FOREWORD

"Marilyn,"
Way your future
be full of the happiness
and "jeie de mere" which
has been yours in the past.
Love Ya!
Marilyn

The three hundredth anniversary of New Jersey is celebrated in 1964. Since her founding, New Jersey has developed into a prosperous and well-rounded community, just as Passaic Valley has grown into an outstanding and well-balanced school.

As a state institution, Passaic Valley has sheltered and guided us. Now at the observance of the Tercentenary we graduates and prospective senior citizens will endeavor to honor her past and serve her future.

Throughout the following pages we have attempted to embody the story and spirit of Passaic Valley and the People-Purpose-Progress of New Jersey.

Dedication

ELMER T. GRISWOLD
M.A.

Looking back upon our years at Valley, the graduating class of 1964 cannot help but recall one of the school's most outstanding attributes—excellence in all areas of sports. As a physical education teacher on the original staff; as a coach of football, basketball, and baseball; as one of the founders of the Lakeland Conference; and as director of athletics, Mr. Elmer T. Griswold has been largely responsible for this inclination toward achievement.

In recognition of his accomplishments, the Seniors do sincerely dedicate to Mr. Griswold the '64 Valley Green. May he continue to stimulate in newcomers to PV the same zeal for athletics that we take with us upon our graduation.

DR. EDWARD T. SCHNEIDER
ED. D.
Superintendent

As one who has seen Passaic Valley grow and develop through the years, Dr. Schneider is certainly qualified to supervise the operation of our school. This quietly authoritative man retains the respect and admiration of students and faculty alike.

MR. MICHAEL F. GATTI
M.A.
Principal

Mr. Gatti, principal of Passaic Valley High School, has the responsibilities of organizing student life at Valley. His main concerns lie in giving students the best possible academic environment and giving advice and direction for extra-curricular activities. Any student who desires guidance and counseling will find him ready to help.

MR. JOSEPH I. FARRELL
M.A.
Assistant Principal

While investigating career possibilities many students have received assistance from Mr. Farrell. In the Guidance Department he is continually active, always ready to help. His attitude of interest and concern is a great asset to our school.

MR. PAUL J. NIXON
M.A.
Administrative Assistant

As administrative assistant of Passaic Valley High School, Mr. Nixon has performed many valuable services. Supervisor of attendance and scheduling, he is in daily contact with many students. His understanding, amiability, and unselfish labor have helped to make Valley an efficient and well-run school.

BOARD OF EDUCATION

Our Board of Education is to be complimented on the manner in which it has met its responsibilities and paved the way for making Passaic Valley a truly outstanding secondary school.

As elected officials, the members of the Board have the difficult task of representing both the school and the citizens of our three municipalities.

MUSIC DEPARTMENT

Under the capable direction of Mr. James Barresi and Mr. Lawrence Culp, the students of Passaic Valley have developed an interest in both popular and classical music. Such events as the Christmas Concert, the Pops Concert, and the Spring Concert have become tradition here at

Valley. At pep rallies, football games, and victory parades our faithful and spirited marching band can be seen leading the entire student body in the singing of our Alma Mater. Our Green and White Marching Band also achieved recognition at the annual Clifton Band Show in October.

Chorus

The Chorus, a prerequisite to the Choir, includes those students beginning their choral singing experiences. Members learn voice development and techniques and music appreciation as Mr. Lawrence Culp prepares them for the Christmas and Spring Concerts.

The Choir under the direction of Mr. Lawrence Culp is composed primarily of upperclassmen who have had experience in the Chorus. Regular activities of the group include the Christmas and Spring Concerts and various assembly programs. In addition, this year individual members of the Choir have performed for the Little Falls Women's Club and neighboring grammar schools.

SENIOR PLAY

The Senior Play, *Out of the Frying Pan*, dealt with three boys and three girls who shared an apartment in New York City's theater district. The young actors were trying desperately to get jobs in a certain hit play running on Broadway. They had even gone so far as to rent the flat above that of the producer of this play, Arthur Kenny. What followed proved to be a riotous affair with much fast moving action. In one hilarious scene one of the boys, dressed only in his underwear, was caught in the apartment by the enraged father of one of the girls. Later on, after the kids had succeeded in luring Mr. Kenny up to their flat in order to see them perform his play, two policemen appeared and caused more misconstrued havoc. But all ended well when Mr. Kenny decided to let them tour the country in his play.

