

Youth Library Volunteering

Southborough Library is happy to accept Youth volunteers (students entering grade 6 through high school graduation).

Volunteers interested in joining the library team are required to meet with Youth Services Librarian Marianna before they begin accruing volunteer credits.

Feel free to stop by the library or email msorensen@southboroughma.com to set a time to meet.

Volunteer options include:

In Person

- Teen Program attendance
- Library Program development
- Social Media content assistance
- Library tasks (shelving, sorting, craft prep, labeling)
- Teen Library Team participation

From Home

- Book Reviews (2 hours a book)
- Volunteer Project Contributions

We are happy to discuss other ideas with enthusiastic volunteers. Please email msorensen@southboroughma.com with questions. We look forward to seeing you!

When a volunteer is 18 years of age, they are subject to CORI and SORI checks with the Library Director.
