Class History

Anxiety and anticipation filled each of our hearts as we first entered the halls of Passaic Valley High School. We looked forward to beginning a new life where we would meet new people, make new friends and create new memories that would last the rest of our lives.

Our freshman year was exciting yet sorrowful. We witnessed the passing of a major PV tradition as Girls Show came to a climactic end shattering the hopes of many would be starlettes. Some girls, however, remained enthusiastic as they formed the First Girls Cross-Country team in the history of Passaic Valley. Other girls' spirits were lifted as they joined the cheerleaders in supporting the football team at Giant's Stadium where the Hornets captured their second State Championship title in a row. As we all rejoiced over the victory, the rest of the world had little to celebrate about. Ronald Reagan entered the Presidential Office to face 53 fellow Americans being held hostage in Iran and the 1980 Olympics were boycotted by the U.S. for the first time. Not only was the draft registration disheartening, but the death of John Lennon broke the hearts of everyone who enjoyed his music. Just as we were beginning to adjust to the ways of PV and respond to the guidance of our class advisors Mr. Tanis and Mrs. Battersby, one year of high school had slipped from our grasp.

As we returned once again with a year's experience under our belts, our sophomore year began with destruction. Our bleachers were condemned forcing the football team to play on foreign turf, and as they abandoned their home so did the non-athletes. Smokers were forced to leave the security of the smoking area and took up residence in the bathrooms. As many of us wondered who shot J.R., the nation was shocked over the shooting of both President Reagan and Pope John Paul II.

As we suddenly became Juniors, our upper-class status made the timid personality of many disappear. The girls, much to the guys' pleasure, started to wear some exotic clothing. Miniskirts, leather pants, and shirts much like the ones worn in "Flashdance" decorated the hallways and classrooms. During our upper-class reign bomb scares put a bang in our life and left everyone running for home. MTV emerged and with it the punk scene swept thru the building. It was a time where we greeted ET and said farewell to M*A*S*H. By now we had breezed thru the best of times as well as struggled thru the worst of times and had only our Senior year left to share with each other.

The pictures and quotes throughout this book are our last chance to relive the memories we shared together as a class. They reflect the joy, sorrow, triumphs and defeats we all experienced during our short time together. Now we must move on. Remembering and learning from the past, we plunge into the future unaware of our destiny. We are thankful for the times we had together to make friends, create dreams and celebrate all the good times we shared as the class of 1984.

Class Advisors And Area Manager

To the Class of 1984 . . . Congratulations! You have finally made it! These four years have passed by quickly and the next four years will be over even faster. At this transition point from high school you are faced with many important decisions, all with the knowledge that you alone will bear the consequences. Take the time now and in the next several years to make the choices that will make you the happiest. Yes, life is great, and I sincerely hope the rest of yours is nothing but the best.

Mary Ann Battersby

The class of 1984 would like to sincerely thank Mrs. Battersby and Mr. Tanis for their advice and cooperation during our four years at Passaic Valley. They have helped us build up our class treasury and raise enough money to make our yearbook possible. We have had much pleasure in working with them and would like to wish them both success and happiness in whatever the future may hold.

I have thoroughly enjoyed being one of your class advisors for the four years you have been at Passaic Valley. It has been your efforts that made the class of 1984 a success. I wish to extend to each and everyone of you my best wishes in all of your future endeavors.

Roger Tanis

"Spirit" is the word that best defines the class of '84. This class has always impressed me with its energetic attitude towards class functions and Passaic Valley activities. It has been my pleasure to serve you and it is my sincere wish that each of you keep this enthusiasm throughout life. God bless.

Tom Patrierno

To our good friend and advisor, Mr. Tom Patrierno, the senior class of 1984 would like to express our grateful appreciation. You have given us guidance, wisdom, and understanding during our years at Passaic Valley High School. We extend a sincere thank you and our best wishes for the future.

*Who knows what tomorrow brings
 In a world few hearts survive.
 All we have is here and now
 All our lives out there to find
 The road is long There are mountains

 mountain high. Love lift us up where
 we belong Far from the world we
 know up where the clear winds blow.
 Some hang on to used to be's
 Live their lives looking behind
 All I know is the way I feel
 When its real I keep it alive

Football

The 1983 Football Season could be characterized as one of very strong defense and disappointing losses, as The Hornets finished with an overall record of 4-5. The team's hallmark was a spirited defense, which gave up more than one touchdown on only two occasions, but the lack of offensive punch kept the team from posting its first winning season under second year Head Coach Mike Van Zile.

