

**The Baker History Room
Lower-Level Baker Free Library
Bow, New Hampshire**

The above diagram of the bookshelves of the Baker History Room is shown so that there is a location of the books, pamphlets, and materials available for researching the many historical venues.

No person is allowed to remove any book from its location in the above shown book cases without a member of the Bow Heritage Commission being present at said time.

No person shall remove any book, document or piece of historical data from this room.

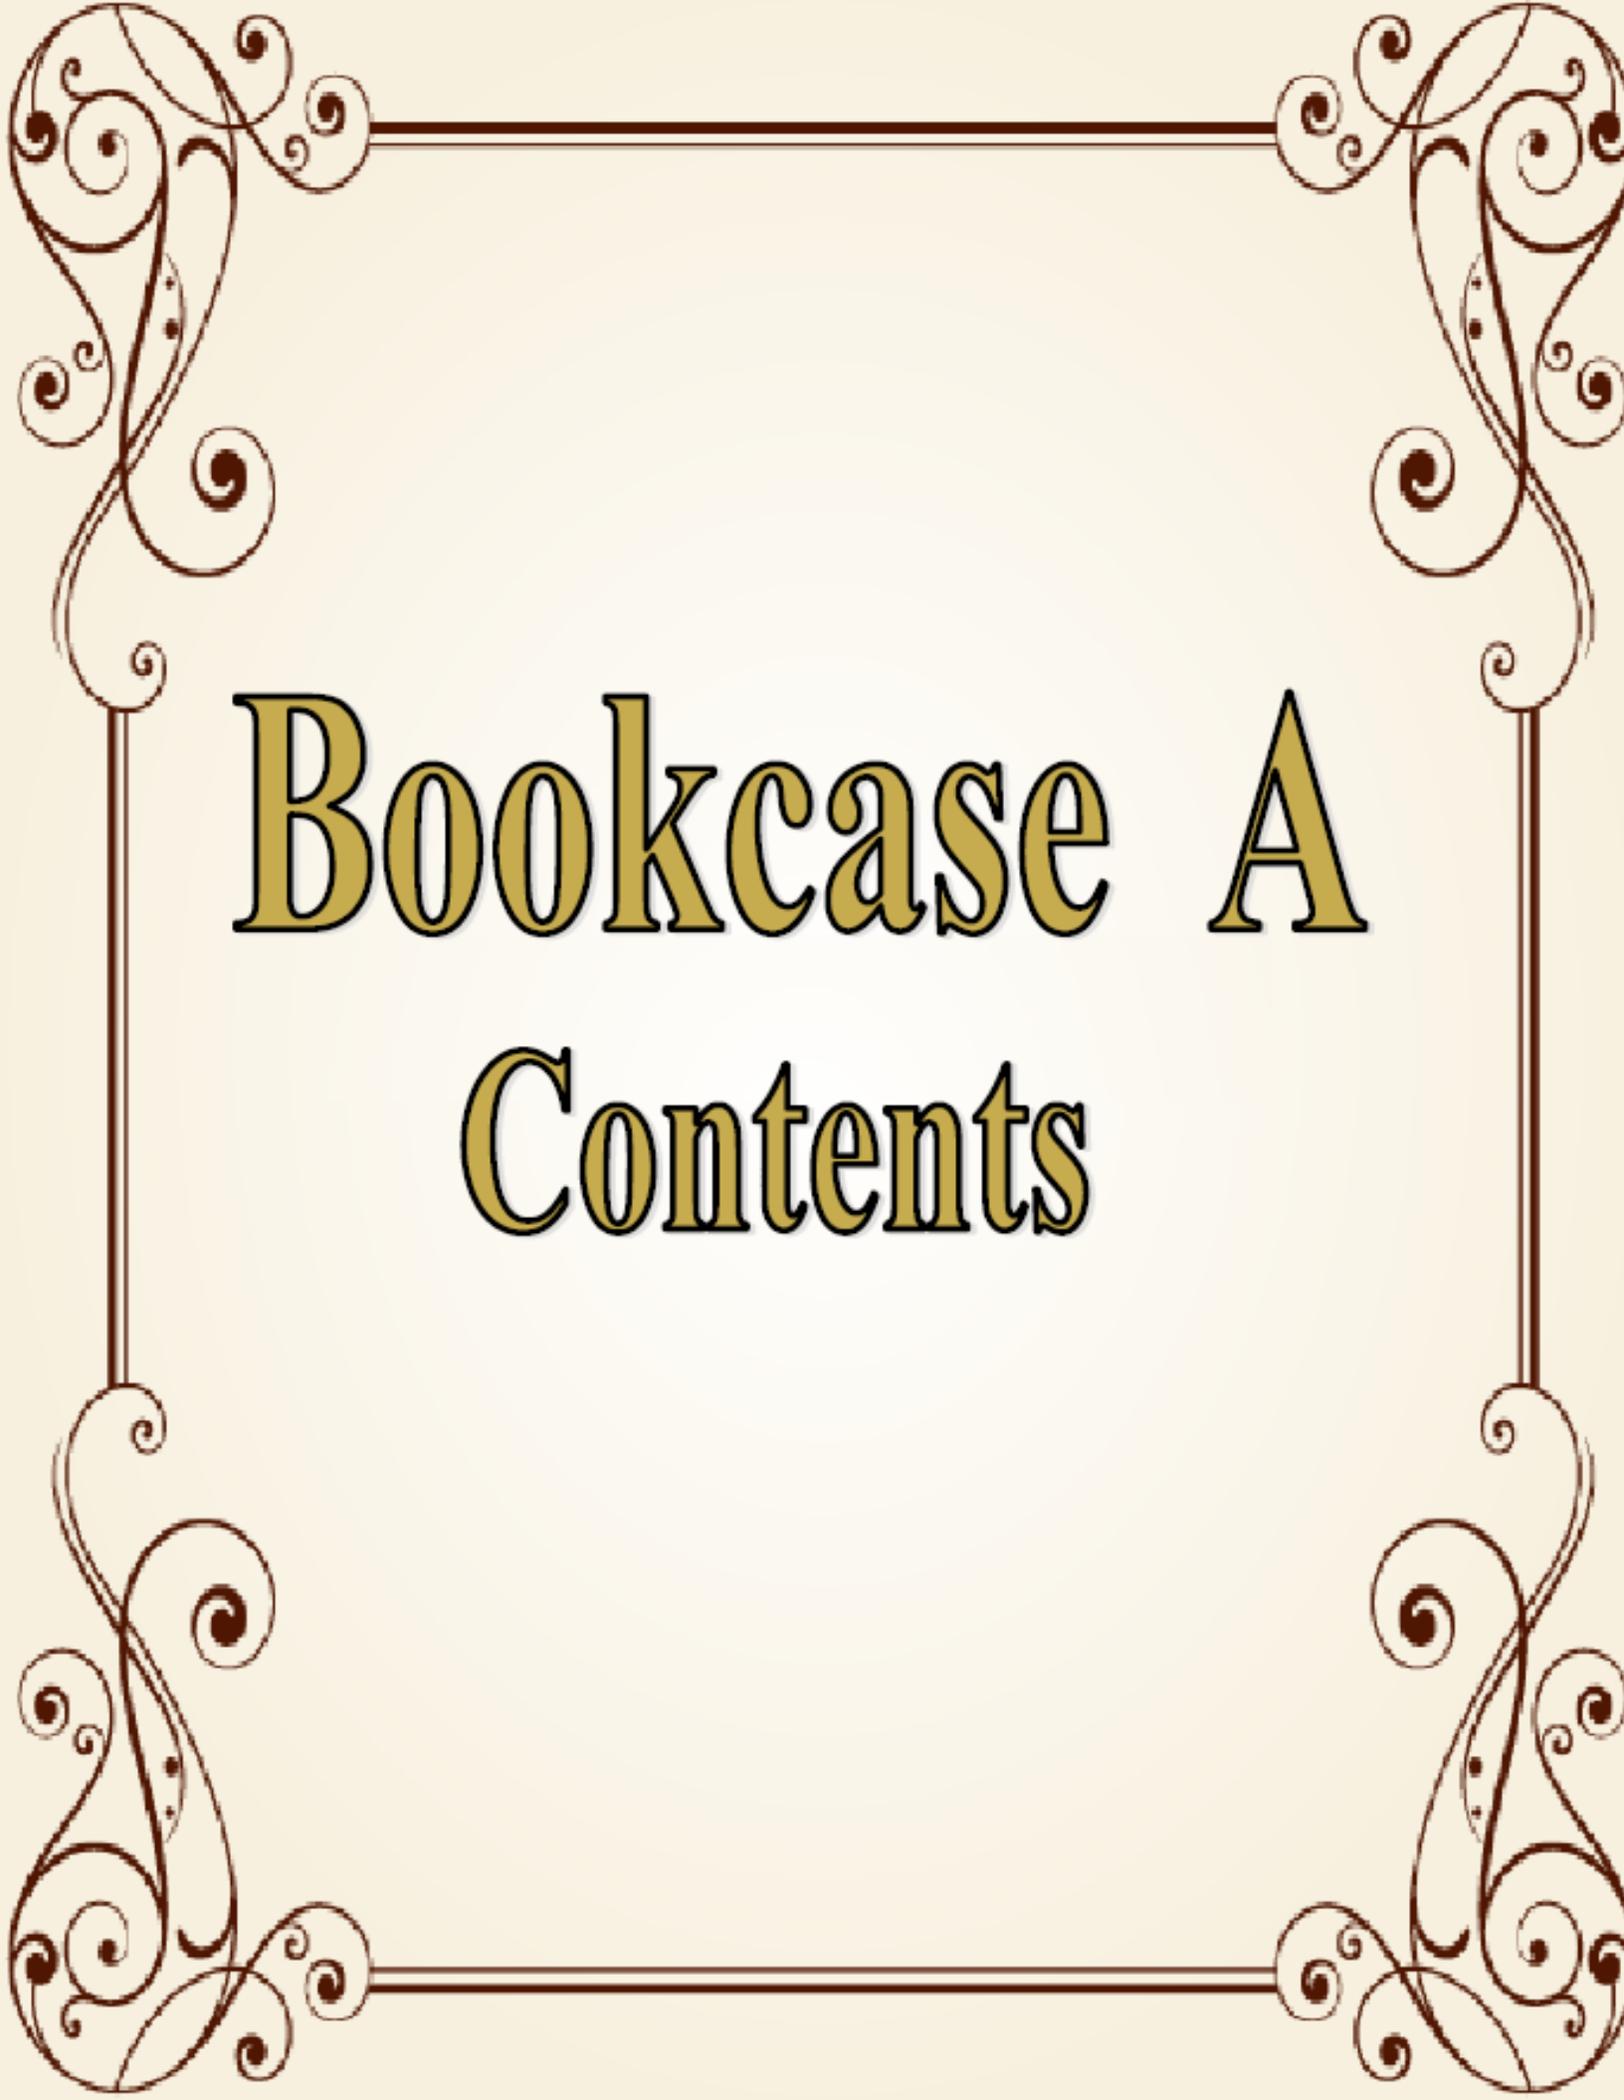

If any copies of any material so in contained in this room is to be copied, it must be with the permission of the Bow Heritage Commission and said item must be carried to the copier location by a Bow Heritage Commission Member.

No Documents or any other item shall be removed from this room by any person unless they are authorized by the Bow Heritage Commission to do so.

The only authorized writing instruments allowed in this room are pencils, no ink utilities are allowed.

No one is allowed in this room without an authorized Bow Heritage Commission member or the Baker Free Librarian Director, or her designated library staff member.

Gloves are available to be utilized when handling historic documents and items.
