**2010**  
**TOWN OF BARRINGTON, NEW HAMPSHIRE**  
**Annual Town Meeting, First Session**

The Moderator opened the meeting at 9:12 am and read the following statement.

To the inhabitants of the Town of Barrington, in the County of Strafford, State of New Hampshire, qualified to vote in Town affairs: You are hereby notified of the annual meeting.

The first session for the transaction of all business other than voting by official ballot shall be held Saturday, the 6th day of February 2010 at 9:00 am, at the new Middle School on Route 9 in Barrington. The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- (a) Warrant articles whose wording is prescribed by law shall not be amended.
- (b) Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot, and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 9, 2010 at the new Middle School on Route 9 in Barrington. The polls shall be open from 8:00 A.M. to 7:00 P.M.

He listed his rules of order as follows:

- No smoking.
- No food or drinks, except water, in the gym.
- All persons should take notice of fire exits and bathrooms.
- The Moderator has no set rules of order.
- The Moderator reserves the right to limit debate.
- All debate should be concise and pertinent to the article.
- All requests to speak are through the Moderator, and speakers must first state their names.
- Only eligible voters may vote on amendments.
- The Selectmen, Town Administrator, and Budget Committee may speak first to any article.
- All complicated articles must be in writing.
- With Secret ballots, all elderly and disabled will vote first.

- The Moderator reserves the right to recognize others, when there is a repeat speaker.
- No personal attacks will be allowed

## **ARTICLES**

**Article 1.** To choose all necessary Town Officers by ballot and majority vote, including:

- Two Selectmen for three years.
- One Selectman for one year.
- Two Library Trustees for three years.
- One Trustee of Trust Funds for three years.
- One Cemetery Commissioner for three years.
- One Supervisor of the Checklist for six years.

The Moderator explained that Article 1 would appear on the ballot as candidates who filed for office.

**Results: Selectmen 3 yrs: Keith Pratt, Michael S Clark**  
**Selectmen 1 yr: Jacqueline Kessler**  
**Library Trustees 3 yrs: Robert J Drew, Marie Harris**  
**Trustee Trust Fund 3 yrs: Marlene Allard**  
**Cemetery Commissioner 3 yrs: Jere Calef**  
**Supervisor of Checklist 6 yrs: Karen H Boodey**

The Board of Selectmen Chair David Frase, gave an overview of the town's accomplishments and challenges of the past year. He introduced the Board, Town Administrator, Town Attorney and Budget Committee members. He thanked the Department Heads for producing a level-funded budget. He recognized former Selectpersons Vicki Roundy and Michael Morrison (who resigned mid-year), for their contributions to the town. He gave special recognition to our Town Librarian, Amy Inglis, who was named State Librarian of the Year. He expressed thanks to all the town volunteers who give of their time to the fire and rescue departments, food pantry and all the boards and commissions.

The Moderator introduced John Huckins to speak to the zoning articles. John gave a concise explanation of Articles 2-7.

**Article 2.** Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the town zoning ordinance as follows: change the square footage of upland soils that is required per lot and increase the square footage of the upland soils that must be contiguous per lot. [Majority Vote Required].

**Article 2 Failed To Pass**

**Article 3.** Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the town zoning ordinance as follows: delete the two existing sections under Dimensional Requirements, Standards for the GR and NR district and insert one section to reduce the amount of additional square footage which is required for each additional dwelling unit on a lot and delete the requirement for additional upland soils? [Majority Vote Required].

**Article 3 Failed To Pass**

**Article 4.** Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the town zoning ordinance as follows: add a new section entitled “Lot Line Adjustments Involving Non-Conforming Lots” that provides that lot line adjustments involving one or more contiguous lots that are nonconforming in area are permitted only if the stated requirements are met? [Majority Vote Required].

**Article 4 Passed With A Majority Vote**

**Article 5.** Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the town zoning ordinance as follows: to renumber the existing Section 9.5.1[5] by moving it from its location and inserting it as the last paragraph of Section 9.5; to provide that all crossings over wetlands, not just driveways, are permitted in wetland buffers if they are permitted under state Environmental Services Administrative rules; and add a new section to provide that wells and well lines are permitted within wetland buffers? [Majority Vote Required].

**Article 5 Passed With A Majority Vote**

**Article 6.** Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the town zoning ordinance as follows: add the definition for “Jurisdictional Wetlands” after the definition of “Interior Lot” to provide that such wetlands are defined as those regulated by the US Army Corps of Engineers; change the definition of “Structure” to provide that the identified structures do not require a building permit and are not subject to the setback requirements? [Majority Vote Required].

**Article 6 Passed With A Majority Vote**

**Article 7.** Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the town zoning ordinance as follows: add a new article so as to be in conformance with RSA 674:58–61, to provide that the planning board may decrease lot size

and/or frontage requirements in the Neighborhood Residential, Village Residential and General Resident zoning districts if necessary to provide for the reasonable opportunity to develop dwelling units that will be rented for a rent or sold for a price that is within the ranges set forth in RSA 674:58? [Majority Vote Required].

#### **Article 7 Passed With A Majority Vote**

The Moderator stated that Articles 2-7 would appear on the ballot as written, as zoning articles cannot be amended.

A motion was made by Carla Jennison and seconded by Lisa Allis to consider Article 20 out of order and move it to the front of the meeting. Charter Weeks objected, stating that the residents in attendance were there to vote on all the town business and that personal agenda should not determine the order of consideration. The Moderator called for a vote. There were 75 votes for moving the article and 80 votes against. The article remained in its correct order. K. Grant moved to restrict reconsideration, seconded by S. Fontaine. The Moderator called for a vote. There were 77 votes for restricting and 63 against.

**Article 8.** “Shall the Town of Barrington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$5,375,749.00?” Should this article be defeated, the default budget shall be \$5,415,249.00 which is the same as last year, with certain adjustments required by previous action of the Town of Barrington or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. [Majority Vote Required]. By a vote of 5–0 the Board of Selectmen unanimously recommend this article. By a vote of 7–0 the Advisory Budget Committee unanimously recommends this article.

MOTION: D. FRASE      SECOND: J. KESSLER

The Town Administrator, Carol Reilly explained that there was a decrease of \$25,706.00 over the 2009 default budget. The Selectmen, the Advisory Budget Committee, and the Department Heads came through with reduced budgets, which, allowing for increases in contractual expenses, had a 0% impact to taxpayers. There were no pay increases to town workers. The town recognizes what is happening in the economy. With uncertainty on the 2010

State Revenues, the town is working hard to maintain the surplus fund balance to bring down the tax impact to the taxpayer.

Charter Weeks stated that the town philosophy is a pay-as-you-go budget. He explained that only 16.4% of the budget is the town's portion. All the residents are caretakers of the town's infrastructure and resources, and we cannot allow them to deteriorate.

S. Conklin stated that the intention of the Budget Committee is not to model what takes place in Washington.

Budget Committee member, S. Price, also a State Representative, is on the Ways and Means Committee in Concord. She said that she did not have good news, that the General Fund for the State is down 48.8 million dollars. She gave an explanation of the State Budget and emphasized that she is supporting that the rooms and meals tax should be returned to the towns. She said that any questions could be directed to her personally, either by telephone or at her website, [www.susanprice2008.com](http://www.susanprice2008.com).

The Moderator called for a vote and stated that Article 8 would appear on the ballot as written.

#### **Article 8 Passed With A Majority Vote**

**Article 9.** Shall the town vote to adopt the provisions of RSA 36-A: 4-a, I[b] to authorize the Conservation Commission to expend funds for contributions to "qualified organizations" for the purchase of property interests, or facilitating transactions related thereto, where the property interest is to be held by the qualified organization and the town will retain no interest in the property? [Majority Vote Required].

MOTION: J. WALLACE      SECOND: C. HUCKINS

John Wallace, temporary chairman of the Conservation Commission explained that SB 381 authorized towns to contribute funds which would allow the Conservation Commission to protect natural resources in town. This article does not require any funding and the Conservation Commissions' practice is to confer with the Selectmen before spending any of its funds.

The town attorney explained that a "qualified organization" is a non-profit whose purpose is to control and manage conservation easements.

The Moderator called for a vote and stated that Article 9 would appear on the ballot as written.

#### **Article 9 Failed To Pass**

**Article 10.** Are you in favor of establishing a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of completing improvements and/or to rehabilitate town-owned facilities and to raise and appropriate the sum of \$75,000.00 from fund balance [surplus] to be placed in this fund and to designate the Board of Selectmen as agent[s] to expend the funds in this capital reserve fund? This fund will be titled the Town Buildings Preservation and Rehabilitation Fund. No amount to be raised through taxation. [Majority Vote Required]. By a vote of 5-0 the Board of Selectmen unanimously recommends this article. By a vote of 6 in favor and 1 opposed, the Advisory Budget Committee recommends this article.

\*Note: This appropriation is in addition to Warrant Article #8 the operating budget article.

MOTION: C. WEEKS      SECOND: D. FRASE

C. Weeks spoke to the importance of this article and stressed that the funding would come from budget surplus and not taxation.

B. Trefethen motioned to add language that spending of funds be awarded to Barrington contractors only. This was seconded by S. Fontaine. The attorney stated that this motion would be non-binding, as the Selectmen have the authority to expend funds.

J. Huckins argued that the town needs an open bid process, so we can get the best price.

S. Price urged the need to set aside money for our infrastructure, rather than taking loans and paying interest.

T. Conroy asked how much was in the fund balance.

C. Reilly explained that DRA required an 8-10% retainage in fund balance, which is currently \$1,939,874.00.

Discussion ended and the Moderator called for a vote on the amendment. The amendment was defeated.

The Moderator called for a vote on the article. The article passed and the Moderator stated that Article 10 would appear on the ballot as written.

#### **Article 10 Passed With A Majority Vote**

**Article 11.** To see if the town will vote to change the office of Town Treasurer from an elected position to an appointed position per RSA 41:26-e. Such appointment shall be made by the Board of Selectmen in writing and shall include the compensation to be paid. If approved, the current elected Treasurer will continue to serve until the March, 2011 annual town meeting, at which time the Treasurer shall be appointed. [Majority Vote Required].

MOTION: M. CLARK      SECOND: K. PRATT

Selectman M. Clark spoke to the article, stating that we have been very fortunate to have had such a knowledgeable treasurer and felt strongly that this position should be held by someone well qualified. Many people spoke against the article in that it should remain an elected position, as the voters should be qualified enough to make a right choice.

J. Kessler reminded the residents that anyone could run for this office, even if they did not have adequate education in this area.

D. Frase stated that the intention behind this article was to protect the integrity of this position.

C. Reilly gave many reasons for appointing this position, most importantly, that there is no mechanism for removing the person in office, if they are not doing an adequate job, except to wait for the next election. G. Bailey objected, stating that the Selectmen had the right to remove based on poor performance. The attorney disagreed, stating that it would require the courts to be involved, and it is a difficult process.

T. Conroy moved that the article be amended to read "To see". This was seconded by J. Conroy. A vote was taken and the amendment was defeated.

