VALLEY GREEN

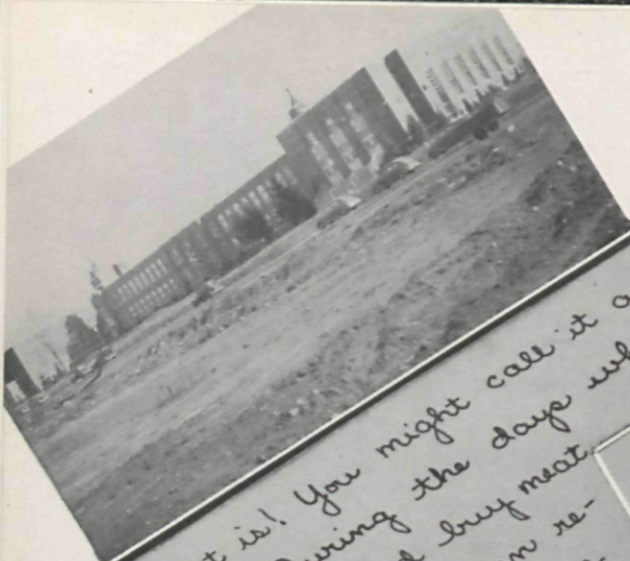

PASSAIC VALLEY HIGH SCHOOL
LITTLE FALLS, NEW JERSEY

Passaic Valley High School
Little Falls, New Jersey
June, 1944

Dear Classmate,

Here at last is the 1944 Valley Green filled to the brim with delightful memories of your high school life. May it always serve as a fond reminder of your days at Passaic Valley High School—the school which you will always wish to remember.

We were only insignificant freshmen when we first saw "the new high school"; now we are almighty seniors, the first graduates able to look back on four full years of Passaic Valley life. What we see brings no regrets. The institution we leave now is certainly a far cry from the mud, the unfinished lockers, and the smell of fresh paint which greeted us on that day in September of 1940 — you remember that!

Here it is! You might call it a "before" and "after" pose. During the days when we used to eat butter and buy meat without discussing at the member table the possibility of a new high school in our town. We remember thanking our fellow townspeople and our leaders when they made the school a reality rather than merely a topic of conversation.

For three long years we had been looking forward to the time when we would be seniors. Finally we made the grade, one September morn in 1943, we found ourselves in the cafeteria, our new home room, waiting for Miss Dunis to take the attendance.

Miss Meralis called for quiet and proceeded to read the announcements for the week as a few of us dashed in and barely got into our seats.

It seems we were naturally noisy. Even Sandy Blackman had his troubles in keeping some sort of order during the class meetings. Wis- cussions ran wild until our little "five" president put his foot down. In- cidentally, Sandy was once much shorter. Here are pictures of him and the other officers when they were freshmen. Notice how Marge Zanfino, our treasurer, Lois Parliament, our secretary, and Bill Brennan, vice president, have changed in four years!

There were those of us who didn't get into the Cafeteria on time and were informed that a late slip was necessary. Mr. Schneider, with a reassuring smile on his face, often had to give Miss Ayres a little help in handling these late comers.

Mr. Raulinger, our principal, has had to act as mediator in many an argument. His quiet manner has aided in settling the many

disputes that are to arise.

On Friday mornings the school usually files into the assembly to enjoy the programs prepared by the assembly committee. Instead of walking to the assembly in a group, we just ambled down the hall to the auditorium and sat in the first eight rows of the assembly.

But a senior's life is not all play and no work. You would have found all of us in P.A. D. and English classes sometimes during the day. Through S. H. A. meetings on Tues days and P.A. D. in general, we seniors got our share of talking done.

We were no exception when it came to meeting a little guidance now and then. Miss Barrett's crew of guidance counsellors was ever willing to give us a little aid when we most needed it.

