Public Input
Nancy Strand attended the meeting as representation for the transfer station committee. The committee (with approval by the Select Board) contacted a company in southern New Hampshire called Apparel Impact. They deal with textile recycling and repurposing. More information can be found on their website at www.apparelimpact.com. The library was suggested as a possible location for a textile donation bin. The Board supported the concept by felt that the library was not the appropriate location for a bin. Laura will reach out to Nancy with the decision.

Librarian’s Report

The book sale during the week of Memorial Day brought in $70, which is fine. Another larger book sale will be held at the Summer Reading Program kick off event, on Saturday June 26th.

The Friends of the Bethlehem Library would like to have a donation jar in the library to help fund more support. A motion was made to allow some sort of donation collection, with the understanding that the container would be affixed with the Friends logo and would be maintained completely by the Friends group. This motion was seconded by Nora and passed unanimously.

The Story Walk will be ready by the Summer Reading Program kick off on June 26th.

The library has been having some staffing issues. They are searching for a part time library clerk. Due to this, the library will remain at their limited opening schedule for the summer (Tuesdays, Thursdays, and Saturdays).
All staff are back to their hourly rate as of June 1st.

Barbara mentioned that she will be out of town for the August and September monthly meetings, as well as possibly the October meeting. The Board approved this, and the decision passed unanimously.

Len made a motion to adjourn at 7:45 pm, which was seconded by Lisa and passed unanimously.

Respectfully Submitted
