# More Than Green And White

The 1997-98 Valley Green Editors: (from left to right)  
Corey Kuepfer, Daniela Cassanelli, Kristina Hill,  
Kelli Brady, Nicole Sauter, Gina Morano

Green and white. These two colors are a symbol of Passaic Valley, and they have been so for years. Green and white represent Passaic Valley's sports, clubs, and students, but this year the Passaic Valley yearbook staff wanted to make it clear that the students of P.V. are "more than green and white." Instead we are a rainbow of different personalities, styles, interests, and more. Therefore, the Passaic Valley yearbook staff set out on a mission to make the 1997-98 yearbook the most colorful book yet. We believe that this year's theme is a unique and fun way to represent Passaic Valley, and we hope that it keeps this school year's memories colorful for many years to come.

Sincerely,

The Valley Green editors and staff

# Dedication

Each year the yearbook is dedicated to someone to show appreciation, and gratitude for the help and guidance they have given to the class over the previous four years. The class of 1998 would like to dedicated the yearbook to Mrs. Mulcahy, an involved teacher, class advisor, and friend to many at Passaic Valley. When the class of '98 entered the halls of Passaic Valley in September 1994, two teachers undertook the responsibility of advising this class. Unfortunately, in the same year, one of the advisors left PV, and Mrs. Mulcahy took sole responsibility for the class of '98.

Her enduring support and energy has made the class a success. With the help of Mrs. Mulcahy, the class of '98 has reached the monetary goal they set out freshman year. Along with successful fund raisers the class of '98 has also enjoyed many memorable formal events. Mrs. Mulcahy single handedly orchestrated the Sophomore Social and the Junior Cotillion, which the class will always remember.

The class of 1998 would like to thank Mrs. Mulcahy for all of the time she has devoted to the class, and all the energy she has put into the events that have made the class of '98 a success. Even after graduation, the class of '98 will remember Mrs. Mulcahy's enthusiasm, thoughtfulness, and most of all her devotion. Thank you Mrs. Mulcahy.

# Old And Grey

“Old and Grey”, well, not exactly. The faculty of Passaic Valley, for the most part, is far from it. However, regardless of the current staff we still hold in our minds a picture of teachers as elderly adults hopelessly removed from their teenage years. This is impossible though. The teachers deal with the students everyday, and therefore can't escape the trials and tribulations of adolescence. Teachers participate in such activities as dressing up for Halloween, the Student vs. Faculty Volleyball Game, and even the occasional cafeteria study break, and through these events the teachers have become both mentors and friends.

While we have all felt that teachers couldn't possibly understand the hectic schedule we endure and still pile on endless papers and reports, we have also received numerous extensions on

these papers as well as seeing the very same teachers in the stands of the gym and the seats of the auditorium. Eventually, we even come to realize that our teachers aren't ancient beings retreating home each night thrilled with the prospect of hundreds of illegible papers to grade, but simply adults who have graced us with their guidance, their wisdom, and far more often than we give them credit for, their understanding.

## *Follow The Yellow Brick Road, Mr. Janish*

Mr. Janish has dedicated twenty-seven years to the Passaic Valley family. Through the years, he has taught Construction, Graphics, and was the head of the CIE/School to Work program. Mr. Janish and his wife plan to continue their work in the billing business. As of now, he lives in Clifton and is happily raising his five year old son. He is remembered by peers as an honest, trustworthy, and brave friend. His students hold him in the highest regard. They describe him as a funny, ecstatic teacher who combined his great sense of humor with his dedication to a quality education. He is also described as being well organized, easy to talk to, and a person who would help his students in or out of school. He is a friend to all and we wish him the best in his retirement and in his future endeavors.

# True Colors

Undoubtedly in the months and years to come we will look over the yearbook many times, and most likely this section, "True Colors" will be the one we look over the most in the time to come. More than a trite phrase this title truly conveys that which the seniors will most want to look back upon, each other. With graduation inevitably comes separation, but the seniors will not leave the halls of Passaic Valley unchanged or unremembering. While college will certainly increase the distance between us we will forever be linked by the bond of common experiences. Together we have weathered the experiences of high school, and together we will leave Passaic Valley to venture on, separate in location, but never in heart. While many of us have formed our own groups, finding comfort in familiarity,

we have also always been aware of those around us, and the profound effect they had on our lives. There were the athletes, and the band kids, the Girls' Show participants, and the drama club, the Top 10 Most Involved and those who raced

out of the parking lot at 2:33, but most of all there was the class. Each student brought something unique and together we wove the tapestry that will forever be remembered as the Class of 1998. "And I'll see your true colors shining through, I see your true colors and that's why I love you, so don't be afraid to let them show, your true colors, true colors are beautiful, like a rainbow."