The Hornets dropped the first two games of the season; a heartbreaking 7-0 loss to Fair Lawn and a 13-0 loss to Don Bosco Prep of Ramsey, but the Hornets finally found paydirt and victory at Paramus Catholic coming home with a 6-0 victory.

The Knights of Paterson Kennedy, with a highly touted offense were the next opponents, but the Hornet "D" silenced the explosive Knights in more ways than one. The 6-0 Passaic Valley victory was highlighted by a dramatic school record performance by Senior Defensive Back Bob Hopper who picked-off a Kennedy pass and returned it 99 yards for the only score of the game.

That effort seemingly awakened the team as they crushed Teaneck 34-0 the following week. This third consecutive shutout had inspired the offense to turn in it's highest point produc-

tion of the year. However, the next week playoff bound Bergenfield rebounded from a 12-0 1st quarter deficit to topple the Hornets 30-12.

Travelling to Dumont week seven, the Hornet offense exploded and lit up the scoreboard with 22 points in the final seven minutes of the game. However, the following week the Hornets couldn't hold a 6 point lead and lost late in the game to Paramus, 7-6. The green & white now looked forward to Thanksgiving, but as luck would have it, Thanksgiving Day would be no feast.

Nutley, another State-Playoff bound opponent, had an incredibly difficult time on a muddy field against the host Hornets and only managed a 6-2 victory on a first half-ending bomb against our team. The spirited group of Seniors, performed admirably in the losing cause. They had turned in a highly emotional performance—a trademark of this years team.

The 1983 Senior Hornets were: Co-Captains Ken Scala and John Andriulli, Jim Kiick, Neal DeBonte, Bob Hopper, Greg Brutofsky, Gary Sofia, Doug Robb, Larry Savettieri, Bob Scherzer, Bill Wright, Marinus Hook, Randy Trombino, Sam Simone, Dan Nathanson, Brian Gaita, Joe Pandorf and Jeff Scudillo.

HORNETS COME HOME

For the past two years, the Hornets have played their "home" games at Montclair State College due to condemnation of the bleachers at P.V. However, this year's group of Seniors decided to change that. With speeches being made by John Andriulli, Jim Kiick, Ken Scala and Gary Sofia, the team

went to Board of Education meetings as well as Council Meetings of all three towns to explain their situation. The Board of Ed placed the decision in the hands of the citizens of the towns, and the words of "Vote for the Bleachers" spread throughout the district. Realizing the players' situation, the people voted "yes" and put truth to words on the pressbox "Home of the Hornets."

The 1983 Volleyball Team finished the season with a 14-12 overall record, the first winning record for a volleyball team in the history of our school. A 2nd place finish in the Passaic County Tournament, and two victories in the State Tournament were other firsts achieved by this year's team.

Led by Co-Captains Carol Sokalski & Cindy Krill, this senior dominated team made its outstanding mark. Darlene Sardinsky, Lori Van Vliet, Tammy Dutko, and Nancy DePope were the seniors who showed the way for the underclass players.

BOYS CROSS COUNTRY

The 1983 Passaic Valley Boy's Cross-Country Team, which started out slowly, won their final 5 meets to finish the season at 7 wins and 5 losses, capturing 5th place in the NNJIL Division III.

Senior Captain Chris Loines was PV's leading runner all season and did an outstanding job for the Hornets. Sophomores Dave Nardino and Jim Stuckey were very pleasant surprises and major contributors to the late season surge. Other team members were Seniors Yusuf Oksas and Scott Smith, Junior Joe Palumbo, Sophomore Nick Frunzi, and 9th grader Paul Dutko.

With only three Seniors on this year's team, the five returning underclassmen should become a strong group of runners for the Hornet teams of the future.

GIRLS CROSS-COUNTRY

The 1983 Passaic Valley Girls Cross Country Team became the first team in school history to win a major championship. The girls won the NNJIL Division III Championship with a 6 and 0 record and finished with an overall season record of 10 wins and 2 defeats.

Led by Freshman Allyson Perre and "Senior Captain," Leslie Perre the PV Girls had their finest season ever.

Strong performances from Seniors Renee Fiorilla, Leslie Taylor, Marydenise Appio and Marijean Azrak helped significantly pace the Hornets, while Sophomores Kathy Hourihan and Maryeileen Appio provided the depth necessary for a championship season.

The 1983 Hornet Soccer team completed a 3-11 season that was characterized by some very close, defensive struggles. Despite their record, the Hornets proved to be a difficult team to beat and came close to winning many times, losing on five occasions by only one goal.