Finally 3:07 was announced by the long awaited bell, and the day was over for some of us. For many, however, there

were committee meetings,
sports clubs, and other ac-
tivities to attend. Often the
gym had to be decorated for
a dance. All in all, many seniors
did not see the end of school until after 3:01.

MODEL SET

This year a New England comedy was chosen for the annual Senior Class production. Miss Merrill selected and trained the cast for the final performance which was a success in every way.

Valley Varieties To Be Held Friday

FOREST PRINCE

An Operetta

As in previous seasons, this year's Valley Varieties contained individual home room shows, with the main attraction consisting of an auditorium program. The production, this year, was quite an innovation, for it represented the school's first attempt at an operetta, "The Forest Prince", based on music adapted from Tchaikovsky.

It is hoped that this type of stage show will start Valley on a career of bigger and better productions, and this year's graduating class wishes the school luck in all future presentations.

G. A. A.

ONE of the first organizations to spring up in Valley during its early days was the Girls' Athletic Association. It consisted of the various sports clubs such as basketball, field hockey, softball, riding and bowling. The activities of the organization were limited the first year because of lack of extra equipment. This difficulty was overcome by holding a Girls' Show. From the proceeds of this show, the G. A. A. bought its extra equipment, consisting of archery sets, table tennis sets, badminton, and shuffleboard. The girls eagerly welcomed the formation of the Swimming and Modern Dance clubs and a record of excellent sportsmanship was established. The girls Sports flourished particularly during the past year. As the senior girls leave Valley, they feel that they leave to their followers an active organization made possible by their efforts.

Commercial Service Corps Renders Services Year Round

One of the most active organizations in Passaic Valley High School is the Commercial Service Corps. A group of students who do various jobs of work for every department of the school as well as for the office. At the beginning of the school year, in September to the end of the year, this corps is busy duplicating, mimeographing, typing and other jobs that have to be done. It was first organized in 1945 and has since then grown steadily. It is a very important organization and its members are constantly working to improve their skills. Through the year, many extra jobs are made upon a certain basis. It has been placed in other forms. These are used in the main office. The Corps has been placed in other forms. VALLEY COMPLETES FOUR SEASONS OF FOOTBALL WITH IMPRESSIVE RECORD

JUST three years ago, the Hornets finished their first football season under the able direction of Coach Elmer Griswold, and at the end of this season were able to produce a good record, considering the innumerable handicaps they encountered. The record for that first year was one victory, two ties, and three defeats for Passaic Valley.

From a statistical point of view the results were not too good but showed that the boys were working. All told, Valley had 71 points scored against it and had, itself, scored 12 points.

However, the next season showed definite signs of improvement, with four wins, one tie, and three losses. This time Valley was ahead of the opponents with 57 points scored against their opponents and 51 against Valley.

Passaic Valley's most successful year came in the 1942-43 season. This season the Valley eleven had piled up 103 points to their opponents' 40—a record they can well be proud of, thanks to the cooperation of the team and our coach, Ray Normile.