## Guiding Light

### The Class of 1998

*would like to thank Mr. Semcer, Mrs. Mahr, Mr. Pantale, Mrs. Tichio, and Mr. Maxion for all their help, hard work, and dedication throughout the 1997-1998 school year. Everything that our senior year at Passaic Valley entailed would not have been possible without you.*

## Pretty In Pink

Dear Class of 1998,

As this year comes to a close, it is difficult to fathom how fast the four years have gone. I feel that the Class of '98 is truly MY CLASS, for when you began your voyage at Passaic Valley High School, I too started mine. Through these years I have had the pleasure of getting acquainted with you as class advisor, teacher, coach, and friend. Of course it will be sad to see you leave, but I know bigger and better opportunities await you.

Now it is time to wish you the best as you leave the safe harbor of PVHS and enter the first phase of your adult lives. Your families, teachers, and community members, have done their respective parts in preparing you to set sail. Choose your direction carefully. Although the waters may be rough at times, do not be afraid to set out to sea. Steer straight until you reach your next port, and do not hesitate to dock and ask for help along the way. It is important that you know where it is you are headed and admit when you are not that sure.

I will miss the Class of '98: the sometimes less than successful fund raisers, the mostly successful social events, and above all, the very successful individuals of this fine group I am glad to have been a part of. You will always remain in my heart as my first class at PVHS. Never be a stranger to PV because, as with all things, each one of you in a small or large way has helped to make this experience what it is. Together we made history at Passaic Valley High School.

As you depart to become a Marine, an Employee, a Wildcat, or a Blue Devil, remember you will always be a Hornet.

Bon Voyage!  
Mrs. Mulcahy

## Children of the Eighties

We are the children of the Eighties. We are not the first "lost generation", nor today's lost generation; in fact, we think we know just where we stand - or are discovering it as we speak. We are the ones who played with Lego Building Blocks when they were just building blocks and gave Malibu Barbie haircuts with safety scissors that never really cut.

We collected Garbage Pail Kids and Cabbage Patch Kids, and Rainbow Brite and Care Bears and My Little Ponies and Hot Wheels and He-Man and She-Ra, and other action figures. Big Wheels and bicycles with streamers were the way to go, and sidewalk chalk was all you needed to build a city. Imagination was the key. It made the Ewok tree house big enough for you to be Luke and the kitchen table and an old sheet dark enough to be a tent in the forest. Your world was the backyard, and it was all you needed. With your pink portable tape player, Debbie Gibson sang back up to you and everyone wanted a skirt like the Material Girl and a glove like Michael Jackson's. Today, we are the ones who sing along with Bruce Springsteen and the Bangles perfectly and have no idea why. We recite lines with the Ghostbusters and still look to the Goonies for a great adventure. We flip through T.V. stations and stop at the A-Team and Knight Rider and Fame, and laugh with the Cosby show and Family Ties and Punky Brewster, and "What you talkin' 'bout Willis?" We hold strong affections for The Muppets and The Gummy Bears, and why did they take The Smurfs off the air? After school specials were only about cigarettes and step-families, The Polka Dot Door was nothing like Barney, and aren't the Power Rangers just Voltron reincarnated?

We are the ones who still read Nancy Drew and The Hardy Boys, and The Bobsey Twins, Beverly Cleary and Judy Blume, Richard Scary and The Electric Company. Friendship bracelets were ties you couldn't break, and friendship pins went on shoes - preferably hightop Velcro Reebok's - and pegged jeans were in, as were Units belts and layered socks, and jean jackets and jams and charm necklaces and side pony tails and just tails. Rave was a girl's best friend; braces with colored rubber bands made you cool. The back door was always open and Mom served only Red Kool-Aid to the neighborhood kids - never drank New Coke. Entertainment was cheap and lasted for hours. All you needed to be a princess was high heels and an apron; the Sit'n'Spin always made you dizzy, but never made you stop; Pogoballs were dangerous weapons and Chinese Jump Ropes never failed to trip someone. In your Underoos you were Wonder Woman or Spider Man or R2D2 and in your tree house you were king.

