(Use additional sheet if necessary)

1. THE VARIANCE WILL NOT BE CONTRARY TO THE PUBLIC INTEREST BECAUSE:

2. THE SPIRIT OF THE ORDINANCE IS OBSERVED BECAUSE:

3. SUBSTANTIAL JUSTICE WILL BE DONE BECAUSE:

4. THE VARIANCE WOULD NOT DIMINISH THE VALUE OF SURROUNDING PROPERTIES BECAUSE:

5. OWING TO SPECIAL CONDITIONS OF THE PROPERTY THAT DISTINGUISH IT FROM OTHER PROPERTIES IN THE AREA, DENIAL OF THE VARIANCE WOULD RESULT IN UNNECESSARY HARDSHIP BECAUSE OF THE FOLLOWING:

A. NO FAIR AND SUBSTANTIAL RELATIONSHIP EXISTS BETWEEN THE GENERAL PUBLIC PURPOSE OF THE ORDINANCE PROVISION AND THE SPECIFIC APPLICATION OF THAT PROVISION TO THE PROPERTY BECAUSE:

B. THE PROPOSED USE IS A REASONABLE ONE BECAUSE:

NOTE: If the Board determines that the criteria in subparagraph (5) are not established, an unnecessary hardship will be deemed to exist if, and only if, owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance, and a variance is therefore necessary to enable a reasonable use of it.

BELMONT ZONING BOARD OF ADJUSTMENT APPLICATION INSTRUCTIONS - VARIANCE

A Variance is an authorization, which may be granted under unique circumstances, to use your property in a way that is not permitted under the strict terms of the Zoning Ordinance. For a variance to be legally granted, you must show that the proposed use meets all of the criteria of RSA 674:33. Incomplete or illegible applications will be returned and must be resubmitted.

Each application for a hearing before the Board shall be made on the most current forms provided by the Land Use Office. All physical evidence submitted to the Board as part of the application or during the public hearing will be retained by the Board as part of the record of the application. By signing the application the applicant authorizes members of the Board and/or staff to enter onto and view the premises for the purpose of understanding the request being made. The subject property must be clearly marked with the 911 street address to facilitate such views. At a minimum, the following shall be required:

 - A. If the application is for dimensional relief, an “As-built survey” performed to detail the horizontal and vertical positions of the physical improvements of all or part of a tract, parcel or lot of land as defined in the New Hampshire Code of Administrative Rules Lan 503.02 (a) shall be submitted. The survey need only be made with enough detail to clearly delineate the area for which the dimensional relief is being sought.
 - B. If the original-scale survey, plot plan or accurate scaled drawing is 11”x17” or smaller, ten copies shall be submitted. If it is larger than 11”x17”, three copies at the original size are required and seven copies of the plan reduced in size to no larger than 11”x17” are also required.
 - C. **In the instance where the land owner and the unit/building owner are not the same, submit one copy of the 11”x17” plan to be acted upon by the ZBA, which has been signed by both the unit owner and the landowner. The signatures acknowledge that both owners are aware of the actual plan being reviewed by the ZBA. If someone other than an owner has written authorization to represent that owner, they shall sign in acknowledgement and a copy of their written authorization will be attached to the map.**

4. **Photos** - clearly showing the area of the property for which relief is being sought, including a photo showing the entrance to the property from the main road to facilitate locating the property for inspection purposes.

Applicants must also send an electronic copy of all application materials to LUOffice@belmontnh.gov. Applications received only electronically or only in-person will be considered incomplete. Your completed application along with all other necessary paperwork and fees must be submitted to the Land Use Office by the closing date of the meeting you wish to attend (see meeting and closing date schedule).

PLEASE NOTE: In the case of dimensional approvals, **no** expansion or relocation within the setback except as reviewed and approved by the Board is allowed – please be sure the plan you submit is complete and accurate as to what you want to build and is the same as you included with the building permit application.

You or your representative must attend the Zoning Board hearing. If no one is present at the meeting to present your application, it will be denied without prejudice and must be resubmitted. Decisions are usually rendered by the Board at the same meeting at which the public hearing is held. In some instances, decisions may be made at a later date. The findings of the Board will be forwarded to the Applicant.

In the instance where a full five-member voting Board cannot be seated, the chair will offer the applicant the opportunity to proceed with a reduced Board, or to have the hearing postponed until the next regular meeting date, with the understanding that an affirmative vote of three members is required to decide in favor of any appeal and that action by a reduced Board is not, in and of itself, grounds for a rehearing.

The public hearing will be held first, with the Applicant or his representative presenting his petition. Following this, those wishing to speak in favor or in opposition may do so. All comments must be directed to the Chair. Everyone rising to address the Chair shall identify himself or herself, giving his or her name and address.

Reasons are given for all decisions of the Board. If the Board wishes to wait to make a decision, the Applicant will be notified. Decisions will be announced by the Chair at the time they are made, with a copy mailed to the Applicant. For additional information, see ZBA Rules and Regulations. Any party affected by the decision of the Board has the right to appeal. Please refer to the Ordinance, RSA's or contact the Land Use Office for further information on requesting a rehearing and what form that request must take.

Please note: A request for rehearing must be filed no more than 30 days from the date the Board took the action being appealed. You must request a rehearing and the Board must act to grant or deny such request before you can appeal to the courts.

The Zoning Board must base its action regarding your application on the following criteria.

VARIANCE CRITERIA:

1. The variance will not be contrary to the public interest.
2. The spirit of the ordinance is observed.
3. Substantial justice will be done.
4. The variance would not diminish the value of surrounding properties.
5. Owing to special conditions of the property, that distinguish it from other properties in the area, denial of the variance would result in unnecessary hardship because:
 - a. no fair and substantial relationship exists between the general public purpose of the ordinance provision and the specific application of that provision to the property because;
and
 - b. the proposed use is a reasonable one because.