The Moderator called for a vote on the article and stated that Article 11 would appear on the ballot as written.

#### **Article 11 Failed To Pass**

**Article 12.** To see if the town will vote to raise and appropriate the sum of \$40,000.00 to be added to the Road Reclamation Capital Reserve Fund previously established. *This amount to come from general taxation.* [Majority Vote Required]. By a vote of 5-0 the Board of Selectmen unanimously recommends this article. By a vote of 7-0, the Advisory Budget Committee recommends this article.

\*Note: This appropriation is in addition to Warrant Article #8 the operating budget article.

MOTION: D. FRASE      SECOND: K. PRATT

S. Conklin moved to amend the article by adding \$100,000.00, which would come from the fund balance, with \$40,000.00 from general taxation. K. Pratt explained that this was not a new discussion and that it had been inadvertently not added to the article.

S. Fontaine stated that the town did have enough money to fund this article and that the problem was really poor allocation of the town's funds.

M. Hastings agreed with the article, but emphasized that the work should be done correctly. C. Reilly agreed with Mr. Hastings comments and assured that no funding would be expended before all appropriate persons in town (the police chief, fire chief, road agent, etc.) were satisfied with the completed work.

The Moderator called for a vote on the amendment. The amendment passed. The Moderator called for a vote on the article and stated that Article 12 would appear on the ballot as amended.

#### **Article 12 Failed To Pass**

**Article 13.** To see if the town will vote to raise and appropriate the sum of \$50,000.00 to be added to the Highway Heavy Equipment Capital Reserve Fund previously established. *This amount to come from general taxation.* [Majority Vote Required]. By a vote of 5-0 the Board of Selectmen unanimously recommends this article. By a vote 3 in favor and 4 opposed, the Advisory Budget Committee does not recommend this article.

\*Note: This appropriation is in addition to Warrant Article #8 the operating budget article.

MOTION: K. PRATT SECOND: D.FRASE

After a brief explanation, the Moderator called for a vote. The Moderator stated that Article 13 would appear on the ballot as written.

#### **Article 13 Failed To Pass**

**Article 14.** To see if the town will vote to raise and appropriate the sum of \$45,000.00 to be added to the Fire Truck Capital Reserve Fund previously established. *This amount to come from general taxation.* [Majority Vote Required]. By a vote of 5-0 the Board of Selectmen unanimously recommends this article. By a vote of 3 in favor and 4 opposed, the Advisory Budget Committee does not recommend this article.

\*Note: This appropriation is in addition to Warrant Article #8 the operating budget article.

MOTION: J. KESSLER SECOND: C. WEEKS

Fire Chief Rick Walker explained that we are behind schedule on funding because of last years vote to not fund Capital Reserve accounts.

The Moderator called for a vote and stated that Article 14 would appear on the ballot as written.

#### **Article 14 Failed To Pass**

**Article 15.** Are you in favor of establishing a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of compiling funds to complete technology improvements at the Public Library and to raise and appropriate the sum of \$5,000.00 to be placed in this fund and to designate the Library Trustees as agent[s] to expend the funds in this capital reserve fund? This fund will be titled the Library Technology Fund. *This amount to come from general taxation.* [Majority Vote Required]. By a vote of 5-0 the Board of Selectmen unanimously recommends this article. By a vote of 0 in favor, 5 opposed and 2 abstained, the Advisory Budget Committee does not recommend this article

\*Note: This appropriation is in addition to Warrant Article #8 the operating budget article.

MOTION: S. GAUDIELLO SECOND: MARIE HARRIS

S. Gaudiello suggested that this would be a wise fiscal move to open a capital reserve fund, as replacing the circulation system software would be a major expenditure. The current estimate is around \$15,000.00.

D. McNally moved to change the amount to \$15,000.00. This was seconded by S. Karmeris.

The Moderator called for a vote on the amendment. The amendment passed.

The Moderator called for a vote on the amended article, and stated that Article 15 would appear on the ballot as amended.

#### **Article 15 Passed With A Majority Vote**

**Article 16.** To see if the Town will vote to re-instate the Deputy Tax Collector's position back to full-time employment status with \$32,011.20 for salary and \$21,929.74 for all benefits, which will be a total of \$53,940.94, as originally presented for the Tax Collector's 2010 budget. By Petition. [Majority Vote Required].

\*Note: A portion of this appropriation is in addition to Warrant Article #8 the operating budget article.

MOTION: J. KRUPSKI SECOND: G. BAILEY

J. Krupski spoke to the article, listing the series of events leading up to the decision to make the Deputy Tax Collectors position part time. She defended the need for this position to be full time, and her personal need to have a full time job.

The town attorney explained that this article would be non-binding and for advisory purposes only. Referencing RSA 41:8, she explained that the Selectmen are authorized to manage the prudential

affairs of the town. While it is in statute that the town decides on the salary of the Tax Collector, there is no voter authority to decide on the salary of the Deputy.

The Moderator stated that there had been a request for a secret ballot. As the attorney had explained that the decision would be non-binding, G. Bailey asked to end discussion.

The Moderator called for a vote and stated that Article 16 would appear on the ballot as written.

#### **Article 16 Failed To Pass**

**Article 17.** Shall monies collected by the town, as land use change fees and transferred to the Conservation Commission for control and expenditure, be reduced from fifty percent (50%), to ten percent, (10%)? By Petition. [Majority Vote Required].

MOTION: K. GRANT      SECOND: GEORGE

Ken Grant stated that the thought behind the article was to have more money available for more needed issues.

L. Brushett moved to amend the article to be increased to 75%. This was seconded by P. Yaremsky. After much debate for and against this motion, the Moderator called for a vote. The amendment failed.

M. Harris moved to have the fee remain at 50%. It was explained that this was not necessary, as the current fee is 50%. She withdrew her amendment and moved to have the article read "Shall monies". This was seconded by D. McNally. The Moderator called for a vote on the amendment. The amendment passed.

The Moderator stated that Article 17 would appear on the ballot as amended.

D. McNally moved to restrict discussion, seconded by P. Yaremsky. The motion passed.

#### **Article 17 Was Rendered Ineffective At Deliberative Session**

**Article 18.** To see if the town will vote to set term limits at two consecutive terms for the selectmen and the school board positions in the town of Barrington. By Petition. [Majority Vote Required].

MOTION: S. FONTAINE      SECOND: K. GRANT

S. Fontaine spoke to the article, stating this was necessary to prevent the selectmen and school board members from becoming professional politicians.

C. Karmeris stated that we should be able to vote for whomever we wish.

The town attorney explained that the article would have no authority,

as the town ballot can only reference town officials, not school officials and the legislative body (i.e., the voters) does not have authority to limit what State legislation has enacted.

S. Fontaine argued that his lawyers had a different interpretation. The town attorney stated that lawyers did have opinions, but this decision was from the Supreme Court.

R. Sanders moved to reduce the article to “To see”, seconded by D. McNally. This amendment passed.

The Moderator stated that Article 18 would appear on the ballot as amended.

D. McNally moved to restrict discussion, seconded by C. Karmeris. The motion passed.

#### **Article 18 Was Rendered Ineffective At Deliberative Session**

**Article 19.** To see if the town of Barrington will vote to ensure that any vacancy on the School Board or Board of Selectmen will be offered first to those candidates who have received 200 votes or more in the previous election, with the candidate receiving the most votes offered first and the others in descending order until reaching the number of 199 votes. By Petition. [Majority Vote Required].

MOTION: S. FONTAINE      SECOND: K. GRANT

S. Fontaine spoke to the article that there is a fundamental premise from our founding fathers that citizens have the right to vote for their representatives.

G. Bailey asked the attorney to refer to RSA 669:63.

The town attorney stated that legislation already provides that the remaining board members can appoint a suitable candidate to fill the position.

K. Grant stated that it should be the will of the voters.

P. Lehman moved to have the article read “To see”. This was seconded by a member of the audience.

R. Stock asked if removing the reference to the school board and changing will to should, would make a difference. The attorney said it would be non-binding.

K. Grant stated that this article is not illegal, it is non-binding. Some people could not be here to vote, so this article should remain on the ballot.

Town Clerk, S. Marquette, explained that “To see” articles on the ballot always have an explanation referencing the original language. Additionally, she questioned Mr. Grant’s referral to missing voters in that it was hard to believe that 5300 registered voters were unable to

be at the meeting.

The Moderator called for a vote on the amendment. The amendment passed, and the Moderator stated that Article 19 would appear on the ballot as amended.

R. Drew moved to restrict discussion on Article 19, seconded by G. Bailey. The motion passed.

R. Drew moved to reopen discussion on Article 16, seconded by J. Wallace. This motion failed.

J. Huckins moved to restrict reconsideration of Article 16, seconded by G. Bailey. This motion passed.

### **Article 19 Was Rendered Ineffective At Deliberative Session**

**Article 20.** To see if the town will vote to fully fund essential services before appropriating any funds to non essential services. The essential services include all current services except the Recreation Department. By Petition. [Majority Vote Required].

MOTION: S. FONTAINE      SECOND: K. GRANT

S. Fontaine believes people who use the Rec should fund it. He also believes that Rec is violating anti-trust laws by providing at lower cost, services that are provided by local businesses.

Alison Neal, proprietor of Amazing Children Development Center, stated that we do not have enough childcare in Barrington and that the Recreation Department is essential to the community.

The attorney explained that the article is non-binding and advisory only for several reasons. First, referencing RSA 32:3-III and 32:5, town officers and department heads are supposed to present their budgets to the Board of Selectmen, who present the budget to the town meeting. The legislative body (the voters) can adjust the budget amounts at the meeting. The voters then vote on the whole budget, up or down. The Recreation Department is a line item within the general operating budget, and the voters cannot vote for the whole budget except for one line. Secondly, the voters at town meeting can only vote on the operating budget for the following budget year. The voters cannot decide to tie the hands of the voters in subsequent years. Finally, this article would limit the Board of Selectmen's authority to transfer funds between appropriations, and their decisions cannot be challenged. Ms. Whitelaw added that Jeff Belanger, also town counsel, does not believe that anti-trust laws apply to the town.

R. Sanders said the town should do what is necessary to keep children occupied and out of trouble.

R. Douglas, a daycare provider in town, questioned whether it is the town's responsibility to provide daycare. She thought that it was unethical for the town to be in competition with businesses in town.

Pam Lehman moved to reduce the language of the article to "To see". This was seconded by someone in the audience. The Moderator called for a vote. The amendment passed and the Moderator stated that Article 20 would appear on the ballot as amended.

C. Karmeris moved to restrict reconsideration. The motion was seconded. The motion passed.

D. Langdon moved to restrict reconsideration on Article 8, seconded by D. McNally. The motion passed.

#### **Article 20 Was Rendered Ineffective At Deliberative Session**

**Article 21.** To see if the Town will vote to approve the following resolution to be forwarded to our State Representative(s), our State Senator, the Speaker of the House, and the Senate President. Resolved: The citizens of New Hampshire should be allowed to vote on an amendment to the New Hampshire Constitution that defines "marriage". By Petition. [Majority Vote Required].