In the Eighties, nothing was wrong. Did you know the President was shot? Star Wars was not only a movie. Did you ever play in a bomb shelter? Did you see the Challenger explode or feed the homeless man? We forgot Vietnam and watched Tiananman's Square on CNN, and bought pieces of the Berlin Wall at the store. AIDS was not the number one killer in the United States. We didn't start the fire, Billy Joel. In the Eighties, we redefined the American Dream, and those years defined us. We are the generation in between strife and facing strife, and not turning our backs. The Eighties may have made us idealistic, but it's that idealism that will push us on to our children - the first children of the twenty-first century. Never forget: we are the children of the Eighties.

# Going For The Gold

"Going for the Gold" is certainly an appropriate title for the Sports Section of the yearbook. Each day the fields of Passaic Valley are littered with athletes running, throwing, catching, shooting, stretching, and working towards the glory of victory, and away from the agony of defeat (bad cliches). These athletes range from the cross country runners who can be seen running seven miles a day, to the participants in Girls' Show who thrill audiences yearly with their dancing, cheering, and fabulous exercise routines.

However, those who participate in sports can tell you that they gain much more than a good workout and the thrill of winning. Many students see in sports the offer of camaraderie and the chance of

meeting new people who share their interests both on and off the field. Teammates quickly evolve into friends and coaches often double as confidants and mentors. Athletics also offer the students a chance to gain valuable skills ranging from teamwork to responsibility; sports also teach valuable lessons about achieving goals, and the importance of dedication. Most of all however, students find ways of expressing themselves through their talents, be it soccer, cheering, or football, sports at Passaic Valley have something to offer everyone, even if it's only washing the towels.

## Cross-Country

This year's 1997 Boy's Cross-Country Team completed one of its most successful seasons in 30 years. Finishing the season with a dual meet record of 16-1, the Hornets were one of the top contenders for the county title, ultimately finishing in third place. Losing much to graduation, this year's team was one of the youngest in years. Nevertheless, their dedication overcame the odds and has now put them in position for future success. Key returning runners were Senior Ryan Urgo, Junior Andres Cordero, and Sophomores Brian Miller, Chris King, and Nick Digenova. With the additions of Junior Mike Rodriguez and Justin Sanzari, the team left a major impact on the running world.

Complimenting the boys' team, the girls' team, also very young, finished a very impressive season. Led by Senior Captain Aisha Alexander and Junior Captain Kristin Scarnaty, the Lady Hornets proved to be very competitive this year. With some new additions, including Freshman Sara Nowen, the team had a successful post-season, finishing fifth overall in the county.

Both teams appeared to be very well-prepared and were eager to perform this year. "Going for the gold" all season long, the 1997 Cross-Country Team completed a season to remember.

## Girls Of Gold

Gymnastics  
wins conference  
for fourth year.

The 1997-98 gymnastics season ended on a strong note. Senior Captain Katherine Russo, with her skill and experience, and Junior Captain Elizabeth Styles led the team through another successful season. Other teams will have to settle for silver when they go up against these girls of gold. Next season looks promising with returning talents Elizabeth Styles, Stefanie Wilk, Erica Phifer, Nicole Koster, Nicole Morino, Julie Molinari, and Cathy Salamone.

## Girls' Volleyball

### Girls' Volleyball: Red Hot Fire

In the 1997 Girls' Volleyball season, excellence and a fiery attitude were the best ways to describe the team. They relied on intense preseason workouts to improve their skills and form a strong bond within the team. Led by Coach Bill Humes and Senior/Captain Michelle Vicari the Lady Hornets were able to transform an inexperienced and timid team into a dominating one. With the combination of the team's unstoppable serves and defensive play the girls were able to open the season with a 3rd place finish in the Bloomfield Tournament. The outcome of this day set the precedent for the remaining season as a team with a whole lot of heart and talent.

The team consisted of one Senior, Michelle Vicari, who provided the vocal leadership on the court to maintain a team focus. Being both setter and back position spiker she helped keep momentum on the Hornet's side. The rest of the team was made up of nine underclassmen. Junior Carrie VanWay was a dominating hitter, both front and back row, and contributed added points with a deadly serve. Also Carrie's unflinching blocks at the net left the Hornets with a competitive edge. Wendy Cook and Katie Gourley, also Juniors, were noted for their consistent defensive play back row. Another setter, Krista Voorhis, was quick to the ball and passed out excellent sets for the front row hitters. Also starting was Sophomore Tara Trovato who had developed into one of the team's more powerful hitters and back row players. Her strength and quickness got the easy kill against the opponent. Also giving essential contributions to this Lady Hornet team were Juniors Ken Gessler and Alison Kildow and Sophomores Jerilyn Pami and Jenny Balady. All delivered necessary strong back row play.

