

Town of Belmont Cemetery Trustees Meeting Minutes

September 8, 2023

Sharon Ciampi

Hillary Horn

Kyle Dodge

Call to order: 12:26pm

Old Business

Meeting Minutes:

An amendment needs to be made to the August 4th minutes reflecting the accurate budget remaining for the year. The amount needs to be amended to \$11,219.78. Minutes will be approved at Octobers Meeting.

Hillary makes a motion accept Kyle seconded, all in favor.

Budget/CIP Request:

The remaining budget for the year is \$11,084.78.

We put in the budget request with a solid number for Maintenance for the second year of the contract.

Sharon was trying to get estimates to build new signs for all cemeteries for the CIP Request. We would have to hire a granite company to make the granite posts and put the signs in while a company in Tilton can make the signs themselves. The gentleman from the Granite company will work on an estimate for that.

Public Notice:

At the selectmen's meeting there were some questions about the tax map and what it might entail to gain ownership to the cemeteries on the public notice. The tax numbers need to be changed to reflect the correct numbers.

We will still go forward with the public notice, but we need to have discussions with Colleen about procedure.

We added Ladd Hill to the list even though there is rumor that the bodies were moved back in the 1950's to a cemetery in Laconia. Hillary is doing research to verify this information. According to Colleen we already own Ladd Hill Cemetery and can remove it from the list. So, Hillary will do that. We will not be pursuing DeRoy Cemetery ownership at this time, but we will continue with pursuing Young Cemetery.