Out of the Frying Pan, presented on October 25th and 26th, was a comedy written by Francis Swan. The play was a big hit on Broadway some years ago. Under the very capable direction of Mrs. Peggy Nyire the play was also a success at Passaic Valley, where previous attendance records were surpassed.

VALLEY VARIETIES

The 24th annual Valley Varieties at Passaic Valley High School was held on Friday evening, May 1.

The festivities began with four dinner servings between 5:30 and 7:30. From 7:30 until 10:00 the auditorium show was presented. This year's show, entitled "Broadway Beat," was centered around the unforgettable shows and tunes of the past. While the show was in progress, the halls of Valley were filled with people who were enjoying the fun, games, and various booths which had been set up.

King Walt Tripp and Queen Hilda Morales

"Well, Shake it up Baby . . ."

"Come away with me . . ."

"One, two, three—step . . ."

"Charleston, Charleston . . ."

The highlight of the evening occurred at 10:30 in the boys' gymnasium with the traditional ceremony of crowning the king and queen of Valley Varieties. This year's king was Walter Tripp and queen was Hilda Morales. The ladies who made up the queen's court were Pam Cato, Marion Frazier, Taffy Furman, Martie Haines and Mary Bielly. The gentlemen who made up the court were Carl Picozio, Ron Mitzzone, Tom Haggman, Chuckie Theodorak and Rick DeFuria. The proceeds from Valley Varieties go toward enlarging the funds of the SGA treasury.

Handwritten note:
 Thank you for your help in making this year's event so successful. I hope you had a great time. Love, [Signature]

THE EFFECT OF AGRICULTURAL CHEMICALS

PURPOSE
To determine the effect of the treatment of agricultural chemicals on the growth of *Phaseolus m. m. m.* in a garden plot.

HYPOTHESIS
It is hypothesized that the experimental group will show a greater growth rate than the control group. This is due to the presence of the chemical.

PROCEDURE
All plants were grown under the following conditions for a 30-day period: Temperature 70-75 degrees Fahrenheit.

FINE ARTS, CRAFTS, AND SCIENCE SHOW.

On Friday, May 15, Passaic Valley presented its Annual Fine Arts, Crafts, and Science Show. This year's show followed a timely theme of the current Tercentenary celebration. Various projects in the fields of science, art, English, home-making, and industrial arts were on display throughout the school. Science work was exhibited in the cafeteria, and visitors were able to view work done in other areas in the boys' gymnasium. Prizes were awarded to students who submitted outstanding projects in each department. Among the industrial arts displays was the booth recently shown at Asbury Park in statewide competition.

The evening was climaxed by the crowning of Cedar Queen, Patricia Dale, by the chairman of the show, Tom Walter. The Queen, attended by her court, Marion Frazier, Maureen Golden, Martha Haines, Linda McLaughlin, and Roberta Suriano, was presented with the traditional cedar chest constructed by Ed Varcadiponi.

First place winners in the field of art were B. Conover—Graphics and Design, L. Stone—Oil Painting, R. Place—Water Color, F. Good—Drawing and Sketching, A. De Groat—Ceramics, L. Stone—Sculpture, R. Hood—Varied Media. The Best in the Show Award went to A. De Groat for his "Double Neck Vase."

First place winners in industrial arts were P. Johnston—Wood, K. Kastel—Metals, K. Karback—Crafts, W. Crivellone—Mechanical Drawing, F. Neale—Mechanical Drawing (Architectural).

In the field of science first place winners were M. Simone and R. Kunis—General Science, E. Mason—Biology, J. McEwan—Chemistry, W. Jaslanek—Physics.

The first place winner in the Home Economics Department was R. Muoio.

English awards went to G. Rabas, R. Maglio, W. Schlegel, S. Koss, A. George, J. Neale, D. Muoio, J. Graffam.

GIRLS' SHOW

On April 10 and 11, the 24th Annual Girls' Show, in co-operation with the GAA and the Girls' Physical Education Department, was presented. The theme this year was Past (Whites) vs. Future (Greens).

Led by White Chief Linda Lloyd, Mississippi minstrels marching in Entrance, and old-fashioned swimmers performing in Exercises captured the trophy of Girls' Show I over the Green robots in Entrance and the Martians in Exercises. However, the Greens, with Chief Bobbi Suriano, rallied to win Basketball.