Overall the '97 season resulted in a 4th place county seed and an 11th place ranking in the state. With the loss of only one Senior the Lady Hornets will surely have another winning season under the leadership of nine underclassmen.

## Boys' Soccer

Who recently made the states for the first time in five years? The Hornet Boys' Soccer Team. Led by a new coach, Mr. Fitzgerald, these boys achieved more than was expected of them. Placing second in both the division and county with a record of 11-9, they certainly made their mark on PV sports.

The team was led by Seniors Frank Lepore (center mid-fielder) and Donald Platvoet (stopper). Along with the leadership and guidance from these two, the rest of the team pulled together and began to form into a powerful union.

Helping the team to its own personal victory were Seniors Marco Grieco, Seby Bosciner, Dan DiBlasio, Jack Donnaruma, and John Baldino. A star in the rising is Junior Carlos Ortiz who helped immensely in mid-field. Hopefully next year Boys' Hornet Soccer will be just as successful as this year.

Hornets preparing for gametime

The 1997 Girls' Soccer team had an impressive season under the watchful eye of new head coach Gina Vintalore. The girls improved in both mental and physical abilities of the game. By getting a jump start on things, the girls began their season in early August. After grueling days of double sessions, the season had finally arrived. The buzz for the young Lady Hornets was to achieve high goals for a still growing and ever maturing program. Although not evident in their record of 4-12-0, The Hive made vast improvements against opposing teams while earning the respect of coaches around the league. With a strong coaching staff returning, and numerous skilled players, the Lady Hornets look to the future with hope and high expectations.

Coach Cheryl Hergert led P.V. Field Hockey to believe in themselves this year. Although these fighting Hornets didn't have a winning season, they had a blast out on the field. Captains, Nicole Crosman, Sabrina Lioni, and Sarah Behmani kept the State of Mind alive and encouraged the team to play to their best. The team learned more skills this year and is planning on improving their record next year.

**“Girls’ Tennis”**

It was a rebuilding year for the girls tennis team who finished their season with an (8-12-1) record. The girls were determined and dedicated to have a successful season. Their hardwork paid off in the county tournament where the second doubles team, sophomore Charissa Bascik and senior Anna Arriaga, qualified for the semifinals. The young team is coached by Vu Phan and led by junior captain Jaclyn Janesk, and seniors Anna Arriaga and Erin Couglin. Coach Phan and the girls are working hard to make next season a “golden” one!

This year's 1997 Hornets football team ended the season with a 6 - 3 record winning their last three games. This year's team relied heavily on its senior leadership and a very young but talented junior class. Under the guidance of head coach Chet Parlavecchio, the team had its 4th straight winning season.

This year's team was very different from past teams, the 97 team relied heavily on its defense which successfully shut out 3 teams and allowed only 54 points in 9 games. The Hornets look to have a bright future with 7 starters returning on offense and 6 returning on defense.

SENIORS!

The Passaic Valley Marching Band has come a long way from last year. The music for this year's show is from the Broadway Play Jesus Christ Superstar. The songs used are "Simon Zealotes", "King Herod", "Gethsemane", and the main attraction "Superstar". This year the band and guard competed in many competitions, which they came out of with excellent standings. They hosted their second competition at Passaic Valley which went very well. The Marching Band and Color Guard ended their exciting season at the CMBC Giant Stadium championships where all their hard work paid off. Then, in the spring, the band and guard will be taking a trip to Canada to attend the Canadian Music Festival's.

