(Majority vote required.)

(The Board of Selectmen recommends **\$50,000** and the Budget Committee supports this recommendation.)

The Town of Belmont worked closely with the State of NH this past year to receive funds from the GOEFFR program. Most of the funds were used directly to reimburse the Town for pandemic related expenses such as Personal Protective Equipment, sanitizing supplies, parking and visitor oversight at the Belmont Beach and staff costs directly related to providing emergency services. In light of these unexpected needs in 2020 and the uncertainty of 2021, the Selectmen proposed creating an Expendable Trust Fund for future expenses related to Public Health and Safety. The fund is to be funded through unassigned fund balance.

Article #23. To see if the Town will vote to establish a Durrell Mountain Road Maintenance Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of maintaining Durrell Mountain Road and to raise and appropriate the sum of Seven Thousand Five Hundred Dollars (\$7,500) to be placed in this fund, such amount to come from unassigned fund balance; and further to name the Board of Selectmen as agents to expend from said fund. (Majority Vote Required.)

(The Board of Selectmen recommends **\$7,500** and the Budget Committee supports this recommendation.)

Town Administrator's News (Cont.)

The establishment of a Capital Reserve for the maintenance of Durrell Mountain Road was part of an agreement reached in 2019 with the owners of the gravel pit located in Gilford at the end of Durrell Mountain Road. Year one we receive \$2,500 and in subsequent years the pit owner will contribute \$5,000 to be placed in the account. This article represents years one and two and the establishment of the fund.

Article #24. To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000) to be placed in the Information Technology Non-Capital reserve account previously established (2002), and further to fund said appropriation by authorizing the transfer of \$20,000 from the unexpended fund balance as of December 31, 2020

(The Board of Selectmen recommends **\$20,000** and the Budget Committee supports this recommendation.) **\$2.11**

In 2018 there was a weather event which qualified for FEMA reimbursement; during that event the town lost internet services town-wide for a number of days and there was significant tree damage. When the funds were received from FEMA, the Board held a public hearing to accept the funds and set them aside to be used for a Fiber Optic project, unfortunately the Town did not receive a grant it had hoped for to assist in the project. At this time the Selectmen are recommending the funds lapse to fund balance and be reappropriated to the Information Technology Non-Capital Reserve Fund; this will allow them to be set aside indefinitely for any technology project.

Article #25. To see if the Town will vote to reduce the percentage of the Land Use Change Tax collected pursuant to RSA 79-A:25 that is deposited into the existing Conservation Fund from 100% to 50%. If adopted this article shall take effect April 1st,

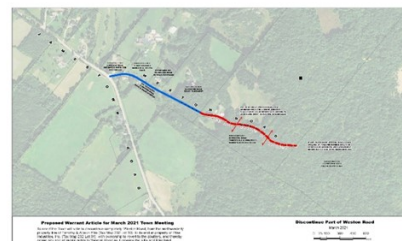

and shall remain in effect until altered or rescinded by a future vote of the Town Meeting. (Majority vote required).

This article was included by the Board of Selectmen for consideration by the voters. The current balance in the fund is \$259,241.

Article #26. To see if the Town will vote to notify the New Hampshire General Court of its requirements for nonpartisan fair redistricting. The New Hampshire General Court is obligated to redraw the maps of political districts within the State following the federal census which was recently completed. Belmont NH voters require fair and effective representation of New Hampshire voters in the redistricting process without gerrymandering. Additionally, these voters ask the Town of Belmont, NH to have the NH General Court carry out the redistricting in a fair and transparent way through public meetings, not to favor a particular political party, to include communities of interest, and to minimize multi-seat districts.