On the next night, White tumblers, dressed as Indians, won the Tumbling event over the Greens who were costumed as stars. In Modern Dance, the Greens, as sunbursts, outshone the Whites. However, the tie was broken in the Relays event when the Whites were declared victorious after the third race. The Girls' Show II trophy was awarded to the Whites.

For the second year at Girls' Show, a non-competitive demonstration on heavy apparatus was presented. The girls of the Heavy Apparatus Club, under the able direction of Mrs. Sandra Kulpa, performed with skill and grace.

STUDENT GOVERNMENT ASSOCIATION

This year the SGA, under the leadership of President Carl Picazio, Vice-President Walter Tripp, Secretary Pam Cato, and Treasurer Marion Frazier, strove to maintain the high standards which it has assumed over the years.

The SGA proves its importance to the school by sponsoring dances, the magazine sale, activity tickets, and many clubs. This year the council also instituted plans for celebrating the New Jersey Tercentenary and the twenty-fifth anniversary of PV.

Other activities centered around our new foster child Florina DeGuzman and our Swedish foreign exchange student Karin Bertilson. As usual, the SGA officers and advisor, Mr. Anthony Suglia, attended the Rutgers Convention of student councils in November.

AMERICAN FIELD SERVICE

Karin Bertilson "From living in the United States I have gained maturity, a better understanding of your customs, and a more expressive opinion. I have also learned to be somewhat on my own."

Barbara Nichols

This year Passaic Valley High School again has been fortunate in participating in the American Field Service program by having another foreign exchange student. Our student has been Miss Karin Bertilson from Sweden.

Karin, enrolled as a member of the Senior Class, resides with the Nichols family whose daughter Barbara is a junior at PV.

Through our associations with Karin we have gained a better understanding of Sweden, its customs and people. She has been very active in our school and has participated in SGA Council meetings, the Rutgers Convention, Girls' Show, and various girls' sports.

Coach Tom Patierno

Once again, Passaic Valley's cross-country team has brought honors to our school. Running a tough schedule, Valley remained undefeated in dual meet competition for the third consecutive year.

Leading the Hornets were Seniors Ed Schopperth and Jim Hagman in their third year of varsity competition. Behind these boys, lending the necessary support were Seniors Ron Schopperth, Roland Watt, Bob Borzellino, and Al Jones and underclassmen Dan Papa, Mike Hrycenko, Bob Schwetje, and Jack Honan. Also aiding the Hornets in extending their consecutive dual meet streak to 43 were Ray Barker, Tom Bowdler, Jim Malenzi, George Temple, and John Parisi.

Valley made clear its domination of the Lakeland Conference by winning the meet for the fourth straight year. The Hornets compiled a score of 16 points in taking the varsity race while the junior varsity won with 17 points.

The next challenge for Passaic Valley's harriers was the Passaic County Meet. Our runners came through in style, winning for the fourth straight year, the varsity, junior varsity, and freshman races. The varsity, led by Ed Schopperth, scored 44 points while the junior varsity and freshmen scored 19 and 26 points respectively.

The Hornets next traveled to Warinaco Park hoping to win the State Championship, but were defeated by a strong Westfield team. Due to an official's mistake, there was no second or third place awarded in the Group IV competition, leaving Valley without a team standing.

Through the diligence and dedication of Coaches Tom Patierno and Jim Kiick, the team completed a successful year with two championships and an undefeated dual meet season.

*Lakeland Conference Games	

The first game of a successful 1963 season ended in a 13-7 loss for the Hornets. Valley took the lead early in the game on a long scoring drive, but the Verona offense managed a touchdown in each half for the win. Determined to prove their strength, the Hornets overwhelmed Caldwell the next week by 27-0. The Valley offense led by Dave Nigra, Walt Tripp, and Al Brooks piled up the points, while the rugged defense held the Chiefs scoreless. Against Lyndhurst the following week, Valley again took an early lead. A Lyndhurst punt return and a recovered fumble gave the Golden Bears two scores and the 12-7 victory.