## Varsity Cheerleaders

"S-P-I—R-I-T. Spirit. Spirit. Let's Hear It." Not only could you hear spirit, but you could see and feel the spirit generated by the 1997 Hornet Cheerleaders. The Varsity Cheerleaders, led by their Senior Captains Rachel Loforese and Tamara Bacsik, entertained the crowds this football season and cheered the team to a 6-3 record. The girls' hard work and dedication began this summer at the UCA Cheering Camp. There, they placed second in both the cheer and sideline competitions. The squad not only took home a spirit stick, symbolic of their dedication, but many memories of the 3 am fire alarm, running through sprinklers, "bonding" with the other squads, and the endless cheer classes with Curtis and Alan. The football season saw the cheerleaders out in the pouring rain more times than not. They endured the heat in Montville and freezing temperatures of their last game against Wayne Valley. After an enjoyable football season, the cheerleaders took home the 3rd place trophy from the West Milford Cheering Competition. The fond memories and laughter shared by the 1997 Hornet Varsity Cheerleaders will last these girls a lifetime.

The 1997-98 P.V. wrestling team had a rebuilding year. When the graduating seniors remained in the coaches minds that would not live up to expectations of past seasons. However with the up and coming underclassmen, their doubts were proven wrong. Freshman brothers Chris and Craig Wright had an outstanding first year at P.V. Wrestling fans have a lot to look forward to in these two prospects.

## Indoor Track

Another winter season has passed for the Passaic Valley Winter Track Team. Despite being a young and inexperienced team, the Hornets proved to be an improving group of athletes. With only three girls, The Lady Hornets placed an amazing fifth in the Northern Hills Conference Championships. There were many individual accomplishments made. Senior Captain Aisha Alexander received first team all Passaic County, first team all Northern Hills Conference for the 1200m and 3200m and broke the 600, 1000, 1500, 1600, 1 mile, 3000 and 3200m records and advanced to the State Meet of Champions. Desire' Alexander received second team all County and first team all NHC for the shot put and broke the shot put record with a 35'6" throw. Yasmeen Skuieb received second team all County for the high jump and Myesha Woodley received honorable mention all County. Although she was unable to compete due to an injury Senior Captain Jennifer Quinn was always around to support the team. All in all the young Hornets team, with many promising freshmen, proved to be an improving group.

The 1997 Passaic Valley Bowling Team is looking to forego last year's accomplishments. The Hornets came in third in the conference in 1997, and also finished third in the counties. They made a surprising run in the States coming in second in the sectionals and thirtieth overall in the finals.

The Bowling Team only lost one varsity bowler to graduation, and has a strong nucleus of returning bowlers. The varsity team consists of Jeff Giannino, Joe Huber, Brian Mistrette, John Bakalian, Chris Porta, Dan Heinold, Dan Cook, and Jerry Porta.

This year the team is already conference champions, and even though they placed a disappointing sixth in the counties, they are striving to be number one in the state. With the talent of the bowlers and coaching strategies of Mr. Ariola, the Hornets have a promising shot.

Vicari, VanWay, Berthold, Scarnaty, Trovato, Nesnay, Leech, Kildow, Balady, Gastula, and McNeil all provided the Lady Hornets the necessary elements to have a successful 1997-98 basketball season. However, the new name to this group was first year coach Gina Vintalore. With her new methods on a more aggressive offense the girls basketball posed a threat to any opponent.

During the summer intense workouts including weight lifting, open gym, conditioning, and a summer league provided pertinent chemistry for this team. This year the team looks to its four captains, Senior Michelle Vicari and Juniors Kathleen Berthold, Carrie Van Way, and Kristin Scarnaty, for guidance and leadership.

The Hornets faced rivals Wayne Valley and West Milford. As a result of excellent offensive strategy and outstanding defense the Lady Hornets were able to defeat Wayne at both meetings. Also two confidence building wins for the team was against West Milford, a team which Passaic Valley has not beaten in approximately 10 years.

This 1998 team defeated Eastern Christian in their final game to give them their 11th win. Despite the loss of Vicari in the last five games due to illness, Berthold, Trovato, and VanWay provided overpowering offense to end victorious. Overall the team ended with a 9th place county seeding and a final record of 11-11 to close out the season.

## Track And Field

This year's Boys' and Girls' Track and Field Team is hoping to repeat the success of last year's team and is already on pace for a strong start. The Boys' Team were Conference Champs last year and are in competition to defend the title again this year. Led by third year Head Coach Angelo DeSalvo, both the boys and girls have a new additions and are primed for a successful season.

This year, the Boys' Team is led by Senior Captains Don Platvoet, Erin Lijoi, and Dave Murphy. Don runs 400m hurdles, the mile relay, and high jumps. Erin is one of the team's top pole vaulters and also runs the 800m. For a change of pace, Dave Murphy throws shot put and discus. Along with the Seniors, Juniors Andres Cordero, Eric Lightner, Josh Gregory, John Kaybita, Ryan Reddin, Sophomore Ryan Reddin, and Freshmen Lee Urgo, Alex Escobar, and Steve Rubestello will all have key roles in the team's success.