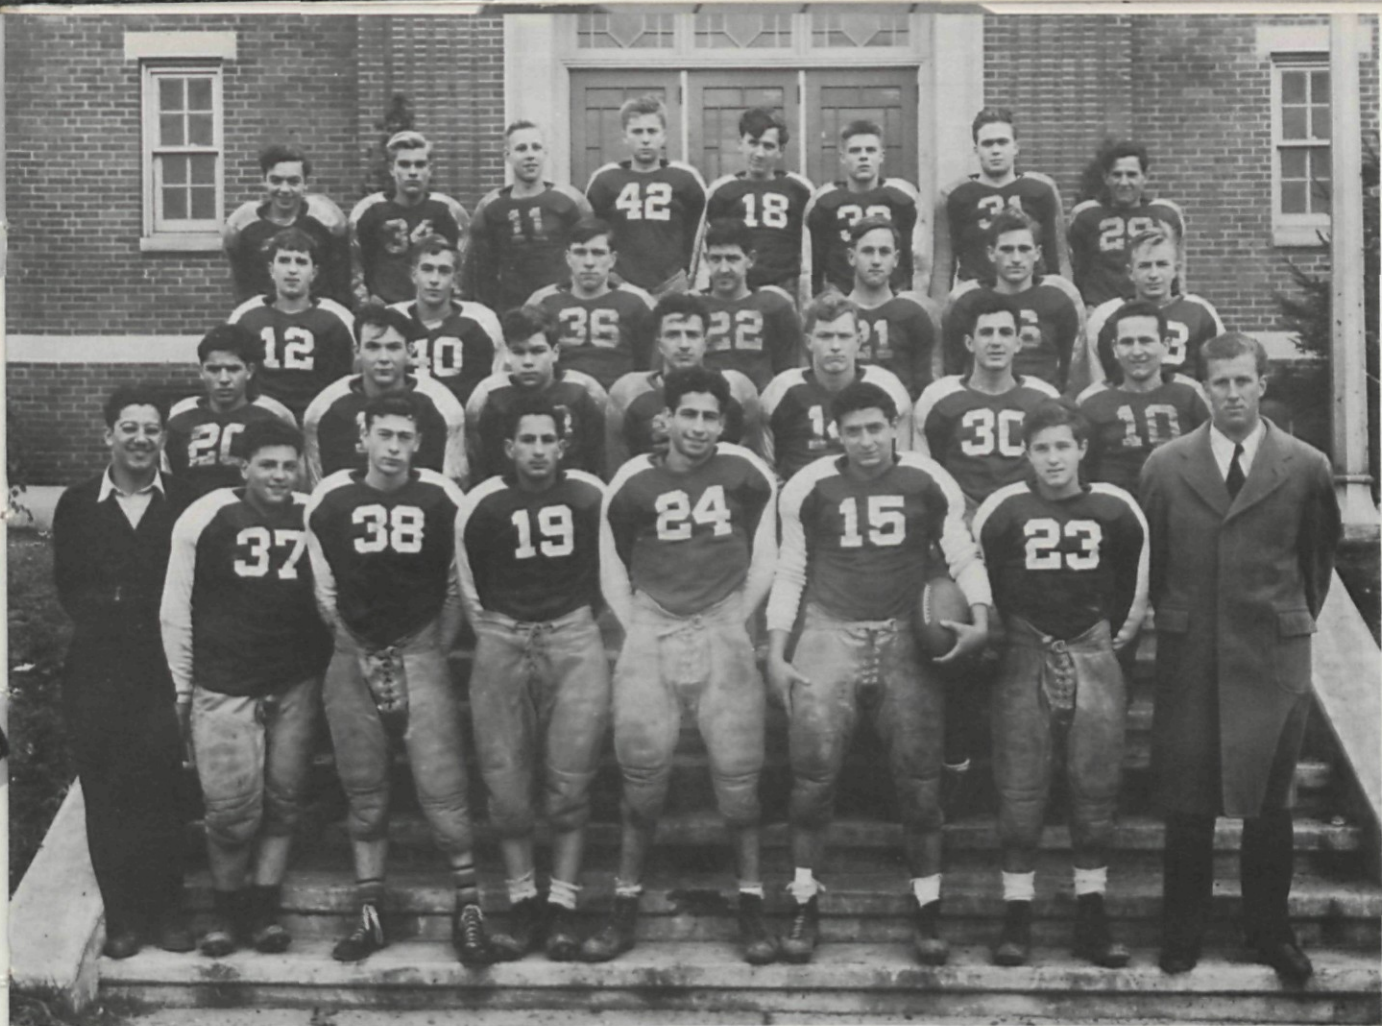

Then the 1943-44 season ended with a record of 4 victories and 4 defeats. After a 6-0 defeat from the hands of Ramsey and a 25-12 decision from a strong Caldwell eleven, Valley started on a three game winning streak by beating a Hawthorne team, 12-0. The next week the Hornets overran a weak Bergenfield team, 26-12, and then turned around and defeated the favored Clifford Scotters, 27-6. Then Valley took a nose-dive when a very much stronger Pompton team handed them a 34-6 decision. On a wet and very unfavorable day, Verona scored a 6-0 victory over Valley. The Hornets then came back and wrested a hard 14-12 decision from Ridgewood. This year Valley fell back by 4 points by allowing its opponents to score 101 points against its own 97.

