

Zoning District and Parcel data depicted on this map are based on the Town of Belmont property maps prepared in 2000 by Cartographic Associates, Inc. (CAI), updated yearly and is current through April 2011. It is intended for reference and planning purposes only and does not represent legal boundary information.

The Factory Village boundary was digitized by the Belmont Land Use Office as depicted in a 2003 Division of Historical Resources Determination of Eligibility study for the NH Dept. of Transportation Route 140 project. Section 106 of the National Historic Preservation Act of 1966 requires that for all Federally funded projects due consideration of historical resources be considered.