Valley engaged in its first Lakeland Conference game in fine style against Dover. Junior quarterback Mike Luzzi led the Hornets by throwing two touchdown passes. The defense again performed superbly giving the Hornets a 20-6 win on a smog covered Walton Field. Against Boonton the Hornets did not fare as well. The Bombers completed several passes for touchdowns, while their defense held the Hornets in check and the game ended at 20-7 in favor of Boonton. The following week against Butler, Valley again combined a stubborn defense with a powerful offense and gave the Bulldogs a stinging 32-7 defeat. Junior Al Brooks and Senior Walt Tripp provided the team with most of the offensive effort that day.

Newton found the Hornet defense impenetrable in Valley's fourth Conference encounter. Led by Dave Nigra and Al Brooks, who each scored on long touchdown sprints, the Hornets posted another shutout victory 19-0 and found themselves in a three-way tie for the Conference lead.

Valley's tough defense and a rugged offense again combined to give the Hornets a 28-7 win over Cedar Grove. Led by the needle-sharp running of fullback Dave Nigra, whose four touchdowns were the only Valley scores, the Hornet offense was at its finest.

A Boonton loss to Dover that week resulted in a tie between Valley and Wayne, traditional Thanksgiving Day rivals, for the Lakeland Conference crown. Before a standing crowd on Thanksgiving morning, the championship was decided. With a well-engineered scoring drive Dave Nigra led Valley to an early lead. The ball changed hands often for the rest of the game. The powerful Hornet defense, however, retained the Indians behind the midfield stripe for the whole game. Valley posted its third shutout victory of the season 7-0 becoming the 1963 Lakeland Conference Champions.

Throughout the season Captains Joe Teller and Walt Tripp were a source of spirit and leadership to the team. Contributing largely to the success of the team were Senior linemen Walt Pedati, Ted Yurkosky, Bill Hyde, Carl Lo Guidice, and Emil Trione. Senior backs Dave Nigra, Hank Sisbarro, and Tom Fritts filled important spots on the offense and defense. Among the Juniors who were instrumental in the season were Mike Luzzi, Al Brooks, Jim Konzelman, Leonard Warren, and Tom D'Achino.

The excellent record compiled by the Hornets would not have been possible had it not been for the fine coaching staff at Valley. Under the direction of Head Coach Steve Gerdy, these men developed the team into a polished offense and one of the toughest defenses in the area.

Coach David McMahon

Experience was the key factor in the Hornet's third year of varsity competition. The powerful grapplers, under the capable leadership of Mr. Dave McMahon and Mr. Neil Aharra, finished with an impressive 9-3 record.

Leading the way were captains Bill Hyde (168 lbs.) whose record was 10-0-2 and Hank Sisbarro (123 lbs.) who was undefeated at 10-0-2 for the year. Seniors Carl Lo Guidice (136 lbs.), Ted Yurkosky (148 lbs.), and Walter Tripp (157 lbs.) completed the sturdy, experienced backbone of the team. Other Seniors, including Ken Justesen, Walter Pellock, and John Mancinelli, were invaluable for the success of this year's team.

The year began with an upset victory over Passaic. The Hornets took 8 of the 12 weight classes to beat the highly rated Passaic team 30-20. For the third year in a row, the Valley matmen overpowered the West Essex contingent, 33-9. Manchester fell to the Hornets 24-20 in an exciting match. Nutley could not cope with the rolling Hornets and fell 29-11. A more tightly contested match was won over Clifton 30-14 and the Valleysmen were undefeated at 5-0.

Essex Catholic proved to be the spoiler as the grapplers received their first setback at 17-23. The Hornets bounced back to take the next three in fine form. Perennially powerful Dover met its match as the wrestlers took their sixth match 22-16. Cedar Grove was dumped 31-15. West Orange was added to the win column by a score of 29-9.

The Valleysmen suffered their second defeat against powerful Newton. Losing 9-35, the Hornets managed victories at the 123, 148, and 168 pound classes. Hawthorne, however, received no mercy as Valley gained its ninth win 25-15. The final meet of the season, against Montclair, resulted in Valley's third loss 18-24.

In tournament competition Valley wrestlers made a fine performance. At the Westwood Christmas tournament Hank Sisbarro, Bill Hyde and Junior Wayne Schlegel all earned first place honors and the team finished third. Bill Hyde was also a second place winner in the district championships as the team finished seventh.

