Librarian’s Report

The new desk in the library office has been delivered, and the new laptop has been hooked up. This will be very helpful to the library staff. Laura has requested that she be allowed to ask the Friends of the Bethlehem Public Library to pay for these services. The laptop hookup amounts to $223, while the new desk totals $1,580.

The library staff would like to request some new storage for the children’s nonfiction section, to make content more accessible to patrons. They would like to ask the Friends to pay for this new storage as well, which is estimated to cost $250. The Trustees support Laura in making these requests of the Friends.

Laura contacted the other town offices to see if they have use of the table that the new office desk replaced; they did not, so she will be considering listing it for sale online.

There were 1,170 patron visits in January of 2022, which is double the number of visits in 2021.
LEGO Club, Crochet Club, etc have been successful and are great additions to the library’s schedule of events. Abby is looking into Oscars season; be sure to be on the lookout for upcoming related programming.

The new website looks great, and is so far very user friendly.

Len made the motion to adjourn the meeting at 7:36pm. The motion was seconded by Nora and passed unanimously.

Respectfully Submitted

Tana LeClair