MOTION: B. TREFETHEN      SECOND: B. LAPOINTE

B. Trefethen explained that the petitioners (along with other Americans) wanted the opportunity to vote on the definition of marriage.

S. Marquette stated that this article was a back-handed attempt to vote against someone else's civil rights. She moved to reduce the language to "To see", seconded by P. Lehman.

Susan Price, State Representative, explained that when the bill came to vote, she was not present due to the death of her father. 78 voted for the bill and 26 against. She did listen to the voters, however, and that most of the people who contacted her were in favor of the bill.

After a very emotional discussion, the Moderator called for a vote on the amendment. The amendment passed 64 to 47. The Moderator stated that Article 21 would appear on the ballot as amended.

A motion was made and seconded to restrict reconsideration. The motion passed.

#### **Article 21 Was Rendered Ineffective At Deliberative Session**

**Article 22.** To transact any other business that may legally come before said meeting of the honorable Town Government. [Majority Vote Required]

G. Bailey asked that the Selectmen reconsider the bid process going back to \$1,500.00.

Amy Ouellette asked that going forward the Selectmen carefully consider the Rec Department and funding, so that we don't have another meeting concentrating on that department.

R. Douglas asked if the board will look into whether the Rec Department is breaking any anti-trust laws with their daycare. She also asked if there was a tax abatement for the disabled. C. Huckins told her to come to the Town Hall and fill out the necessary forms.

B. Trefethen asked that the Moderator no longer allow "To see". The Moderator explained that state law allows the voters at the deliberative session to delete the language of an article and to change money amounts.

The Moderator adjourned the meeting at 2:30 pm.

Respectfully Submitted,  
***Sheila Marquette***  
Town Clerk

## **2010 REPORT OF THE BARRINGTON TAX COLLECTOR**

2010 was a year of change for the Tax Office. Effective April 1, there was a drastic reduction in the Deputy's Tax Collector's hours, resulting in reduced hours that the Tax Office could remain open to the public. The Tax Office is now open on Monday, Tuesday and Thursday from 9 am to 12 noon and on Wednesday from 2pm to 4pm. All town offices are closed on Friday. Please note that the Tax Office is now located on the bottom floor of the Town Hall.

Regrettably, Tax Collector Madelynn Faist retired on April 29, 2010. Madelynn diligently served the town as Tax Collector for 26 years and although we know she will enjoy her time with family and friends, she will be sorely missed by all. Thank you Madelynn for all the help and encouragement you gave to me over the years.

In June, the Board of Selectmen appointed me as the Barrington Tax Collector. I have lived in Barrington for the past 15 years and worked for the Town of Barrington for the last 7 years, serving as Deputy Tax Collector for 6.5 years. I achieved certification to collect taxes in the state of NH through the NH Tax Collector's Association. In March of 2011.

I have added a drop slot to the Tax Office counter. This will allow taxpayers to drop off tax payments during the hours that my office is closed. Your payment will be considered received on the next business day.

If you are a veteran, senior citizen or have a permanent disability, please don't hesitate to contact the Selectmen's office to ask about a property tax credit or exemption that may be available for you.

On September 22 of last year the Town of Barrington underwent an E-911 address change, affecting nearly every resident of our town. Our thanks to each and every one of you for your patience with this change. If you have moved, obtained or cancelled a post office box, please remember to notify our office of your new mailing address.

Please note that all questions related to property assessments can be addressed to the Selectmen's Office at 603-664-9007.

Respectfully Submitted

*JoAnn S Krupski*

## **2010 REPORT OF BARRINGTON TOWN CLERK**

2010 was a highly energized election year but inside the polls the elections ran smoothly. We are fortunate to work with an excellent team who know their jobs and attend to them diligently. Many thanks to Paul Sanders and his staff for their work in setting up and breaking down the election booths quickly and efficiently.

Election reporting requirements as initiated by the Secretary of State's Office had most clerks, statewide, working until two or three o'clock in the morning after the 2010 election. It is my hope that in the future, work will be done to reduce the complexity and to streamline this process.

In August, all of the town offices that were located in the older section of the Town Hall building were relocated downstairs. The Town Clerk's Office now shares a large space with the Tax Collector's Office. After positioning all of the equipment, some of which we share, our day to day operations are moving along smoothly and our two offices have developed a good working relationship. This move was necessary due to issues within the building but a positive outcome is that we are now handicapped accessible.

The new E911 addressing system has proved to be a challenge for everyone. Our office requires all residents who received an address change to complete a change of address form for each driver in the household and send it to the NH Department of Motor Vehicles (NH DMV). These forms are available in our office or at any NHDMV sub-station. Although the change of address adds time to each transaction, it is not complicated. In a year it should all be a memory.

As always the staff at the Town Clerk's Office thanks you for your patience.

*Notes:*

**2011 WARRANT  
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Barrington, in the County of Strafford, State of New Hampshire, qualified to vote in Town affairs:  
You are hereby notified of the annual meeting.

The first session for the transaction of all business other than voting by official ballot shall be held Saturday, the 5th day of February 2011 at 9:00 A.M. at the new Middle School on Route 9 in Barrington. The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- (a) Warrant articles whose wording is prescribed by law shall not be amended.
- (b) Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot, and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 8, 2011 at the new Middle School on Route 9 in Barrington. The polls shall be open from 8:00 A.M. to 7:00 P.M.

## ARTICLES

**Article 1.** To choose all necessary Town Officers by ballot and majority vote, including:

- Two Selectmen for three years.
- Two Library Trustees for three years.
- One Trustee of Trust Funds for three years.
- One Cemetery Commissioner for three years.
- One Tax Collector for one year.
- One Town Moderator for two years.

**Article 2.** Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 17–Definitions to read ‘*Article 18-Definitions*’ for the purpose of inserting Article 17-Workforce Housing, adopted at the second session of Town Meeting on March 9, 2010. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article. [Majority Vote Required].

**Article 3.** Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 18-Appendix to read ‘*Article 19-Appendix*’ for the purpose of inserting Article 17-Workforce Housing, adopted at the second session of Town Meeting on March 9, 2010. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article. [Majority Vote Required].

**Article 4.** Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the town zoning ordinance as follows: To amend the current definition of Campground under Article 18 to read: ‘*Campground: A campground or camping park means a parcel of land on which 2 or more campsites are occupied or are intended for temporary occupancy for recreational dwelling purposes only, and not for permanent year-round residency*’. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article. [Majority Vote Required].

**Article 5.** Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the town zoning ordinance as follows: To amend the current definition of Day Care under Article 18 to read: ‘*Child Day Care Agency means any person, corporation, partnership, voluntary association or other organization, either established for profit or otherwise, which regularly receives for child day care one or more children, unrelated to the operator or staff of*

*the agency. The total number of hours in which a child may remain in child day care shall not exceed 13 hours per day, except in emergencies; and to further define the types of child day care agencies as Family Day Care Home, Family Group Day Care Home, Group Child Day Care Center; Day Care Nursery, Night Care Agency, Preschool Program, School Age Program and Dual Licensure'. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article. [Majority Vote Required].*

**Article 6.** Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the town zoning ordinance as follows: To amend the current definition of Commercial Recreation Facility under Article 18 to read: *'A privately owned and/or operated land use, provided for gain or profit, either indoors or outdoors, where the main purpose is to provide the public with recreation. Examples of such facilities include skating rinks, water slides, gymnasiums, sports fields, miniature golf, driving ranges, swimming pools, race tracks and stadiums'.* By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article. [Majority Vote Required].

**Article 7.** Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 19-Appendix; Daycare facilities to read, *'Child Day Care Agency'.* By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article. [Majority Vote Required].

**Article 8.** Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 3.3.1 Regulations Pertaining to All Districts to read: *2) Recreational Vehicles—A recreational vehicle, as defined in Article 18 shall not be construed as a dwelling unit under the provisions of this Ordinance. Occupancy of a recreational vehicle by any individual, group, or household, for more than 180 days in any calendar year shall not be permitted in Barrington'.* By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article. [Majority Vote Required].

**Article 9.** Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the town zoning ordinance as follows: To repeal Article 5.1.2 Merger of Certain Nonconforming Lots; which reads; if two [2] or more unimproved lots of record are contiguous and held in single ownership on or after the effective date

of this Ordinance and if [1] or more of the lots have been rendered nonconforming, based on area or frontage, by passage of this Ordinance, the lots shall be deemed to be merged into one [1] undivided parcel of land. *The New Hampshire Legislature passed an act effective September 18, 2010 which prohibits a city, town, and county or village district from merging lots or parcels except upon application of the owner.* By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article. [Majority Vote Required].

**Article 10.** Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 15.2.2 Criteria for Granting Variances by inserting the following after the last sentence:

*[A] For the purposes of this subparagraph, “unnecessary hardship” means that, owing to special conditions of the property that distinguish it from other properties in the area:*

*[i] No fair and substantial relationship exists between the general public purposes of the ordinance provision and the specific application of that provision to the property; and*

*[ii] The proposed use is a reasonable one.*

*[B] If the criteria in subparagraph [A] are not established, an unnecessary hardship will be deemed to exist if, and only if, owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance, and a variance is therefore necessary to enable a reasonable use of it.*

*The definition of “unnecessary hardship” set forth in subparagraph [5] shall apply whether the provision of the ordinance from which a variance is sought is a restriction on use, a dimensional or other limitation on a permitted use, or any other requirement of the ordinance.* By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article. [Majority Vote Required].

**Article 11.** Are you in favor of amending the town zoning ordinance by deleting Article 9, Wetlands Protection Overlay [WPO], and replacing it with a new Article 9, Wetlands Conservation District? By Petition. [Majority Vote Required]. By a vote of 5 opposed and 1 abstention, the Planning Board does not recommend this article.

**Article 12.** To see if the Town will vote to raise and appropriate the sum of Three Million, Seven Hundred and Forty Thousand Dollars [\$3,740,000.00] for the renovating and equipping of the Town Office facility, and to further authorize the issuance of not more than Three

Million, Seven Hundred and Forty Thousand Dollars [\$3,740,000.00] of bonds and/or notes in accordance with the provisions of the Municipal Finance Act [NH RSA, Chapter 33], and to authorize the Selectmen to issue, negotiate, and regulate such bonds and/or notes and to determine the rates of interest thereon. [Three-fifths vote required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 4 to 1, a majority of the Advisory Budget Committee recommends this article.

\*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

**Article 13.** “Shall the Town of Barrington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$5,896,004.00?” Should this article be defeated, the default budget shall be \$5,728,133.00 which is the same as last year, with certain adjustments required by previous action of the Town of Barrington or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. [Majority Vote Required]. By a vote 4 to 1 a majority of the Board of Selectmen recommend this article. By a vote of 4 to 1, a majority of the Advisory Budget Committee recommends this article. \*

\*Note: This operating budget warrant article does not include appropriations contained in any other warrant article.