The record of the vote approving this article shall be transmitted by written notice from the Town Administrator to Belmont NH's state legislators, informing them of the demands from their constituents within 30 days of the vote. **(This article submitted by Petition.)**

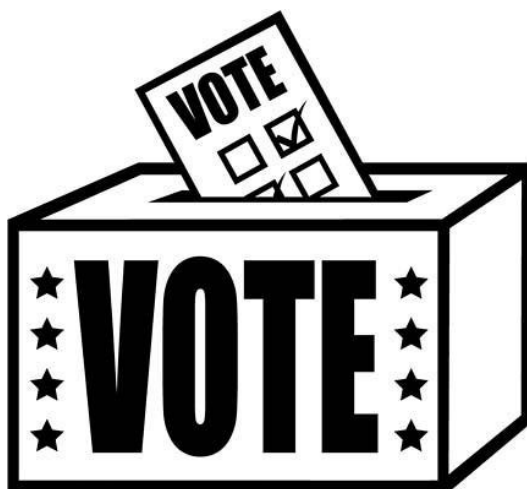

Article #27. To see if the Town will vote to discontinue completely, Weston Road, from the northwesterly property line of Timothy & Allison Ellis (Tax Map 232 Lot 30) to its end at property of Pike Industries, Inc. (Tax Map 232 Lot 31) with ownership to revert to the abutters, and thereby cease any an all-public right to Weston Road as it crosses the Ellis and Pike Land. **(This article submitted by Petition.)**

Town Clerk's Corner

As the Town Hall remains closed until further notice we would like to thank our amazing residents for being very patient and understanding during this time! We are currently processing transactions two different ways, either from the Town's website or by the drop box in the front door. For those who are interested in completing their transactions online, the town's website is www.belmontnh.org. The types of transactions that can be completed online are vehicle renewals, dog licenses, utility/tax payments, and vital record certificates. For our residents that have purchased new vehicles or have recently moved to town, please give us a call at 267-8300 ext. 2 so we can direct you on what you will need to put in the drop box for renewals, new plates, or transfers. Also for the new residents we will need to go over everything for proof of residency and vehicle paperwork. All of the transactions are being completed daily and mailed the same business day. Most of the residents have received their return correspondence within a day or two. We would like to thank the Belmont Post Office for being very helpful during this time.

The 2020 Election season has come to a close, we will now shift into gear for just one election in 2021. On Tuesday, March 9, 2021, Belmont will be holding the annual Town election. The polls will be open from 7 AM to 7 PM at Belmont High School, masks will be required to enter the polls. The Warrant Articles are currently posted on www.belmontnh.org for reference, you may also print out the articles and bring them to the polls to help you when voting.

Now that we are in a new calendar year that means it is time to license those pups! Dog license renewal time is from January 1st until April 30th. It is very easy to renew them online on the website, all you will need is the tag number from 2020. We will then process the license and mail you back the tag. For the new pups, we will need a copy of the current rabies vaccination paperwork, which can be mailed or dropped off in the drop box. For our dog owners that are 65+ your home will be able to license one dog at \$2.00. All altered dogs will be \$6.50 and non-altered dogs are \$9.00. If your home has 5 or more dogs, you will be charged at a group rate which is \$20.

Stay safe Belmont, we hope to be able to see you all soon!

POLICE DEPARTMENT NEWS

Thefts

Over the past month or so we have received several calls reporting the thefts of catalytic converters. Catalytic converters are part of an exhaust system on a vehicle that help reduce toxic gases and pollutants.

The thefts that have happened in town have been at closed businesses and in areas where vehicles are parked away from houses, often times occurring at night. The thefts of the catalytic converters yield a high profit the thieves as they turn them in for scrap metal.

Typically, the catalytic converters are cut off with a saw and the thieves are gone within minutes of arriving.

Please be on the lookout for people at closed businesses or lingering around parked vehicles and call the police department to report it.

We can be reached at 603-267-8350

Pets of Belmont

Meet Finch and Owen. They're about 6 months old and were adopted a few months ago from the New Hampshire Humane Society. They're not brothers but might as well be. They were extremely shy and under socialized at first but are making progress each day and seem to be getting quite cozy at their new home in Belmont.