Led by Captain Mike O'Connor, some notable performances were turned in by members of this year's team. Goalies Jim Georgous and Mike Leach provided consistency in the net, particularly in a strong 3-0 shutout over Fair Lawn. The defense was upheld by fullbacks Jeff Szilagyi, Glenn Jones, and Pete Gurrieri, who played steady all year. Jeff Jones and John Sole were both solid performers on offense. Junior Sean McGlynn and Sophomore Doug Johnston, who performed admirably for this year's struggling team, will be the leading returnees for next year's squad.

Field Hockey

The 1983 Hornet Field Hockey Team finished the season with an overall record of 5-8-1. The league record of 4-4-1 was good enough for a third place finish behind undefeated Montclair, and Bloomfield.

This year's squad, which was the largest in six years was led by the teams only Senior, Lori Galletta. Lori, who had four years of Varsity experience, provided excellent leadership for the very young team which made great strides as the season progressed.

Perhaps the highlight of the season was a closely fought struggle with Wayne Hills, the Passaic County and State Sectional Champions. The County Semi-Final Game was scoreless until the Hornets gave up the winning goal with only seconds left in the game.

With many of this year's younger players returning, and with the development they've shown this year, it is clear that there is a bright future for Hornet Field Hockey.

For most teams a 10-9 record and a third place finish in the tough NNJIL would classify a good season. For the Passaic Valley Hoopsters the 83-84 campaign was jam packed with frustration. Passaic Valley won their last four and all but one of their league contests in the second half of the year. Despite this the Hornets title aspirations vanished with the myriad of early season defeats. If a few of the one and two point losses went the other way the Hornets could have easily finished with a 15-4 ledger.

The Hornets main scoring threat was senior Bob Pille. Despite being constantly double and tripple teamed the "Pill" still managed to finish second in county scoring.

The starting backcourt consisted of senior veteran Bob Palmer and the sleek footed junior Gus Jaworski. Bob worked hard many summer

nights in the very competitive Jersey shore basketball league.

Junior marksman Bob Eifler and senior captain Bob Scherzer rounded out the starting lineup at the forward spots. The Two Bob's aggressive rebounding skill kept the Hornets in many tight ball games. Football standout Ken Scala was the Hornets sixth man.

The deepest part of the Hornets team was in the guard position. The brother duo of Glenn and Jeff Jones brought fear into the hearts of many teams. Joakim Krell completed the Hornets stock pile of guards. The first year player was second to none in aggressiveness and hustle.

The Hornets were coached by John Wallace and P. V. graduate John Sterling. These two are extremely dedicated and should be commended on the stellar jobs they performed.

Girls Basketball

This year's Girls Basketball Team, though young, showed it has potential for the upcoming season. Led by junior captain, Jill Fisher, the team gained much experience ending with a 7-15 record. With no seniors on the squad, next year's team will have all the players returning. This along with the improvements shown this season gives evidence that the 1985 girls season should be competitive and exciting. Some of the returning players are Juniors Jill Fisher, Regina Cullen, and Sue Intili. Other key players expected to return are Tracy McBride, Barbara Kukel, and Denise DiGiacomo. Giving depth to the team will be freshmen Tracy Bivona, Valerie Sudusky and Heidi Provines. Combining all this, the outlook for head coach Reaser's team looks hopeful.

1983-84 Wrestling

The 1983-84 Hornets were one of the hardest working wrestling teams ever at Passaic Valley.

The season started with a sixth place finish at North Hunterdon and the season finished with a second place in District 8 at West Essex. Between December and March the team continued to improve constantly.

In the NNJIL we had a 3-3 record and a fourth place finish, in the Region we finished eleventh out of forty schools. The overall record was 7 and 6 with the six losses coming to teams with combined losses of 10.

The J.V. squad finished 13-0 under first year Coach Drozjock. Coach Drozjock was a fine addition to the wrestling program. The Freshman Hornets finished with 8 wins and 4 losses. Coach VanZile did a fine job in bringing the young wrestlers along into a progressive team.

The highlight of the year was the placement of eight wrestlers into Region II. We wish our seniors Jim Kiick, Joe Bivona and Doug Robb continued success in college.

Several team and individual records were broken this year. Senior Bob Ricciardi finished the season with a 209 average. Bob also bowled the first ever 700 series for a PV bowler, three of them in all. Frank Dupas, after recovering from a bad injury, came back strong and added a tremendous boost to the team. Seniors Jim Georgeous and Mike Louridas added support and strength to help the team to a winning season.

Demarest, the outstanding sophomore, finished the season capturing Passaic Valley's high average of 151 and the high series of 529. Sudnik bowled the varsity high game with a sizzling 232.