**Article 14.** To see if the town will vote to change the office of Town Treasurer from an elected position to an appointed position per RSA 41:26-e. Such appointment shall be made by the Board of Selectmen in writing and shall include the compensation to be paid. If approved, the current elected Treasurer will continue to serve until the March, 2012 annual town meeting, at which time the Treasurer shall be appointed. [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article.

**Article 15.** To see if the town will vote to raise and appropriate the sum of \$50,000.00 to be added to the Town Buildings Preservation and Rehabilitation Capital Reserve Fund previously established. *This amount to come from general taxation.* [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 4 to 1, a majority of the Advisory Budget Committee recommends this article.

\*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

**Article 16.** To see if the town will vote to raise and appropriate the sum of \$50,000.00 to be added to the Road Reclamation Capital Reserve Fund previously established. *This amount to come from general taxation.* [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 5 to 0, the Advisory Budget unanimously recommends this article.  
\*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

**Article 17.** To see if the town will vote to raise and appropriate the sum of \$60,000.00 to be added to the Highway Heavy Equipment Capital Reserve Fund previously established. *This amount to come from general taxation.* [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 4 to 1, a majority of the Advisory Budget Committee recommends this article.  
\*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

**Article 18.** To see if the town will vote to raise and appropriate the sum of \$50,000.00 to be added to the Fire Truck Capital Reserve Fund previously established. *This amount to come from general taxation.* [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 5 to 0, the Advisory Budget Committee unanimously recommends this article.  
\*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

**Article 19.** To see if the town will vote to raise and appropriate the sum of \$20,000.00 to be added to the Swain's Dam Capital Reserve Fund previously established. *This amount to come from general taxation.* [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 5 to 0, the Advisory Budget Committee unanimously recommends this article.  
\*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

**Article 20.** To see if the town will vote to raise and appropriate the sum of \$3,000.00 to be added to the Library Technology Fund previously established. *This amount to come from general taxation.*

[Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 4 to 1, a majority of the Advisory Budget Committee recommends this article.  
\*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

**Article 21.** To see if the town will vote to raise and appropriate the sum of \$30,000.00 to purchase and equip a Cardiac Monitor. This will replace our current monitor which is no longer being manufactured or maintained by the vendor. *This amount to come from general taxation.* [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 5 to 0, the Advisory Budget Committee unanimously recommends this article.  
\*Note: This appropriation is in addition to Warrant Article #13 the operating budget article.

**Article 22.** To see if the town will vote to raise and appropriate the sum of \$5,000.00 to be added to the Cemetery Capital Reserve Fund previously established. *This amount to come from general taxation.* [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 5 to 0, the Advisory Budget Committee unanimously recommends this article.  
\*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

**Article 23.** To see if the town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of providing ambulance services. Revenues received from ambulance fees up to \$25,000.00 will be deposited into the fund with the balance to be part of the town's general fund. The money in the fund shall be allowed to accumulate from year to year and shall not be considered part of the town's general fund unreserved fund balance. The Town Treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the Board of Selectmen and no further approval is required by the legislative body to expend. Such funds may be expended for replacement and maintenance of ambulance equipment and vehicles for the Ambulance Department's Emergency Medical Services. [Majority Vote Required]. By vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 5 to 0, the Advisory Budget Committee unanimously recommends this article.  
\*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

**Article 24.** To see if the Town will vote to raise and appropriate the sum of \$50,000.00 to be used for constructing a driveway cut and access road into the Town's Clark Goodwill site for the purpose of being able to mine materials estimated to be worth \$xxx and to provide access to the American Legion Property deeded by the town. By Petition. [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 4 to 1, a majority of the Advisory Budget Committee recommends this article.

\*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

**Article 25.** "Shall we rescind the provisions of RSA 40:13 [known as SB 2], as adopted by the Town of Barrington on March 1997, so that the official ballot will no longer be used for voting on all questions, but only for the election of officers and certain other questions for which the official ballot is required by state law?" By Petition. [Three-fifths vote required].

**Article 26.** To transact any other business that may legally come before said meeting of the honorable Town Government. [Majority Vote Required].

January 24, 2011

We hereby certify that we gave notice to the inhabitants within named, to meet at time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at the Town Office and post office being a public place in same town, on the 24th day of January, 2011,

Given under our hands, this 24th day of January, 2011

*David Frase, Chairman*

*Michael Clark*

*Jackie Kessler*

*Keith Pratt*

*Charter Weeks*

A TRUE COPY OF WARRANT – ATTEST

Please notify the Selectmen's Office at least five business days prior to this meeting if the meeting must be modified for your participation.

# **TOWN OF BARRINGTON 2010**

## **REPORTS OF DEPARTMENT HEADS**

## **2010 REPORT OF THE BARRINGTON TOWN ADMINSTRATOR**

We have been up against some considerable challenges with a sluggish economy and shrinking revenues as we review budgets and expenses. Working with the state legislature to re-instate revenue sharing and identify new revenue streams was paramount to our overall fiscal planning. I persist in weighing economic influences against our responsibility to provide efficient and responsible service at all levels of town government. With the current loss of state revenue sharing and the loss of services through state and county agencies, we have had to fill a sizeable void that impacts the limited resources we have. Remarkably, the foreclosure rate remains relatively low for Barrington and we have seen a greater level of property taxes being paid than in FY 2009. Despite these challenges, Barrington continues to have one of the lowest tax rates in the surrounding area. This is, in part, due to maintaining property values within market ranges by using a system of addressing property assessments on a consistent basis so that property owners pay only their fair share of taxes. The entire process is overseen by the Department of Revenue Administration who has complimented the Town on its diligence for managing property values and information.

We are examining ways that technology can broaden the availability of town services without increasing costs. An update to our website would allow better navigation and provide another way of sharing information about the town. During 2010 we accomplished a number of projects to improve town services including a back-up generator at the Highway Garage, replacement of a major culvert under Hall Road, securing funds for a video surveillance system at the Police Department, updating the town's Hazard Mitigation Plan, completing address and street name updates for E911, hiring a Town Planner and replacing front line vehicles for several departments. We also secured over \$24,000 in reimbursements for the winter storm disaster.

While the current economy has provided the impetus for us to seek more creative cost-saving measures, the Town exercises frugality as a regular practice. We have improved our financial practices through detailed bid guidelines and seek competitive pricing for everyday items. Department Heads and I continue to identify cost savings by combining projects and purchases with the School District or other entities. Future efforts will be focused on regionalization of services and goods, expansion of town services offered on-line, improving website content and navigation and increasing our economic tax base.

My sincere thanks and gratitude for the dedication of every employee

and department head, and the many wonderful volunteers we have that provide the best possible service to the residents of Barrington. The unwavering care and commitment of our town employees has, and continues to be, singled out as exemplary by neighboring communities, municipal trainers and by other government agencies. You can continue to be proud of the care and concern with which all of us work on your behalf. It has been my great honor and privilege to serve the Town of Barrington for these many years.

Respectfully Submitted  
*Carol Reilly*  
Barrington Town Administrator

**A Snowy Morning on Ramsdell Lane**

## **2010 REPORT OF THE BARRINGTON POLICE DEPARTMENT**

The Barrington Police Department has personnel on duty 24 hours per day; however we do not staff the station continuously. When assistance is required please use the following phone numbers:

- 911 Emergency Calls
- 664-2700 Strafford Dispatch - all non-emergencies
- 664-7679 Office Tuesday thru Thursday, 7am to 5pm

We understand that every incident is important to the caller and we attempt to deal with each issue as soon as possible. Frequently our response is delayed due to staffing issues and the need to prioritize our response to calls.

2010 was a very active year for our department. In an effort to improve our efficiency, we have continued to institute many changes to the manner in which we deal with calls for service. We make contact with individuals as often as possible by phone and we no longer generate individual reports for many types of calls. The following chart highlights our activity over the past year.

### **POLICE DEPARTMENT STATISTICS**

<b><u>Item</u></b>	<b><u>2010</u></b>
Accidents (total)	142
Accidents on State Roads	106 (70%)
Traffic Stops	2,605
Arrests	255
Calls for Service	9,123
Alarms	382
E911 Hang-Ups	66
Domestic Disturbances	41
Animal Complaints	263
Criminal Investigation	1,719

Our department currently employs three officers who are NHTSA Certified Child Passenger Safety Technicians. If you require assistance with the installation of a child passenger seat or if you have questions regarding the proper use of a seat, please call the Police Department at 664-7679 and we will be happy to help.

Animal Control issues are handled through the Police Department. The process to file an animal complaint is as follows:

- Call the Police Department at 664-7679 or 664-2007. Unless the issue is one of aggressive behavior, the complaint will be

referred to our Animal Control Officer. If aggression is the issue, a police officer will be dispatched to the scene to provide immediate assistance and follow-up intervention will then be referred to the Animal Control Officer.

- A written statement is required. Enforcement action not witnessed by police must have proper documentation. NHRSA 466:31 III (b) requires the name of the reporting party to be released.
- After the investigation is complete, a civil violation notice may be served and if it is not answered, a summons to District Court will follow.

It is our distinct privilege to serve the Town of Barrington and our residents. The goal of our Police Department is to render efficient and professional service to the community. We encourage anyone with questions or concerns to contact us. Community participation enables us to enhance the services we provide.

## **2010 REPORT OF THE BARRINGTON FIRE & RESCUE DEPARTMENT**

In 2010, the Fire & Rescue Department responded to 699 requests for assistance, 407 for emergency medical services and 292 for fire; an average of just under 2 calls per day and 15 less calls than were received in 2009. Each medical aid call averages 2 hours and requires 3 to 4 responders. A fire call averages just over an hour and requires 6 to 8 responders. As you can see, our responders are kept very busy.

Barrington's firefighters and EMTs are committed to providing the highest level of service possible. We attend weekly in-house training, monthly outside training and many weekend classes throughout the year. Considering the time spent responding to calls, coupled with this level of training, it is obvious that our responders could not do this without unwavering support from their families. I sincerely appreciate their sacrifices. Thank you from the bottom of my heart.

Our mission is truly a team effort which would be much more difficult without the assistance of the Barrington Police and Highway Departments. Our residents can be proud of their diligent efforts to keep us all safe. My thanks to them for all they do. I am also grateful for the Town Hall staff including the Building and Planning Departments, for their efforts in helping to create a safe community and thanks to the Town Hall office employees for all of their support.

Our Department is most fortunate to have the support of our residents. Your kind words and occasional letters of encouragement bring a smile to our faces and lift our spirits. We truly appreciate all of you!

On August 1, 2010, Russell Hayes retired from our Fire Department after 58 years of dedicated service. Russ and his wife Betsy have made and continue to make a huge impact on our Department. For the last 50 years, Betsy has adopted us as her own and has kept us well fed on our meeting nights. Thank you Russ and Betsy for everything! You will always hold a special place in our hearts.