Valley's JV and freshmen wrestling squads compiled records of 10-2 and 5-0 respectively—a good indication of future success in Valley wrestling.

Next year captains will be Wayne Schlegel (10-2-0) and Jim Konzelmann (9-3-0).

Under the experienced direction of Coach Tony Suglia, Passaic Valley's cage quintet compiled an excellent 14-5 record during the 1963-1964 basketball season. Although they finished second to Wayne in the Lakeland Conference, the Hornets came back to defeat this same team and emerge as the Jamboree Champs.

Led by Tom Chempiel and Skip Kortman, Valley consistently exhibited the importance of team balance and a strong defense. Completing the starting lineup were Seniors Bert Cusack and Doug Fazio and Underclassmen Dan Johnston and Frank Pescatore. Behind these boys to provide depth and balance were Underclassmen Ron Mizzone, Mike Luzzi, and Dennis Frusciano.

The Hornets found non-conference action quite rough this year, winning four of the seven played, but losing to the powerful Bayonne, Passaic, and Clifton teams. The loss to Bayonne came after a good start with the defeat of Caldwell, Cedar Grove, and West Essex twice.

Against conference competition Valley was more successful with an 8-2 mark. The Hornets turned away Dover, Butler, Newton, and Boonton once. Wayne handed Valley its first conference loss, and Boonton soon added the second. The 42-48 loss to Boonton came late in the season and assured Wayne of the Conference Championship.

Wayne's unblemished loop record and 22 game conference winning streak was at stake for their last regular season game with Valley. Both of these were spoiled by the Hornets' superior height and shooting as the Indians were walloped by a lopsided score of 72-56. Conference competition ended, however, with Wayne in the lead position.

The Jamboree proved Valley's superior potential. The final game was the third meeting with archrival Wayne. The preceding two years Valley had lost the final by one point, but this year the Hornets were not to be denied. They concluded a successful season with a hotly contested victory over Wayne, 82-74 to become Jamboree Champs.

Coach Tony Suglia and the players are to be given a great deal of credit for their winning combination and the prestige brought to our school.

Coach James Kiick

The track team this year faced possibly the toughest schedule in its history. Directed by Coach Jim Kiick and Assistant Coaches Frank Pellechia and Bernard Bender, the Hornets were faced not only with strong conference teams, but also with non-conference foes such as Passaic, Clifton, and Lyndhurst.

This year Coach Elmer Griswold fielded a very well-balanced team having a few veterans as a nucleus with excellent performances by underclassmen. In addition, a solid pitching staff contributed greatly to the team's potential.

Frank Conti, Mike Luzzi, Dennis Frusciano, and Dan Johnston handled the bulk of the pitching assignments with help from Senior Dave Van Winkle. Behind the plate were Joe Spinelli, Frank Casciano, and Frank Pescatore. Phil Biegay, Len Warren, and Ron Mizzone filled the duties at first base while Vince Caruso and Mike Diceglie fielded the "hot spot." The other half of the infield consisted of veterans Bob Aldrich and John Parisi at shortstop and second base respectively. The outfield included Jim Konzelmann in left field and Ralph Dodd in center. Walt Tripp, who finished his fourth year of varsity baseball this year, covered right field. Other outfield players were Ron Di Giacomo, Tom Brown, Gary Conforth, Hank Sisbarro, and Carl Lo Guidice.

LITTLE FALLS — Passaic Valley High's batters took Lucie two runs in the 3rd inning yesterday and made them stand, pitching a double play to beat Pompton Lakes, 2-0, in an independent game.

It was the first victory for the Hornets, losers in the Pompton Lakes, though tied twice, was often coming into the game. The Cardinals have two errors.

Lucie fanned two batters, struck out one man, Louie Perry Ball struck out three, but didn't walk anybody.

Bob Aldrich led off the first by reaching base on an error. He moved to first on a wild pitch, but was out on Vince Caruso's throw. Caruso advanced on Ralph Dodd's short right. He stayed on the Cardinals, cut into a double, and while Bill Tripp was in the box, he was out. Pompton threatened in the 3rd, getting men on base, but Lucie shut the door.

Passaic Valley's season record is 1-1. Passaic Valley won its first game on Thursday, the Hornets are losing more on rain.

After the first-inning lapse, Pompton's Ken Smith pitched well. He was touched for four hits — two in the first — but the Hornets didn't have a run in the first.

