objective: Significantly improve stormwater management in corridor/watershed towns.

An overview of Stormwater Management projects in the region (D. Jeffers)

- Stormwater Management Ordinances or Regulations
- Municipal Stormwater construction Project
- Homeowner site assessments for stormwater management (and project installation)

Outline key elements of PRLAC approach – develop strategy/consensus*

8:50-

Other

- 1) J. Kellogg expressed need for PRLAC “talking points” prior to town next year budget reviews
- 2) Update on PSU Shoreland Permit application – additional parking on Avery St next to NH Route 175 bridge
- 3) Trout Unlimited initiative on stream crossings

Note: This conversation should be led by PB members (current & ex). More discussion will be required but we can capture ideas and begin to identify priorities.