2010 also brought the loss of two long-time Town employees, Madelynn Faist, Tax Collector and Dawn Hatch, Land Use Clerk. My thanks to both of them for many years of dedication to our town.

I extend my deepest gratitude to the Firefighters and EMTs for always getting the job done, even under the most adverse conditions. Day or night, sometimes in treacherous weather conditions, you are willing to give of yourself to help those in need. I am extremely proud and very grateful for each of you.

2010 brought an overhaul of our addressing system. I thank our

residents for their patience and cooperation. If you have not yet changed your address please do so ASAP. We cannot help you if we cannot find you.

Please be aware that the best way to keep you family safe is to ensure that your home has smoke detectors that are working properly.

My sincere thanks to all of our volunteers. For those who do not yet volunteer, I urge you to find an area of interest and get involved. Firefighting and Emergency Medical Services can be an interesting and rewarding experience. If you are interested in learning more about our department, please call 664-2241 or stop by the station.

Thank you and God bless to all who make this happen.

## **2010 REPORT OF THE BARRINGTON FIRE WARDEN AND STATE FOREST RANGER**

Our Fire Department focuses on halting illegal burns and educating our residents on the importance of observing the state laws that govern outside burns. Illegal burning can result in a fine of up to \$2,000, along with repayment to the town and/or state for suppression costs and payment for any damages caused to another's property.

A written permit is required prior to all burns unless there is sufficient snow cover as defined in state law as "complete cover with no burnable vegetation within 100ft in all directions of the pile."

To obtain a burn permit one must be the landowner or present written permission from the landowner, have adequate means to extinguish the fire and remain at the burn site until it is fully extinguished. Only brush smaller than 5" in diameter may be burned and it is unlawful to burn trash, construction debris, or painted or pressure-treated material.

Brush fire permits are issued only during periods of steady rain. Per state law, when the rain stops all daytime burns must be extinguished. You may obtain a permit at the Selectmen's Office or the Fire Station during normal business hours. All other times, you must contact the Warden or a Deputy Warden to obtain a permit to burn.

Cooking and campfire permits are issued seasonally and subject to an initial inspection of the burn site by the Fire Warden or a Deputy. Please contact the Fire Station at 664-2241 for more information.

State law requires an inspection and written permit for outside fireplaces and chimeneas. Neither is allowed on a porch, deck or within 25ft of any structure.

Recognizing and following the state's regulations will make your outdoor experiences safe and enjoyable for you and your family.

If you have any questions regarding outside burning, please do not hesitate to call the Fire Station at 664-2241 or Town Hall at 664-9007.

Barrington Fire Warden

## **2010 REPORT OF THE BARRINGTON FIRE & RESCUE EMS DIVISION**

This past year was busy for Barrington's Ambulance. Our volunteer EMS responders were called out for 407 medical emergencies and transported 274 patients. We only had to rely on mutual aid services to transport approximately 2.9% of our patients (18 % less than last year and most were because the ambulance was already on a prior call). We were able to supply EMS mutual aid to our neighbors as well. These changes in mutual aid were due to having full-time, paid, EMS providers available for the daytime ambulance crew. This increase in patient transports also contributed to a 19.5% increase in EMS payment into the Town's General Fund.

We had at least one licensed provider from Barrington at more than 99% of our calls, with an average response time from page to first patient contact of 11.7 minutes. The criticality of shortening response time cannot be over emphasized. One well-equipped EMT can stabilize patients until additional help or an ambulance arrives.

We currently have 16 active volunteer Emergency Medical Technicians (EMTs), including EMT-Basics, intermediates and paramedic levels. All of our volunteer EMTs have jobs or attend school outside of town and are not readily available to respond to calls during the week. State law requires at least two licensed EMS providers, one of which must be an EMT, in order to transport a patient. Each patient transported to a hospital takes an average of one and a half hours round trip from pager call to when the ambulance returns to the Public Safety Building.

In May of 2010, I participated in the EMS Memorial Bike Ride as a "Muddy Angel". The Muddy Angels peddled 500 miles, from Portland, Me to Washington, DC in one week to honor our fallen EMS brothers & sisters and to raise funds for their families (EMS providers are not yet eligible for death benefits as are fire and police). I will ride again this year and if interested, you can make a donation to support the Muddy Angels purpose at <http://muddyangels.org/>.

Barrington EMS planted and decorated another Christmas tree on the corner of Franklin Pierce Highway (Rte 9) and Calef Highway (Rte 125) with the aid of GTM Construction.

PLEASE UPDATE YOUR HOUSE NUMBER AT THE ROAD. There is nothing more tragic than having an EMS provider trying to respond to your medical emergency, and not getting there in time because of an old address number or no number displayed as specified

by the 911 System. Please help us to help you and your loved ones!

Anyone who is interested in volunteering on our Service or has any questions may leave a message at 664-7394, my e-mail address [AJM11013@aol.com](mailto:AJM11013@aol.com) or contact me directly on my cell phone at 969-4361. Please also visit our web page which is accessible from the town's site at [www.barrington.nh.gov](http://www.barrington.nh.gov).

Barrington CMO, EMT-B, EMS Chief

**Our New Christmas Tree...Young but Growing!**

## 2010 REPORT OF THE BARRINGTON BUILDING INSPECTOR / HEALTH OFFICER

Surprisingly, the Barrington Building Department continues to be very busy, especially as compared to surrounding towns. The number of new dwelling units rose from 29 to 39 in 2010. Add to this 8 replacement homes along with gas regulations and generator installations and the inspections increase dramatically. The majority of my time is therefore spent in the field. This is balanced by time spent in the office creating correction lists, responding to inquiries and correspondence and returning phone calls. Enforcement and zoning issues require investigation, review, correspondence and resolution attempts which can tax the time and resources of the Building, Code Enforcement and Health Departments.

I attend many workshops dedicated to keeping building officials apprised of changes to the laws and codes. They also give officials an opportunity to exchange ideas, enabling us all to improve the services that we provide to our communities.

As Health Officer I inspect day care facilities, schools and foster homes. The number of these inspections has doubled. Other issues addressed include failed septic systems, water tests and other health and safety issues along with responding to questions and complaints.

The Building Department reminds property owners that permits are required to rebuild, remodel, add on, upgrade electric or plumbing, install new gas/oil monitor/solid fuel appliances, pools, signs, outbuildings, garages, water filter systems, etc. Please call before beginning a project to see if a permit is required.

The Building Office is open regularly for messages, scheduling inspections and assistance with inquiries and concerns. **Voice mail messages may be left at any time at 664-5183.**

## **2010 REPORT OF THE BARRINGTON ROAD AGENT**

Once again we have closed out a very challenging year. During 2010 we completed the scheduled paving projects with the exception of Pond Hill Road. That project was postponed to allow for time and funds for a culvert replacement on Hall Road.

The Hall Road culvert replacement had been planned since 2005 but was stalled by budget restrictions. This year the condition of the culvert deteriorated severely, causing the project to take on an urgent status. I am happy to report that the new Cement Box Culvert was completed under budget and 3 days ahead of schedule. It is a superior design and should serve us well for many years to come.

Our engineering firm is currently completing a comprehensive analysis of all Barrington roads, culverts and bridges. When it is completed, this analysis will guide us in determining the number of road miles we need to maintain each year. It will also provide us with prorated costs of maintenance in the event that our maintenance schedule is delayed.

The 2011 pavement schedule will include Pond Hill and Ayers Cove Roads along with portions of Hall, Young, Wood, Mahala Roads and a portion of Gooseneck Lane. The schedule also includes a wear coat to be applied to Greenhill, Pond Hill, 2nd Crown Point and Tibbetts Roads along with Locke Hill and Oxbow Lanes. This is an ambitious schedule which I hope our budget can support.

In the coming year we also plan to examine ways to solve the ice problem at the intersection of Oak Hill Road and Franklin Pierce Highway, along with some embankment and guardrail work on the Greenhill Bridge. It is possible that 2011 could bring the acceptance of 3.7 additional miles of roads, increasing the challenges our department faces in terms of maintenance and budget issues. Aside from that we will adhere to our routine maintenance schedule. Barrington residents can be assured that the Highway Department is committed to providing the highest level of service while stretching your tax dollars as far as possible.

Our 2010 2nd Annual Highway Department Open House was a great success. This year we had some excellent demonstrations and hands-on experiences for all ages. We endeavor to make this event bigger and better every year and we look forward to seeing everyone in 2011 at our 3rd Annual Open House!

On behalf of myself and the entire Highway Department, I extend

our sincere gratitude to all of our residents for your support and kind words of encouragement throughout this difficult year. We continue striving to provide you with the best possible service in the future.

My gratitude to the Town Hall staff for providing help and support whenever it's needed and my sincere thanks to the Highway Department staff for their extraordinary efforts.

Respectfully Submitted

*Peter Cook*

Barrington Road Agent

## **2010 REPORT OF THE BARRINGTON TRANSFER STATION AND RECYCLING CENTER**

Prior to the end of 2010, we signed a 7-year contract with Waste Management which includes reductions to all of their prices. Due to this, you will see a reduction in the bottom line of our 2011 budget.

Nevertheless, bulky waste remains a financial challenge. The volume that is dumped exceeds the fees collected. However, in the early spring of 2011, we hope to participate in a new bulky waste program offered by Waste Management. Those who use the bulky waste bins regularly should realize a benefit from this program. We will be sure to inform residents as to the exact date that this program will commence.

Earlier this year, offered green Barrington trash bags from a new company that offered a slightly better price. However, we received several complaints about those bags tearing very easily so we have now returned to ordering our bags from the original manufacturer. In this case the reduced cost was not worth the sacrifice in quality.

Our Recycling Center continues to rely heavily on the selfless efforts of volunteers. If you have some time and would like to volunteer with us, please contact the Barrington Selectmen's Office and they will put you in contact with someone who can get you started.

My sincerest appreciation to all of the volunteers and the staff at the Barrington Transfer Station and Recycling Center for your hard work to keep things running. Your dedication does not go unnoticed and I thank you for it.

## 2010 REPORT ON BARRINGTON'S DAMS

As of this writing, we are awaiting a letter from the New Hampshire Department of Environmental Services (NHDES), regarding reclassification and deficiency of Swain's Dam. Once this letter is received, engineering will be performed to confirm the need to address these issues.

In the coming year we will continue with the engineering of the coffer dam for Swain's Lake Dam to determine the extent of work required and the best way to approach it. We anticipate that any work required will not commence until at least 2012.

We continue with the routine dam maintenance schedule which includes mowing and brush cutting of three dams. Aside from that, upcoming maintenance on Swain's Dam will include the installation of some new boards along with painting over the summer months.

The usual weekly inspections continue to help us ensure that the dams are operating well and that any problems can be promptly addressed.

Respectfully Submitted

*Peter Cook*

Road Agent

**Swain's Dam House**

## **2010 REPORT OF THE BARRINGTON PLANNING BOARD**

The past year was one of change for our Planning Board. November 1st brought the resignation of Dawn Hatch, long time Land Use Clerk, Planning Board member and founder of the Land Use Department. We truly appreciate Dawn's 30+ years of commitment to Barrington and will surely miss the valuable input and unparalleled knowledge of our town and its planning history that she brought to our every endeavor. We wish her all the best in the coming years.

