SENIOR CLASS OFFICERS

PRESIDENT: ZACHARY DAMIANO, VICE PRESIDENT: GABRIELLA FARIA,
SECRETARY: MEGAN SYTSMA, TREASURER: KRISTEN OLDJA, HISTORIAN: JESSICA LANDI

2014 CLASS ADVISORS:
MRS. AJAZI & MRS. GOETHE

Dear Class of **2014**,

Congratulations on your graduation from Passaic Valley!

This is the end of a long journey, filled with so many wonderful memories and supported by great teachers, loving parents and loyal friends. We hope that the memories made in the past four years are ones that you cherish and hold dear to your hearts.

It seems like just yesterday you were entering the halls of PV for the first time, nervous and unsure of what to expect.

Watching you develop and grow into confident and intelligent young adults has been an honor for us. Now, as seniors you walk away with a plethora of learning experiences that have fully equipped you to leave the halls of Passaic Valley and embark on a new journey.

We wish you the best of luck in your future endeavors. May you never forget the pride in the *Green* and *White*!

In the words of Nelson Mandela:

"It is what we make out of what we have, not what we are given, that separates one person from another."

Sincerely,

Mrs. Norrie Ajazi and Mrs. Heather Goethe

Dear Members of the *Class of 2014*:

***"Let others lead small lives, but not you.
Let others argue over small things, but not you.
Let others cry over small hurts, but not you.
Let others leave their future in someone else's hands, but not you."
Jim Rohn***

Much has been written about the importance of 21st century skills and how they are different than what was previously expected in our society. Clearly, technological advances have changed how we access information today. We are able to find information about anything, anytime, anywhere on virtually any digital device. Cell phones have become mini computers that allow us to search whatever, whenever and wherever. *Blogs, Facebook, Twitter, Wikipedia, You Tube, etc...* are all available throughout the world and some of these innovations have caused or facilitated major international social and political events.

Accessing information will only become even easier in the future. However, being able to collaborate effectively, problem solve, validate, synthesize and leverage information will still remain challenges for all global citizens. In addition, handling data responsibly and insuring its reliability is critical to maintaining integrity in the information gathering process.

The importance of the "soft skills" of communicating effectively fact-to-face, public speaking and nurturing relationships cannot be undervalued. While technical expertise is extremely important in our world, the ability to negotiate and resolve conflict, maintain a quality work ethic and develop a high level of emotional intelligence are important elements for future success.

Networking is more than simply connecting digitally through some social media program. Do not allow the ability to look into someone's eyes directly, shake a hand firmly and express yourself clearly become a lost art. These soft skills allow us to build relationships and maintain the importance of our humanity.

Members of the *Class of 2014*, I wish you nothing but the best in all of your future endeavors ...and remember to maintain your pride in the *Green and White!*

Respectfully,
Viktor J. Joganow, Ed.D.

Dear Zachary,
Over the past few years, we have watched you grow into an amazing young man. While there may have been some bumps along the way, as there always are in life, you found a way to smooth them out. Alexa & Ashley**Pezzuti:**

You did it! We are so proud of you and just know that the future holds wonderful opportunities for you both. What we wouldn't give to have you both little again; but those days are gone. And now we look forward to seeing where life will lead you both. We'll be there for you every step of the way!

Love you both,
Grandma & Grandpa

Ashley & Alexa**Pezzuti:**

It seems like yesterday we brought home 2 precious baby girls from

the hospital. It's hard to believe those same "baby girls" will be going to college. You have both grown into beautiful and caring young women, each with a distinct personality of your own. Words cannot express how proud we are of you both. Embrace life's challenges with a mature and positive attitude. We will always be here to guide you and love you no matter what. Most of all, always believe in yourselves and ALWAYS keep those smiles on your faces. May your future be as beautiful as you both are.

We love you!!
Mommy & Daddy

Mariah Smith:

Time has passed so quickly... watching you grow from a sweet mischievous curly topped toddler to a head strong teen and now to the self-assured young woman before us. We are so proud of all you have accomplished and know that God has some great things in store for your future. Always put God first and he will guide your steps. We love you so much and no matter where life takes you, remember we will always be behind you watching quietly or cheering loudly! Life is short, remember to enjoy every aspect of it.

Love You!
Dad, Mom and Josh

Samantha Scarpa:

Samantha,
I can't believe you're graduating High School! These past 4 years have flown by. We have

watched our little girl grow into a beautiful young woman. We are so proud of all that you have accomplished at PV (cheer, theatre, Girls Show/Green Chief to name a few). Follow your heart and your dreams always!

We love you,
Daddy, Mommy & Taylor

Taylor Panas:

When we look how fast the past four years have flown by, we cannot believe that the time has come for you to close this chapter of your life. You have made so many accomplishments and overcome so many obstacles which have turned you into the beautiful, amazing woman you are!! As you start this next chapter in your life, always treasure the friends you have made along this road, remembering the ones that were a positive influence in your life, as each and every one of them have given you something special to take with you. Look back and smile as you remember the fighting, laughing, and crying, as these memories will stay with you forever. We are proud of all you have done and who you have become and know that the future has nothing but endless dreams for you to grasp.
