The Friends is a group of citizens who volunteer their time to help financially support the AUBURN PUBLIC LIBRARY (APL). The APL is a vital educational and cultural asset to the community. The APL is a comfortable and welcoming place where people of all ages and cultures come together, in person or online, to experience the joy of reading, express their creativity, satisfy their curiosity, and create and share content.

OUR MISSION STATEMENT:

The Friends of the Auburn Public Library is an independent, non-profit, volunteer organization dedicated to raising money through donations, book sales and other activities, and to donate those funds to the Library for materials, services and programs not funded through the municipal budget.
