Where	Auburn Public Library Merriam Room
Ages	Children MUST be age 6 or older <i>Children must be accompanied by an adult</i> *Due to space and safety concerns, only children registered for the program and an accompanying adult can be in the room.

Soap making for children!

Each participant will make and bring home a soap frog or turtle from this hands-on workshop.

The process is glycerin-based and does not involve traditional soap making techniques, so there is no lye exposure.

Once the soap base has cooled slightly, color is added, and the frog or turtle is embedded.

Soap weighs approximately 4 oz. Soap can be unwrapped and used the following day.