Verona's pitching staff was led by Dave Van Winkle, who pitched for the Rams in the first three games across the plate.

Verona's ace hurler Frank Conti received congratulations from Coach Elmer Griswold after clinching the Lakeland Conference championship for the Hornets last year. Conti, a control artist, is back this year and is the main reason for the Little Falls' success. Conti hurled 52 1/3 innings in 11 games while compiling a 5-3 record. He allowed 49 runs while striking out 40 and walking a sensational nine.

The golf team entered hopefully the 1964 golf season, competing again in the Passaic County Interscholastic Golf League. The League, this year consisting of nine teams, offered a challenge to the team to emulate last year's fine showing.

Led by Seniors Mike Nademus, Dale Guldner, Captain George Young, and Sophomore Henry De Vries, the team won three of its first four matches making coach Thomas Kean confident of another fine year.

BOYS' BOWLING CLUB

The Boys' Bowling Club affords its members the opportunity to improve upon their skills while enjoying friendly competition. This year there were two divisions separated by age into "A" league and "B" league. At the completion of the season the winners of each division were awarded individual trophies. This year the advisor was Mr. Michael De Paul, and the club secretary was Ray Peche.

SOCCER

Soccer at Passaic Valley has enjoyed a very short history, this being the first year in which the booters have appeared on Valley fields. Although existing in the form of a club at present, next year soccer will be both a varsity and junior varsity sport with full schedules of area teams.

The boys this year were under the direction of Mr. John Becker and Mr. Alex Dobrowolski who look forward to success in interscholastic soccer at Passaic Valley.

GIRLS' ATHLETIC ASSOCIATION

"A sport for every girl, and a girl for every sport" is the motto of the Girls' Athletic Association at Passaic Valley. The GAA, an organization to which every girl belongs, endeavors to teach good sportsmanship, to promote leadership and initiative, and to create an outlet for individual interests, energies, and aptitudes.

Under the competent direction of Mrs. Lorraine Duffy, the GAA offers many worthwhile programs. The most recent benefit is a scholarship to a deserving girl. Throughout the year the GAA sponsors a variety of sports including bowling, field hockey, basketball, exercises, tumbling, apparatus, modern dance, badminton, softball, and archery.

UNDERCLASSMEN...

CLASS OF 1967

The present Freshman Class at Valley followed soundly in the footsteps of its many predecessors. As so many others have done, this class too had the highest sales in the magazine campaign which put it on a firm financial foundation for their ensuing three years at P.V.

CLASS OF 1966

The Sophomores have contributed greatly in scholastic, athletic, and extra-curricular events. Working together they have been able to enlarge their treasury through the sale of magazines and the class dance. The success the Sophomores have enjoyed can be traced to good leadership and student capabilities.

CLASS OF 1965

Members of this year's Junior Class can look back upon their third year at Valley with satisfaction. Various activities included the Junior Cotillion with the theme of "Christmas Chalet" and the annual magazine sale which added to their class fund. A novel addition this year was a Hootenanny in which the Cumberland Trio Plus One starred and in which talented students performed.

GRADUATES...

CLASS ADVISOR

EDWARD SEUGLING, A.B.

Through the leadership of Mr. Edward Seugling our class has initiated a change in the color of our caps and gowns and has altered the style of our class rings. In addition, we have set a new record of attendance at the Senior Play and have experienced greater financial success than any previous class.

His unswerving aid in guiding us through our four years at Passaic Valley has helped us successfully fulfill our obligations as students. This will allow us to become responsible adult citizens of tomorrow.

*Best of luck

JOHN FITZGERALD KENNEDY

How inconceivable but true—I've heard our President
Is dead—He wasn't sick—He did not ail
My mind could not accept this news.

Someone has shot him and he is dead
Who this foul deed has dared to do?

A mad man did this terrible thing—
and now "our President" is dead.

Our nation's loss today, has been a most incredible tragedy
How bright for him that star had shone, the one that
 guided his life's hope
That someday on this earth—there'd be equality
 to all men shown.
Almost a hundred years ago
Our nation mourned a similar loss—of one whose
 hopes had been the same.
And killed he was, to dim the hope.

But more great men like this shall come
and strive and struggle for this dream
Until on earth we see the day
That under God we are the same.

—ESTHER MORENO