Our board welcomes two new members, George Calef and Anthony Gaudiello. Both of these gentlemen bring their own unique perspectives and experiences to the Planning Board and we feel very fortunate to have them join us. We also extend our welcome to Constance Brawders, whom the Board of Selectmen hired to assume the position of Town Planner.

The Planning Board continues to work diligently in concert with state, federal and town regulations to ensure that residential and commercial growth is directed in such a way as to provide the maximum possible benefit to our residents. We continue to attend the annual "Law Lecture Series" sponsored by the New Hampshire Local Government Center, which enables us to remain current on state and federal land use regulations and ensures that we adhere to these regulations as we work with applicants.

Our board is comprised of a group of volunteers who meet every Thursday evening. We are dedicated to working toward the creation of a community that our residents can feel proud of. We are truly interested in learning what our residents want and we extend an invitation to all who are interested to join our work sessions and give us your input and ideas. You may even find that you'd like to join us!

### **2010 PLANNING BOARD STATISTICS**

Barrington Planning Board Chairman

## **2010 REPORT OF THE BARRINGTON ZONING BOARD OF ADJUSTMENT**

The Barrington Zoning Board of Adjustment has the power to review and approve variances from zoning ordinance requirements and administrative decisions which create unnecessary hardships in the development of property because of exceptional or extraordinary conditions. The five-member Board of Adjustment makes the final decision on items that come before it.

Serving as members for 2010 were Chairperson Karyn Forbes, George Bailey, Ellen Conklin, Raymond Desmarais, and Douglas Hatch (resigned November). Alternate member Gerard Gajewski was appointed as the fifth regular member. We encourage residents to attend meetings and we welcome considerations for member appointment to the ZBA.

The Zoning Board of Adjustment met 11 times in 2010. In May 2010, the meeting site was moved from the Town Hall Office to the Barrington Elementary School Library. The ZBA meets one evening per month on the third Wednesday.

In 2010, seventeen cases were scheduled for Public Hearing.

- Re-hearing - 1 Granted
- Area Variance - 2 Granted
- Use Variance - 10 Granted
- Appeal from Administrative Decision - 1 Denied
- Appeal from a Condition of Approval - 1 Granted
- Special Exception - 2 Granted

During 2010, the standard application form for ZBA case submittal was revised with improvements to make the application more user-friendly. The Zoning Ordinance and application form may be found on line at the Land Use home page under "Tools for Planning and Development" at the Town of Barrington's website: <http://www.barrington.nh.gov/TownHall/LandUse.aspx>. Please contact the Land Use Office to discuss the application process and to schedule an appointment with the Town Planner before submitting your request to the department.

Respectfully Submitted

*Karyn Forbes*

Barrington Zoning Board of Adjustment Chairman

## **2010 REPORT OF THE BARRINGTON CONSERVATION COMMISSION**

The year's triumph for conservation in Barrington was the permanent protection of Stonehouse Pond and over 230 acres of the forest and wetlands surrounding it. Thanks to diligent work by the Trust for Public Land, the Strafford Rivers Conservancy, and the town, this spectacular property has been permanently conserved. Financial support came from the Federal Wetlands Reserve Program, the town's conservation fund, the New Hampshire Conservation Committee, New Hampshire Fish and Game, and the Piscataqua Regional Estuaries Partnership. The property is now owned by the Strafford Rivers Conservancy and is under a conservation easement held by the federal government. The town also has certain rights to the property.

Stonehouse Pond is open to the public for hiking, hunting, cross country skiing, and other forms of passive recreation. If you have never been to this spectacular spot, you are strongly encouraged to pay it a visit. Access and parking are off of Route 202.

Also of note this year was the town's support for the nomination of Oyster River and the upper portion of the Lamprey River watershed as State Designated Rivers under the New Hampshire River Management and Protection Program. A designated river is managed and protected for its outstanding natural and cultural resources, and these rivers are well on their way to achieving that extra level of protection. The Isinglass River was designated in 2002.

We are pleased to report that the Barrington Conservation Commission will soon have its own web site. In addition to somewhat mundane items such as agendas and minutes, the web site will include links to information about obtaining permits from the state, learning about the flora and fauna of New Hampshire, and will even have trail maps and descriptions of the publicly accessible lands in town. Access to our new web site will be through the town's web site (<http://www.barrington.nh.gov/>), so watch for its appearance soon.

Finally, we were sad to lose long-time commissioner (and Planning Board member) David Mott, who had to step down after *many* years of service to the town. Also missed is Land Use Clerk Dawn Hatch, who was always very helpful to us as both an advocate for conservation and an incredible (truly, *amazing*) source of knowledge of town regulations and land history. The recent return of Anne Melvin to the commission mitigates the loss of these two somewhat, but we still have need for more members. Also on the personnel front, Matt Carpenter has recently taken over chairmanship of the Town

Forest Task Force, so expect to see some new developments there.

The Conservation Commission meets once or twice a month, and its most common duties are reviewing and commenting on wetlands and shoreland permits (which are the state's ultimate responsibility), working with the Planning Board to promote responsible development, responding to complaints about conservation-related matters in the town, supervising the stewardship of Town-owned lands and conservation easements, and doing whatever we can to promote protection and appreciation of the glorious natural resources that our town is blessed with. If you are interested in becoming part of this effort, contact the Land Use office at 664-5798.

Respectfully Submitted by the Members of the  
Barrington Conservation Commission

*John Wallace, Chair*

**Stonehouse Pond**

## **2010 REPORT OF BARRINGTON'S PARKS AND RECREATION DEPARTMENT**

The mission of the Parks and Recreation Department is to serve as a positive presence in our community, enhancing the quality of life by providing diverse and equitable programming that fosters a sense of community, personal growth, health, fitness, relaxation and good sportsmanship, while providing opportunities for community involvement.

2010 has been an exciting year for our department. It began with Youth Basketball, MAP, ASK & Discovery Center in full swing and ended with our new holiday program, the "Holiday Hoopla". Much has happened in between, including the hiring of a new Director, Assistant Director and Administrative Assistant.

Michelle Lemos, our new Administrative Assistant was hired on September 7, 2010. She has been a Barrington resident since 2005, when her family moved here from California where she worked in Corporate Sales and Service for the Golden State Warriors. Michelle graduated from the University of California at Berkeley with a bachelor's degree in Human Biodynamics/Exercise Physiology. She is an active participant in our community and enjoys being a part of our Recreation Department's growth and future.

Jason Hanken, Assistant Director, was hired on October 25, 2010. He comes to us from the Ossipee Recreation Department where he developed the department's first website, while maintaining and developing well-rounded programs for all ages. Jason played on the basketball team at Daniel Webster college where he graduated with a degree in Sports Management. He is a member of the NH Recreation & Parks Association where he also serves as Webmaster and is a committee member of the Northern New England Recreation and Parks Conference.

Tara Barker, Director, was hired on July 12, 2010. She was the first Parks & Recreation Director for the town of Stratham. While there, she developed well-rounded, fiscally sound recreation programs for all ages along with developing the Stevens Park Property. Tara also spent three years with the Brattleboro Parks & Recreation Department as the Adult & Youth Program Coordinator and another three years as the Adult Program Coordinator at the Woodstock Recreation Center. She earned a bachelor's degree in Sports Management/Physical Education as well as an associate's degree in business from Lyndon State College. While at Lyndon State, Tara was a member of the women's soccer, basketball and softball teams. She is currently a

member of the NH Recreation & Parks Association where she serves as Chair to the Aquafina Pitch, Hit & Run program.

During 2010, many programs and community events were offered, including but not limited to: Youth Summer and Fall Soccer, Youth Volleyball, Adult Volleyball, Yoga, Pilates, Summer Camp, February Vacation Camp, Kid Kaos, Trunk or Treat, Egg Hunt, Quick Start Tennis, Youth Basketball, Men's Basketball, Hershey Track & Field, MAP & ASK and the Discovery Center Programs.

While sustaining and building on the already successful programs currently offered, residents can look forward to some new programs in 2011. Upcoming plans include: Teen Adventure Camp, Old School PE, Fishing Derby, Senior Adult Fitness Class and Bus Trips, Winter Bingo, Women's Basketball, Kickball, Zumba Class, Nature & Environmental Programs, Kids Night Out and Red Sox Trips.

Volunteers make community recreation happen. The Barrington Parks & Recreation Department would like to thank all of the volunteers who have donated their time and effort over the past year. A great deal of our success would not be possible without the generosity of those community members and businesses. A big thank you to the Friends of the Barrington Recreation Department. Without their monetary support, many community events would not be as successful as they are. THANK YOU!

The Barrington Parks & Recreation Department invites all residents to participate and enjoy the programs and events that we offer. As always, our department is open to new ideas. Office hours are Monday through Friday, from 7:30 am to 4:00 pm. Programming ideas, suggestions and constructive criticism regarding programming are always welcome and help to better serve the recreational needs of all Barrington residents.

Respectfully Submitted

*Tara Barker*

Barrington Parks & Recreation Director

## **2010 REPORT OF THE BARRINGTON PUBLIC LIBRARY**

The library circulated 97,443 items this year. Please see the full statistical report for details on all aspects of library use in 2010. We saw increases in the use of our online resources such as downloadable audiobooks and we added a service that allows patrons to download free e-books to devices as well. This e-book service can be located at <http://nh.lib.overdrive.com>.

We have also added two new online resources that patrons can access. You can learn over 22 languages from home by accessing our Mango Languages link at <http://libraries.mangolanguages.com/barrington/login?u=663029>. Patrons can now access Ancestry Genealogy Database from the computers located in the library. This service allows you to search family history, census, and other historical data. We have 6 public use terminals (1-hr) slots and 1 terminal for long-term uses such as creating resumes, applying for unemployment, etc.

Our major project this year was the selection and implementation of a new circulation system and online access catalog for patrons. You can check out the new system at: <http://blibrary.booksys.net/opac/bpl/index.html>. Patrons can now search our entire catalog, renew from home, reserve items, create personalized book lists, and, you can easily see cover photos, book reviews, book descriptions, and data on reading levels. This system also allows staff to easily e-mail overdue notices and reserve notices so we are asking people to make sure we have an accurate e-mail address on file. This is a great way to get news quickly and should save staff time as well.

The library has a pass to the Children's Museum of NH (located in Dover), donated by the Friends of the Library. We also have a new display in the hallway near the restrooms for tax forms.

We began our new hours in 2010, which expanded our evening hours until 7 pm on Tuesday & Thursday and until 6 pm on Fridays. We are still open Wednesday nights until 8 pm as well.