MUSIC DEPARTMENT

EARLY in 1941, popular sentiment arose in favor of a school band, which Mr. George Schaefer then started to organize. A school fund was begun in order to purchase instruments and equipment. The band made wonderful strides, and when Mr. Groff took over the job in 1942, he organized a system of junior and senior bands which soon produced one of the finest of such organizations in North Jersey. In addition to a yearly concert, it has entertained during football games in which it was assisted by a group of girls who formed a Twirling Club. They had some outside instruction by a nationally known expert and have ever since added color and variety to the games.

One of the oldest organizations in the school is the Choir. It has given an annual concert, first under the direction of Mr. Golz and now, since his enlistment in the service, under Mr. Groff. This year it had the added distinction of being invited to sing during the Christmas season at Quakenbush's Department Store.

The Dance Orchestra has made perhaps the greatest strides, starting with just a few instruments under the direction of Mr. Schaefer and expanding under Mr. Groff's direction into a group consisting of four saxes, five brasses and three rhythm instruments. It plays for many dances and was last year a highlight of the Valley Varieties.

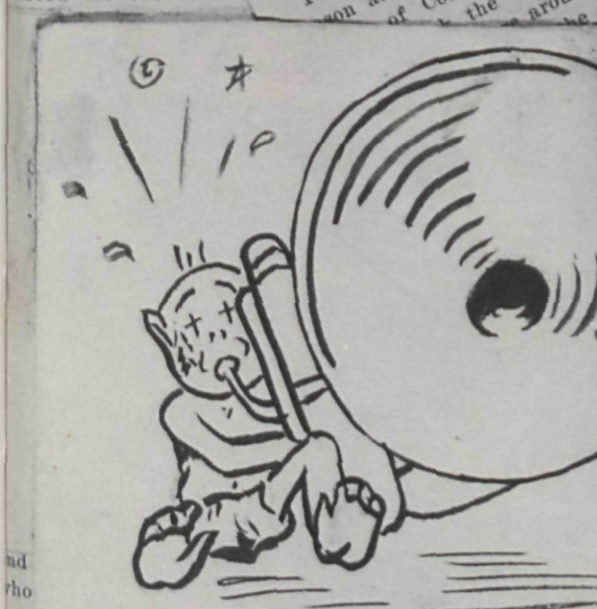

Newer groups, organized for last year's Valley Varieties, are the Boys' Glee Club, the Girls' Ensemble, and the Girls' Glee Club. Mr. Groff has worked hard to make these a success and has made many fine arrangements for them.

BASKETBALL

HANDICAPPED by the loss of all but one varsity player in last year's graduation, Coach Joe Brownlee went to work with a green squad to turn out a fairly good team—good enough to reach the "tournaments."

After three losses, one to Caldwell, 33-31, one to Central, 45-24, and one to Bogota, 44-28, Valley returned with a three-game winning streak by defeating Pompton, 38-27, Caldwell, 49-35, and Butler, 29-28.

Valley dropped the next three to Ramsey, Central, and Hawthorne by small margins, 30-29, 24-21, and 25-23, respectively. The Hornets split the next four by defeating Eastern Academy, 35-20, and Fairlawn, 38-32, while they dropped one to Ramsey, 34-24, and one to Bogota, 37-25.