As for the girls, Senior Aisha Alexander is the top girls' distance runner, and her younger sister, Sophomore Desiree Alexander, leads the girls' weight team. Accompanying them, Junior Carrie VanWay and Freshman Sara Nowan lead a young, but competitive girls team this year. Led by Coach Callahan, the girls are poised for future success.

Although this year's Track and Field Team lost a lot to the 1997 graduation, the team will succeed if everyone contributes with their best effort. As the season continues, the team expects to be faster and stronger as a cohesive unit.

## Boys' Tennis

Fortunately for the Boys' Tennis team, the 1997 graduation did not take All-County Lubos Holy, Randy Sokalski, and Dave Botero. Returning to the courts this year, the boys' team is stronger than ever. The boys look to earn back the title of "One of the Most Feared Teams in Passaic County and Northern New Jersey". Headed by Coach Vu Phan, no stranger to PV tennis, and accompanied by Junior, Josh Walt-sack and strong underclassmen players, the team seeks to make this tennis season one to remember.

# In Living Color

Every year the staff of the yearbook chooses a subject for the spotlight. The subject has ranged from the Drama Club, to winning sports records, and finally this year the spotlight is on the underclassmen of Passaic Valley. The underclassmen are a long forgotten part of the yearbook. The yearbook is often thought of as a book solely intended for the seniors, but this is not true. The underclassmen make up the greatest percentage of the school's population and greatly contribute to the activities, sports and clubs that make up Passaic Valley.

The underclassmen are also a large part of the lives of the seniors, whether it be as a sibling, a teammate, or a friend. As seen in the spotlight section many seniors have younger siblings who even if they don't share the same interests

share the common experiences of Passaic Valley. The underclassmen also comprise a good percentage of the clubs and sports at school. Underclassmen shine through on stage as well as on the field, loading boxes for clothing drives, hosting various programs on PVTV, and musically, playing at concerts throughout the year as well as at graduation.

Overall, underclassmen have a huge impact on Passaic Valley and the seniors themselves, and whether freshmen, sophomores, or juniors, they have much to look forward to at Passaic Valley, and we wish them much luck.

# Orange You Glad You Joined

"Orange You Glad You Joined?" Well, most people are. One of the biggest parts of the high school experience is the extra-curricular involvement. There are a great many clubs and sports at Passaic Valley, and everyone can find an outlet for either their creativity, their athletic ability, or even their knack for helping others. From the Interaction Club headed by Mr. Sileo to the Amnesty International Club led by Mrs. O'Malley, there is truly something for everyone.

However, the clubs at Passaic Valley are not only a benefit to those students involved, but to the entire community. These various organizations

entertain, lead, inspire, and even lend a helping hand to those in need.

High school is intended to be a time when students realize who they are and the direction they would like

their lives to take, and that would be impossible without the enrichment which is offered us through the guidance and support of fellow students and advisors through our clubs and activities. Passaic Valley has meant far more to us than simply academics, it is the peripherals, the extra involvement that have made the high school experience what it is.

*Arsenic and Old Lace* was performed on November 20th and 21st at 7:30 PM in the Passaic Valley auditorium. This farce is about two "helpless old ladies," Abby and Martha Brewster, who poison lonely drifters because they believe they are doing a charity. Their nephew, Mortimer, desperately tries to save his aunts from going to jail but his plan takes a slight detour when his long-lost brother Jonathan returns home to seek refuge from the police. Meanwhile, Mortimer is burdened with the problem of sending his other brother Teddy, who thinks he is Theodore Roosevelt, to Happy Dale Sanitarium. Eventually, police arrive at the Brewster household and Jonathan is taken to prison as Teddy and his aunts make their way to Happy Dale.

It's the job of the journalism class to produce Passaic Valley's newspaper, the Valley Echo. The class meets once a day to organize their stories, design the layout, and prepare their final product for distribution. As advisor, Mrs. Maria Pedalino works with the Valley Echo staff to improve their writing and interviewing skills, and most importantly, meet deadlines. This year, the paper is being produced entirely on computer thanks to Co-Editors-In-Chiefs Lauren DeFeo and Christine Pasquariello. The Valley Echo is proud to have won numerous awards from the Garden State Scholastic Press Association for photography, artwork, and feature writing.