The library wishes to thank the many volunteers who worked on projects, helped at the desk, and provided tech support; the combined value of their work, and savings to the Town, is approx \$7,902.00. We also wish to recognize PSNH for their \$200.00 donation and the Canonico family whose support in memory of John Canonico made it possible for us to purchase a large collection of audiobooks on CD for the library as well as a set of books on woodworking. The Christmas Dove, Calef's Country Store, and Amity Publications also donated funds. The Friends of the library donated funds towards programs,

museum passes, magazines, and our e-mail newsletter service. If you'd like to get an e-newsletter from the library you can sign up from our web page at [www.barringtonlibrary.com](http://www.barringtonlibrary.com). The library could not provide the level of services, materials, or assistance it currently offers to it's patrons without this support as our budget request to the town reflects only a portion of what it actually takes to run, maintain, and upgrade your library.

Respectfully Submitted

**BARRINGTON SCHOOL DISTRICT MEETING  
DELIBERATIVE SESSION  
2010**

At a legal meeting of the inhabitants of the Barrington School District, the following action was taken on the School Warrant on Saturday, January 30, 2010. Moderator, Stanley Swier, called the meeting to order at 9 o'clock A.M. at the Elementary School on 347 Route 125 in Barrington. The first session consisted of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- (a) Warrant articles whose wording is prescribed by law shall not be amended.
- (b) Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the special meeting, to vote on questions required by law to be inserted on said official ballot and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 9, 2010 at the Barrington Middle School on Route 9 in Barrington. The polls shall be open from 8:00 am. to 7:00 pm.

The Moderator stated the following rules of order:

- The Moderator reserves the right to limit debate.
- Comments should be concise and to the point.
- Persons must be recognized by the Moderator before speaking.
- Those who haven't had a chance to speak will have the chance before others who have spoken.
- Please turn off cell phones or put them on silent.
- Only registered voters can speak.
- No personal attacks will be allowed.

Present were School Board members: Chairman, Michael Powers, Michelle Antosiewicz, David Gibson, Deb McNally and Todd Worcester; Advisory Budget Committee members present: Steve Conklin, Ellen Conklin, David Mincin, Honey Puterbaugh, Bob Ditursi Doug Langdon and Susan Price; Also present: Peter Phillips, School District Attorney; Dr. Henry Aliberti, Superintendent; Tamara MacAllister, Director of Student Services; Mary M. Maxwell, Elementary School Principal; Michael Tursi, Middle School Principal; and Katie Jarnot, Middle School Assistant Principal.

## ARTICLES

**ARTICLE S-1.** To choose all necessary School District Officers by ballot and majority vote, including: One Clerk for one year, One Moderator for one year, One Treasurer for one year, and Two members of the School Board for three years.

Moderator Swier declares Article S-1 is prescribed by law and would appear on the ballot as written.

**Results: Clerk 1 year: Cindy Taylor**

**Moderator 1 year: Stan Swier**

**Treasurer 1 year: Janet Clark**

**School Board 3 years: Michael Powers, Moira Taylor**

**ARTICLE S-2:** “Shall the school district raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$17,927,010? Should this article be defeated, the default budget shall be \$17,945,490 which is the same as last year, with certain adjustments required by previous action of the school district, or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only.” (Majority vote required).\* The School Board and the Advisory Budget Committee (Straw vote) recommend this appropriation by majority vote.

Ms. McNally made a motion to accept Warrant Article S-2 as written. Seconded by Mr. Worcester.

Speaking on behalf of the Board, Mr. Powers stated that they appreciated people coming out to the meeting. The Board had a long, hard budget season, they understand the concerns of the community and they struggled with the bottom line of the budget. As a parent, Mr. Powers is concerned about the budget’s impact on teachers. The Board is here to listen to the public.

Dr. Aliberti presented a Power Point report, which highlighted District accomplishments, goals and challenges. Ms. McNally explained details of the increases and decreases of each section of the budget. Regular Education accounts for 51.1% of the budget; There is flat level funding for salaries, teachers will receive the contracted 4%, paraprofessionals will receive 0.50 per hour, and all non-contracted employees will receive a 0.0 increase; There is a reduction in the Special Education line due to reimbursements, tuition, and

students who moved out of District, Special Education is 15.2% of the budget.

There were questions and comments from the public. Several people voiced concern that the proposed budget could cause a reduction in force of up to 6 teachers and/or paraprofessionals and that would directly impact students. Mr. Steve Fontaine from the Barrington Taxpayers Association thanked the Board for keeping costs down and listening to all people. Mr. Gibson stated that if the budget didn't pass and we had to go with the default budget there is no guarantee of not losing a position. Mr. Gibson stated that both budgets would be a significant challenge. There were questions regarding benefits and operating costs of the ECLC. Dr. Aliberti stated that there are four different insurance plans people can choose from and depending on the plan employees pay up to 30% of insurance costs. Dr. Aliberti stated that the extra operating costs of the ECLC are approximately \$60,000 and that includes electricity, oil, trash, maintenance, etc. There were questions and comments for and against adding funds to the bottom line of the budget to keep from having to cut positions. The question was asked "What amount would save those positions?" Dr. Aliberti stated \$208,519.

Elementary School technology teacher, Debbie Brooks, stated that she thought people should know that the administration did not support the increase in the technology line and asked if the Board had a technology plan. Mr. Powers stated that yes, the Board does have a technology plan. Mr. Powers believes that learning with technology is a global priority. Steve Conklin, from the ABC, stated that the ABC has two jobs, one is to identify budget lines that are inflated and the other is to look for lines that are under funded. The ABC determined that the technology line did not meet requirements. Mr. Powers stated that research shows children really do learn better with technology.

Dr. Aliberti stated that the supply line is level funded from last year. Discussion followed on the impact on higher student-teacher ratios. There was a question on asking teachers if they would give up their raises for this year. Dr. Aliberti stated that the unions were asked if they would reopen their contracts. Both unions declined. Dr. Aliberti stated that reopening a contract is a great liability to them because it could affect more than just salaries.

Pam Lehman made a motion to increase the bottom line of the budget by \$208,600. Seconded by Carolyn Robbins. Discussion followed. There was a question about the large budget surplus last year. Dr. Aliberti stated that he had implemented a budget freeze last year and there were unanticipated revenues. The District had a targeted amount

that they wanted to return to the taxpayers. There was a suggestion of whether or not teachers can volunteer to take a pay cut. One resident who is a teacher stated that a lot of teachers spend their own money on supplies and her raise went to the children.

Lauren Katz made a motion to end debate. Seconded by Carolyn Robbins. The moderator declared the motion passed by a majority show of cards.

The Moderator called for a secret ballot for increasing the budget by \$208,600. The motion passed by vote of 85-54.

Pam Lehman made a motion to restrict reconsideration. Seconded by Carolyn Robbins. Moderator declared the motion passed by a majority show of cards.

Moderator Swier declares Article S-2 would appear on the ballot as amended.

#### **Article S-2 Failed To Pass**

**ARTICLE S-3** Citizen Petition Article: “Shall the voters of Barrington vote to approve the building of a new high school in the town of Barrington?” (Majority vote required)

Steve Fontaine stated that he wrote this article with the help of a law firm. Mr. Fontaine wants to find out if people want a high school or not. Rebecca Butcher stated that putting this on the ballot this way without giving people the background information would not be right. Ms. Butcher stated that the Town has been looking into the possibility of a Barrington High School for years. The District’s Attorney stated that this would have no legal impact on the District. Ms. Butcher stated that there are a number of questions not answered yet, and perhaps in the future someone could go to the Board and change the wording of the amendment. Mr. Montgomery stated that the High School Task Force did a great job on their report and there is a copy of it posted at the middle school. Ms. Butcher stated that 60 residents from the HS Task Force and the Ed. Specs. Committees have contributed to shaping the document. Dr. Aliberti stated that community feedback is important but it is difficult to make a decision on a high school without data from the architect. The District needs time to gather information and bring it to the voters. There was a question about the time-line to hire an architect. Dr. Aliberti stated that the Board had put it out to bid and would soon make a decision.

Julien Olivier made a motion to end debate. Seconded by Mr. Montgomery. The motion passed by a majority show of cards.

Moira Taylor made a motion to restrict reconsideration. Seconded by Lisa Titus.

The moderator declared the motion passed by a majority show of cards.

Moderator Swier declares Article S-3 would appear on the ballot as amended.

**Article S-3 Was Rendered Ineffective At  
Deliberative Session**

Julien Olivier made a motion to adjourn. Seconded by Jackie Kessler. The motion passed by a show of cards.

Seeing no further comments, Moderator Swier declared the meeting adjourned at 12:50 PM.

Respectfully Submitted

SCHOOL WARRANT ARTICLES 2011**

**SCHOOL WARRANT ARTICLES--2011**

The State of New Hampshire

To the inhabitants of the School District of the Town of Barrington qualified to vote in district affairs: You are hereby notified of the ANNUAL MEETING.

The first session for the transaction of all business other than voting by official ballot shall be held Saturday, February 12, 2011 at 9:00 am at the Middle School on Route 9, in Barrington. The first session shall consist of explanation, discussion and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- (a) Warrant articles whose wording is prescribed by law shall not be amended.
- (b) Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 8, 2011 at the Barrington Middle School on Route 9 in Barrington. The polls shall be open from 8:00 am to 7:00 pm.

## ARTICLES

**ARTICLE S-1.** To choose all necessary School District Officers by ballot and majority vote, including:

One Clerk for one year  
One Moderator for one year  
One Treasurer for one year  
One member of the School Board for two years  
One member of the School Board for three years

**ARTICLE S-2.** “Shall the school district raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$18,644,726? Should this article be defeated, the default budget shall be \$18,178,564 which is the same as last year, with certain adjustments required by previous action of the school district or by law or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only.” (Majority vote required)\*

\*Note: This Warrant Article (operating budget) does NOT include appropriations in ANY other warrant articles.

**ARTICLE S-3.** Teacher Multiple Year Collective Bargaining Agreement Article: “Shall the voters of Barrington vote to approve the cost item included in the collective bargaining agreement reached between the Barrington School Board and the Barrington Education Association, Inc that calls for the following increases in salaries and benefits at the current staffing level:

<u>Fiscal Year</u>	<u>Estimated Increase</u>
2011-2012	\$ 118,329
2012-2013	\$ 162,619
2013-2014	\$ 130,213

and further to raise and appropriate the sum of \$118,329 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement.\* (Majority vote required)\*

\*Note: This Warrant Article (S-3) pursuant to RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan but excluding cost of living increases, will continue in force and effect until a new agreement is executed.

**ARTICLE S-4.** Paraprofessional Multiple Year Collective Bargaining Agreement Article: “Shall the voters of Barrington vote to approve the cost item included in the collective bargaining agreement reached

between the Barrington School Board and the Barrington Paraprofessional Association, NEA-NH that calls for the following increases in salaries and benefits at the current staffing level.

<u>Fiscal Year</u>	<u>Estimated Increase</u>
2011-2012	\$ 72,506
2012-2013	\$ 74,122
2013-2014	\$ 75,825

and further to raise and appropriate the sum of \$72,506 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement.” (Majority vote required).\*

\*Note: This Warrant Article (S-4) pursuant to RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed.