Although inexperienced, the Hornets look to good defense as their main strength. Youth abounds, with much of the team players on last year's junior varsity squad. Experience comes from two senior returnees, pitcher Bob Palmer and Nick Pedalino in the infield. The rest of the infield is filled out by senior Jeff Jones, junior Joe Johnston, and sophomore Bobby Ash. A sound outfield contains seniors George Cole in right and Bruce Robinson in center and junior Leo Lucci in left. Behind the plate will be either senior Ernie Barret or junior Chris Pucillo. The pitching staff is completed by senior Michael O'Connor and juniors Bernie Corrigan and Tom Cullen. With some good, consistent hitting the Hornets might surprise a few of their opponents.

Softball

After more than 4 consecutive years of coaching by Cathie Marquis, this year's girls softball team handed the "head coach" title over to newcomer, John Sterling. Having no returning seniors on the team, coach Sterling along with JV coach Joe Spinelli, have all underclassmen to work with. Since these are all young girls, the "inexperience" will be worn out quickly, revealing a promising team in the near future—especially since junior girls Jill Fisher, Sue Intilli and Rene Hemsey are already returning varsity players! Other strong performances are expected to come from Lillian Rimac, as well as sophomores, Cecilia Sperrazza, Shannon Loines, Kim Gursky, Dara Burnaduchi, Karen Andrews and freshman Heidi Provines. A rebuilding stage is never easy to get over but, these girls seem anxious in their efforts to get out of it and really make things happen!

This year the Tennis Team underwent drastic changes. Previously P.V. fielded only one co-ed team which played in the spring. This year the girls team played in the fall and the boys team played in the spring.

The girls had a very successful season for their first effort. First singles player Kim DeBonte was named to the All League First Team while her co-captain, Sonia Satra, was named to the All League Second Team.

The boys team was led by returning veterans Steve Stadler and Roy Kachur. Support from Leo Politz, Mike Falconeri, and Pat McGlynn enabled the boys to complete a successful season.

The Girls 1984 Track team should have a successful season. With nine Seniors returning, the team should have a strong finish in the league. Seniors Leslie Perre, Renee Fiorilla, Mary Denise Appio and Freshman Allyson Perre will form a strong group of long distance runners. Their performances in the mile and two mile will be contributing factors in the team's success. Seniors Laurie Sisco and Helene Swank will lead the long and triple jump. There will be a solid group of high jumpers consisting of Seniors Nancy Gulino, Leslie Taylor, Marijean Azrak and Junior Gwen Fisher. Most of these girls also double to form a competitive hurdles team. Leslie Taylor will prove to be a fine sprinter again this year. A strong performance should also be seen from shot and disc thrower Carol Sokalski. Junior Anissa Todman and Sophomeres Kathy Hourihan and Mary Eileen Appio should help in fielding a tough middle distance group for the quarter and half mile races. The Freshman members should fill the openings, particularly in the sprinting events to make for a winning season.

The 1984 Boys Track team, under the guidance of head coach Jim Klick, is looking forward to a successful season. The team is young, but will look to the few seniors for leadership and support. The two co-captains are Randy Trombino, sprints, and Ken Scala, weights. Along with Scala, the weightmen are well represented with seniors Doug Robb, Larry Savittieri, Brian Gaita and junior Mario Gaita. Accompanying Trombino will be sophomore standouts Bill Pirolo and Scott Moltini. Chris Lions will also be tough to beat in the distance runs. The Hornets want to improve on last years record and with practice and dedication, the green and white will be successful.

Coach Klick with captains

These fragile times of youth
Slowly slipping away,
As one day drifts into another
We long for them to stay.
Friends made long ago,
And some just recently,
Many will remain close,
Others will fade into memory.
We'll gather together
One last time to say good-bye
Recalling all the things we've done
To make our childhood fly.
We count the days remaining
With both joy and lament,
Knowing how we must move on
For the time has long been spent
But inside these pages
We preserve the years,
The faces, the places,
The laughter, the tears.
The spirit is captured
In pictures, words and rhymes.
So turn back through the pages
And forever remember these times.

We miss you more than anyone knows,
 As each day dawns, the emptiness grows.
 We miss the love from your big heart
 and all the joys you did impart
 The tears in our eyes we can wipe away,
 But the ache in our hearts will forever stay.

It broke our hearts to lose you,
 No one will ever know,
 How much WE LOVE and MISS YOU,
 Where-ever we may go.
 We think of you in silence,
 and often speak your name,
 But all that's left to answer,
 Is the picture in the frame.
 The parting was sudden,
 We often wonder why,
 But hardest of all, Tina,
 Was we never said good-bye.
 Each day we fold our hands in prayer,
 and hope you are happy there!

Always & forever . . .

 Mike, Frankie