The Ads Section of the yearbook is traditionally the section of the yearbook where local businesses as well as parents, family and friends wish the graduating class good luck, and send the seniors off with their warmest regards. Parents are asked to submit a letter to the yearbook staff called a "Letter from Home", these letters express to the students their parents' love as well as their aspirations for their child's future. Students also submit "Boosters" which are one line "letters" sent to each other. These boosters serve as a reminder of personal jokes, memorable experiences, and encouragement for the future. Finally the Ads section also houses the ads from local businesses. Other than serving as an advertisement these merchants are contributing money to the senior class, and therefore helping to ensure that each senior will leave Pascaic Valley with a yearbook as a constant reminder of their high school careers.

We would like to thank these local merchants as well as our parents, family, and friends for their unflagging support with both the successful completion of the 1998 yearbook, and their support and guidance over the past four years. This section of the yearbook will serve as the final commemoration of all they have done for us, and in turn a promise of all we hope to achieve as our way of saying thank you.

**Daniel Start and The Class of '98:** The following are quotes from a humorous article entitled "Welcome to Adulthood: written by David V. Chartrand (who indicated it was the text of a commencement speech he planned to deliver just as soon as some high school invites him to be its commencement speaker); (It appeared on page A10 of The Wall Street Journal on May 21, 1993.) "Never again will anyone remind you to do your homework on a Sunday night. You can party all weekend. It's your life. Waste it only if you dare. You are about to jump into the deep end of the pool of life, to sink or swim on your own." "Campus life will not so much build your character as reveal it. Brace yourself now for the relativism you will find on campus. Watch out for religious cults that prey on college freshmen. There's no harm sharing your prayers and dreams with them, but when they demand your mind and your possessions, it's time to wise up and walk away." "If you must choose between what Mom and Dad told you is right and wrong and what your college philosophy professor tells you, my money is with Mom and Dad. They have a bigger investment in you." "One last thing: Be not surprised by the tears streaking down your parents' faces ... They are not sad. They weep because they are having an hallucinogenic experience. All they know is yesterday you were little frogs and snails and puppy dogs' tails. They have no earthly idea when you turned into this cocky young adult. It is a surreal, mind-altering experience that will be much clearer to you when your own kids leave for college." "You, too, will cry now and then as you realize how much your family means to you and how well they prepared you for this moment. Remember always who you are; stand up for what you have become." Marion Douma Start, P.V.H.S. Alumnus

## **MARIA**

*It is hard to believe how far you've come, from the cute little girl of yesteryear to the beautiful and talented young lady of today. All the unforgettable moments have passed by so quickly but all of the memories still do remain. We hope that, as you commence your promising future, you remember the good times fondly. We will never forget when we had you all to our selves. When you were a little twinkle in our eyes. But we see now that you have grown into a mature and successful woman. We know that you will be happy and successful. Remember the only limitations you will face are those you create for yourself. And also believe nothing of what you hear and only half of what you see. Be dependent and self sufficient but, at the same time, caring and giving. We love you more than words can say and we will always be there for you without selfish motives, but also in the best and worst of times.*

*Love Mom, Dad, &  
Kathy*

### IT TAKES A SPECIAL PERSON

Would you give up countless hours per week to spend on end walking up and down a football field while spinning a 2 pound piece of wood, beating a drum, handling a 5 1/2 foot pole with a piece of cloth on it, playing a trumpet or saxophone, twirling a 40-inch piece of metal with rubber tips on the end, or playing the flute?

Would you give up free time so someone could whistle and yell "AGAIN", "TIMING", "THIS IS OCTOBER PEOPLE, NOT JUNE", "WE PLAY TILL 9:00 BY MY WATCH", and other such endearing statements?

Would you give up your weekends when other teenagers are out on dates so you could work your heart out in front of a stadium full of spectators?

Would you spend endless hours on a bumpy bus so you could have the privilege of spending your money on shack food?

Would you march until you had blisters on your feet, when you were sick, when every muscle in your body ached?

Would you consider trying again when you just suffered a stinging defeat, your heart felt ready to break and tears were streaming down your face?

Would you push a little harder when your body screams "STOP", but the prayer in your mind is "LET ME DO BETTER THAN I DID LAST TIME"?

**WOULD YOU OR COULD YOU?**