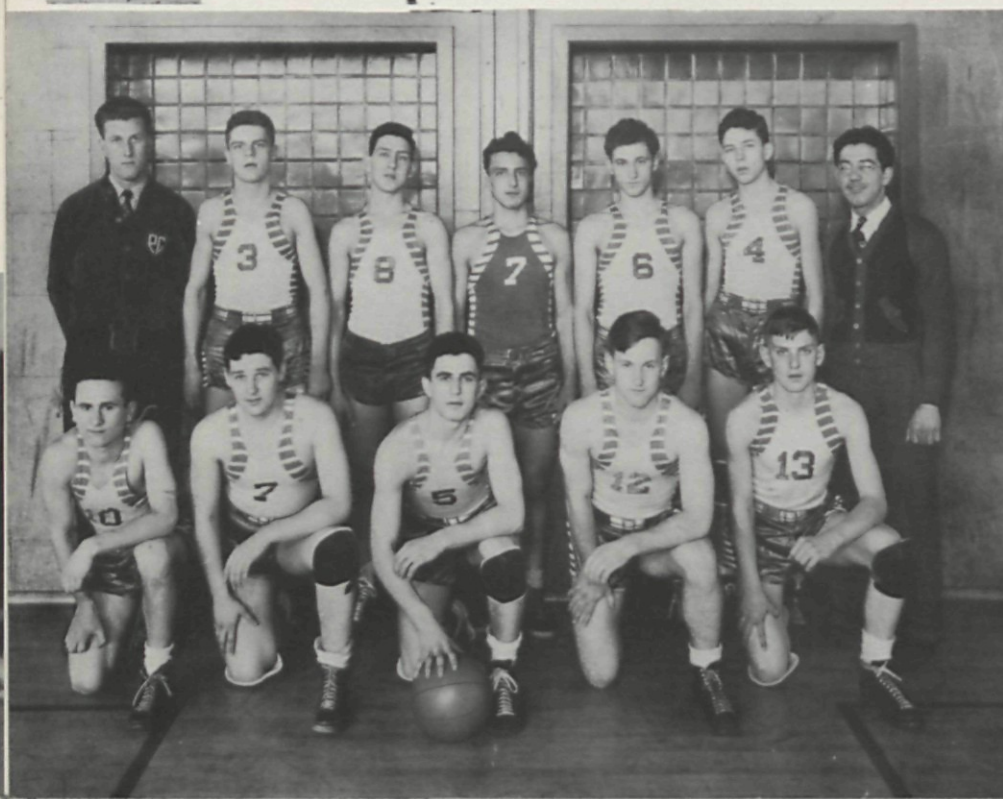

Then Eastside nipped Valley, 31-20, while Fairlawn defeated the Hornets, 25-23, in the biggest upset of the season. Hawthorne then defeated Valley, 47-27. Coming back after these three defeats, Valley beat Pompton 29-16. On March 1, Valley was eliminated from the State Tournament by the Hawthorne quintet, 26-22. Butler defeated Valley in the last game of the year, 28-25. Valley completed its season with 6 wins and 13 losses.

Valley Beats Pompton, 39-27; Tie For First In Suburban Fight
Schaefer, Kornreich, Wagner Break Record With 10 Points Each

Valley won its first game of the year last Saturday, January 15, and tied Hawthorne for first place in the Suburban Conference by defeating Pompton 39-27. The sharpshooting of Schaefer and Wagner in the second half cost Pompton a third straight defeat. Wagner led Valley up to the first lead.

B. A. A.

ROBERT FISCHER was elected president of the newly formed B. A. A. at the beginning of the 1943-44 school year. Assisted by Al Balkin as vice-president, and Arnold Capalbo as secretary-treasurer, Bob started the B. A. A. on its way. He stated the purpose of the organization is to unite the intramural sports, to operate with the faculty in the administration of athletics to foster student leadership, and to have every boy in at least one major athletic activity. Two members from the B. A. A. Council are chosen from each of the Freshman, Sophomore, Junior and Senior Classes. One representative is also chosen from each of the varsity teams.
