

**BELMONT PLANNING BOARD
APPLICATION FOR WAIVER OF REQUIREMENTS FOR**

Earth Excavation **Site Plan Review** **Subdivision**

Date: _____ Applicant: _____

Subject Tax Map/Lot #: _____

To the Chairperson and Members of the Planning Board:

In addition to the application submitted for your consideration under the Regulation checked above, please accept this written request for waiver(s) for the following items with reasons stated. I understand if any waiver request related to the completeness of the application is not granted by the Planning Board, the application may be deemed incomplete and not accepted by the Board. I understand if the application is incomplete due to waivers not being accepted it could result in resubmission of required materials and application fees.

I understand if any waiver request related to the design of the application is not granted by the Planning Board, the application may be denied. I understand if the application is denied it may only be resubmitted as a new application resulting in resubmission of required materials and application fees.

Waivers shall be considered under the applicable Regulations and Statutes:

- Earth Excavation Regulations – Section 3.F
- Site Plan Review Regulations – Section 2.C and NH RSA 674:44,III(e)
- Subdivision Regulations – Section 2.C and NH RSA 674:36,II(n)

List Waiver Number, Item Number (as numbered on the applicable Regulations Checklist), description of item for which waiver is requested and reason or basis for each waiver requested. Items are listed on the applicable Regulation Checklist; available at www.belmontnh.gov/dataapplications.asp.
