APPLICATION INSTRUCTIONS**

**MERGER OF CONTIGUOUS LOTS**

**Submit 10 paper copies and 1 electronic copy of all application materials to [LUOffice@belmontnh.gov](mailto:LUOffice@belmontnh.gov)**

**COMPLETING APPLICATION:**

The property owner is responsible to submit all information correctly. Copies of all Ordinances, Regulations and application forms are available at <https://www.belmontnh.gov/Pages/Index/50742/applications-forms-ordinances-regulations>.

The Town strongly encourages the applicant to consult an attorney to review the title of the lots to be merged and to draft the restrictive covenant that will be recorded in the Belknap County Registry of Deeds. This document will encumber the title of your property and if not properly drafted may result in future title problems. The property owner is ultimately responsible for the information contained in the covenant.

Submit applications with all required documents to the Belmont Land Use Office. Questions may be addressed to the Land Use office. Contact information is provided below. In accordance with RSA 674:39-a, no public hearing or notice will be required for this request. The Town will record the notice of merger in the Registry of Deeds if approved.

**THE FOLLOWING MUST BE SUBMITTED AS PART OF YOUR APPLICATION:**

- A. Completed application form. Applications must be complete and legible, either typed or printed in ink. Incomplete or illegible applications will be returned.
- B. Plan: One copy of the proposed plan, accurate sketch or section of the Belmont Tax Map showing the entirety of the lots to be merged. A surveyed plan is not required but should be used if available.
- C. Deed(s): One copy of the current deed, as recorded in the Belknap County Registry, for each lot proposed to be merged. Deeds must be held in exactly the same ownership.
- D. Other relevant documents produced after the current deeds: One copy of any other document impacting the lots to be merged (death certificate, merger, subdivision, boundary line adjustment, corporation filing, etc.).
- E. A list of all lienholders shall be submitted or a signed statement that there are no lienholders on any property being merged. For each lienholder listed, a partial release, subordination document or other applicable document shall be submitted.
- F. A Declaration of Restrictive Covenant. A sample of the applicable language is attached. The sample provided shall not be "filled in" and used as the recording document. The document is available in electronic form upon request. The Declaration shall be prepared by an attorney or other individual who certifies that the merger of the lots shall not result in a violation of ordinances or regulations. A draft of the covenant shall be submitted for approval prior to being signed by the property owner(s).
- G. A check, made payable to the Belknap County Registry of Deeds to cover the document recording cost. Current cost as follows:

First page of document	\$12.00
Each additional page of the document	\$4.00 (ea)
Planning Board Acknowledgement page	\$4.00
Postage back from the Registry	\$.60

- H. Once a completed application is submitted, the Planning Board shall consider and act on the merger application at a public meeting. Once approved the Board shall authorize the chairman to sign the document and it shall be recorded in the Belknap County Registry of Deeds.