**ARTICLE S-5.** Authorization for Special Meeting On Collective Bargaining Agreements: “Shall the voters of Barrington, if article S-3 and/or S-4 is defeated, authorize the Barrington School Board to call one special meeting, at its option, to address article S-3 and/or S-4 cost items only?” (Majority vote required).

**ARTICLE S-6.** Changing the Purpose of an Expendable Trust Fund Repairs/Reconstruction: “Shall the voters of Barrington vote to change the purpose of an existing expendable trust fund known as the New School Building Planning fund to Facility Repairs/Reconstruction for the purpose of facility repairs/reconstruction and to appropriate the sum of twenty-five thousand dollars (\$25,000) such sum to come from the June 30 fund balance available for the transfer on July 1?” (2/3 vote required)

**ARTICLE S-7.** Capital Reserve Fund Technology: “Shall the voters of Barrington vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of supplementing technology equipment replacement and to appropriate the sum of twenty-five thousand dollars (\$25,000) such sum to come from the June 30 fund balance available for transfer on July 1?” (Majority vote required).

**ARTICLE C-1.** Citizen Petition Article. Full-Time Kindergarten: “Shall the school district raise and appropriate \$392,000.00 to establish and operate a full-time kindergarten program for the fall of

2011. The tax impact of this appropriation is 44 cents per thousand.”

Given under our hands at said Barrington on this 18th day of January, 2011:

## **2010 REPORT OF THE SUPERINTENDENT OF SCHOOLS**

I am pleased to submit this report on behalf of the students and staffs of the Barrington School District.

The Town of Barrington in Strafford County, New Hampshire was settled in 1699 and incorporated in 1722. Its population was 2,470 in 1790. In 2007, the New Hampshire Office of Energy and Planning had Barrington's population at 8,354 residents, ranking Barrington 37<sup>th</sup> among New Hampshire's 234 incorporated cities and towns. Barrington, with its 46.7 square miles of land area and 1.9 square miles of inland water area, continues to be an attractive setting for families to reside. Police, fire, town, and school services enhance the geographic locale of Barrington as a desirable place to live. Even given present economic conditions, The *2010 New Hampshire Economic Review* notes that New Hampshire has the lowest tax burden in the United States, third lowest crime rate, has the highest standard of living in the United States, and is among the top ten states in highest level of personal income in the United States.

October 1, 2010 data documents the Barrington Early Childhood Learning Center, Barrington Elementary and Barrington Middle Schools' enrollment at 939 Kindergarten to 8th grade students. This is an increase over last October's count of 9 students. There are 398 9th to 12th grade high school students totaling 1377 K-12 students.

The Dover School District advised the Barrington School District to plan for a 3% increase in its high school tuition rate for the 2011 – 2012 school year. This projected tuition rate of \$11,048.37 per high school student. Continued tuition increases support the District's exploration of a high school for the community of Barrington. The educational specifications associated with a proposed high school may be found on the District's website [www.barrington.k12.nh.us](http://www.barrington.k12.nh.us). The District has hired a construction manager to assist in developing cost estimates for the conceptual plans for the proposed high school.

The Barrington School District's School Board, Mr. David Gibson, Chairman, Mrs. Deborah McNally, Vice Chair, Mrs. Michelle Antosiewicz, Mrs. Moira Taylor, and Mr. Scott Francisco, continue to provide visionary leadership for the District. With collaborative community partners, such as, Fire Chief Rick Walker, Police Chief Richard Conway, and Town Administrator Carol Reilly the Barrington School District continues to address the needs of its students. These efforts ensure the safety of our students, employees, and other community members.

The District's Leadership Team, teachers, paraprofessionals, maintenance, support, and office employees are individuals dedicated to providing the very best in services to each student and parent that enters the Barrington School District. It is through this common effort that District goals are achieved and quality services provided so that children mature into responsive community members.

## **2010 REPORT OF THE BARRINGTON ELEMENTARY SCHOOL PRINCIPAL**

I am proud and pleased to submit this report on behalf of the students and staffs of the Early Childhood Learning Center and the Barrington Elementary School.

The Early Childhood Learning Center serves Preschool and Kindergarten students and the Elementary School educates students in Grades 1-4. With 132 students at the ECLC and 427 students at BES, our total PK-Grade 4 population is 559 students. Currently, grades 1 through 4 have an average of 105 students in each grade with 18-22 students in each classroom.

The ECLC holds six half-day kindergarten sessions, serving 95 students with approximately 18 students in each classroom. In September of 2010 our kindergarten classes moved to the ECLC and, now with our Preschool program, enjoy a center with quality, developmentally appropriate programming for our early learners. This move provided BES with three additional classrooms for the growing Barrington population. The provision of the three classrooms for BES has sufficiently addressed the recent space issues, and we now meet building, safety and fire codes.

The men and women who educate the children of Barrington are an outstanding group of professional, dedicated, and highly qualified people. I feel very privileged to work alongside individuals of such high caliber. Our staff turnover remains relatively low with just two new additions to the professional staff this school year. Melissa Breen is our new part time Special Education Case Manager and reading tutor for the ECLC. We also welcomed Ms. Elizabeth Lamarre to the BES staff as a fourth grade classroom teacher.

While BES remains designated as a NH School in Need of Improvement (SINI) in the area of math, this year it was designated as a school achieving AYP in both Math and Reading for all students. We have made tremendous strides in overall achievement for all students. We are committed to our mission to develop and improve math and reading instruction by using a variety of instructional strategies, delivering focused small group instruction and using data to inform our planning and instruction for all students. The professional staff continues to work diligently alongside Anne Davis, our Curriculum Coordinator, to map the curriculum and align instruction with NH Grade Level Expectations and Standards.

In addition to increased achievement, we are proud to report overall improvement in safety at BES. Improved safety procedures, training,

and consistency has brought us decreased discipline referrals and an increase of student engagement in the classroom. In her 10<sup>th</sup> year as Assistant Principal, Cheryl Peabody continues working diligently to keep BES a safe and respectful learning environment for staff, students and families.

Continuing our tradition and belief in educating the whole child, BES provides a multitude of enriching opportunities for students and families. 4th Grade Band and Chorus, The Invention Convention, Family Math Night, Family Literacy Night, After School Enrichment, Homework Club, Math Club, all are opportunities that BES provides for its students and families. Additionally, we have many, many parent and community volunteers to whom we are eternally grateful!

The ECLC had great success in its first year as a PK-K Center. Michele Foley is to be credited with the day-to-day operation and problem solving of the ECLC. She has done an exceptional job as a building administrator. Beginning the year with screenings for all kindergartners, a well attended Open House and Monthly Literacy Celebrations, the center is off to a wonderful start as a new Barrington learning community. The ECLC is also credited with reaching out to the community with its "Bedtime Story Pajama Drive" providing 110 sets of pajamas and books for needy area families this winter.

The PTA continues to serve both the ECLC and BES, and is an extremely supportive group providing a variety of events throughout the year. Our Back-to-School Barbeque, Family Dance, Pizza Bingo Night and Pancakes with Santa were well attended events this year. I would like to take this opportunity to publicly thank this amazing, small but mighty group for their incredible contribution to our school community. While it is always a little risky to single out individuals, AnnMarie Cummings has been the oil that keeps the PTA machine running these past few years. Serving for the past eight years as an officer and the past three as president, AnnMarie has gone above and beyond the call of duty for BES and the ECLC. We salute her and the incredible effort she puts into making BES a family oriented, welcoming place for families to learn, grow and enjoy one another.

My thanks to the dedicated and hard working staffs of BES, ECLC, District, our devoted School Board, and our very supportive Superintendent, Dr. Henry Aliberti, for their efforts to continuously improve and enhance education for all Barrington students.

Respectfully Submitted

*Mary M Maxfield*

Principal, Barrington Elementary School / ECLC

## **2010 REPORT OF THE BARRINGTON MIDDLE SCHOOL PRINCIPAL**

It is my distinct pleasure and privilege to present this report to the Barrington community on behalf of the faculty and students of the Barrington Middle School.

Our captivating school, now six years old, is a testament to the value Barrington residents put on the important work of providing a middle-level educational experience that is second to none for our town's children. Our current enrollment of 424 students spans grades 5 through 8. After a couple of years of careful refinement, we have settled upon a multi-aged program comprised of two 5<sup>th</sup> and 6<sup>th</sup> grade teams and two 7<sup>th</sup> and 8<sup>th</sup> grade teams. Each team consists of approximately 105 students and is staffed with highly qualified teachers in the core areas of Mathematics, Language Arts, Reading, Social Studies, and Science. A full-time special educator/case manager is also a member of each team as well as at least two paraprofessionals. Complementing our core teams are our eight Unified Arts teachers who instruct all students in music, art, tech. ed., phys. ed., computer, Spanish, and family and consumer science. BMS also employs a full-time band director, librarian and reading specialist as well as a part-time behavior coach and humanities teacher. Reinforcing the work of our instructional teams is an outstanding group of health and guidance professionals, occupational and speech therapists, administrative assistants, custodians, and food service staff. We also derive a great deal of student support from our Parent Teacher Council, Friends of Music, and Sports Booster organizations. Together, this dynamic group of dedicated staff, parents, and community members make our school an enriching and rewarding place for all of our students.

The Barrington Middle School administers two forms of standardized tests annually. The NECAP (New England Common Assessment Program) is administered to all students in grades 3 – 8 in October of each school year for mathematics and reading. Writing is assessed in grades 5 and 8 at the same time. Science is administered in grades 4 and 8 during the last three weeks of May.

In addition, we administer the NWEA (Northwest Evaluation Association) MAPS testing in the spring, which is a state-aligned computer-based testing system that adapts to each child in real-time as the test progresses for a pinpoint picture of learning achievement and readiness. MAPS tests are administered to all students in the content areas of mathematics, language usage, and reading.

According to the New Hampshire Department of Education, our school is designated as a School in Need of Improvement in the areas of mathematics and reading. As a result, our faculty has been diligently working on a three-year professional development plan to align our curriculum to state standards and to create and implement common standards based assessments. I am pleased to report that this work is nearing completion. In fact, our most recent SINI progress report to the NHDOE was approved with a “commendation” to our staff for their steadfast commitment to meeting the goals of our plan.

Though much of our focus and energy has been directed towards the need for curriculum and instructional change, we have not lost sight of the fact that we have a tradition of providing much more to our students through outreach and co-curricular programming. Extended Studies programming, Winter Enrichment, athletics, intramurals, clubs, student council, band, jazz band, chorus, show choir, and the annual dinner theater continue to provide the students of Barrington Middle School with a well-rounded education dedicated to their future success in life.

In closing, I’d again like to thank our outstanding faculty for their tireless efforts on behalf of our students, the leadership team lead by Superintendent of Schools Dr Henry Aliberti, and the Barrington School Board for their unselfish service to the business of educating the children of our extraordinary town.

Respectfully Submitted
