

SQUAM LAKES SCIENCE CENTER PRESENTS  
A VIRTUAL PROGRAM FEATURING LIVE ANIMALS:

# Stories on the Wild Side

THURSDAY, JULY 30 - 5:30PM  
VIRTUAL ACCESS ONLY

Reading and science come together in this fun program blending storytelling and up-close encounters with three live animals. A naturalist from Squam Lakes Natural Science Center will read aloud short stories featuring animals and the natural world, and then introduce some of the story's wild characters. Featured animals may include an owl, a turtle, a skunk or a porcupine!

REGISTRATION IS REQUIRED ON THE LIBRARY'S ONLINE  
CALENDAR. A ZOOM LOGIN WILL BE SENT TO ACTIVE  
REGISTRANTS PRIOR TO THE EVENT.
