## Bulky Waste Disposal

Please note that Casella will **continue this program even after automated collection is in place.** On the 1st Wednesday of each month, Casella Waste will collect your bulky items curbside. Please note this is for Town of Belmont

Residential Customers ONLY; service is not available to commercial property owners. Piles of debris, trash, yard waste or a single item too large for one person to collect WILL NOT BE ACCEPTED. A request for pickup must be made in advance by calling Town Hall at 267-8300, Extension 118 or 124 only. You will be asked to list the items you want picked up, you will be advised what the cost is, and you will need to drop off a check made payable to the Town of Belmont prior to the collection day. Please visit the Town's website at [www.belmontnh.gov](http://www.belmontnh.gov) for the full details on the program and a price list.

Just a reminder that the Town of Belmont is an active member of Lakes Region Public Access Television which can be seen locally on Breezeline Channels 24, 25, and 26. If you are a camera buff and you have an interest in producing a show to be shown on LRPA, please contact the station at 528-3070 to discuss your idea. LRPA has made significant strides to improve programming this past year and its presence in the Lakes Region. We urge you to check out their website at <http://lrpa.org>

IT is the LAW! (RSA 466:31 II (c))

Our message to all dog owners is to remind you of the importance of picking up your dog's waste from property that is not your own. The Town installed dog waste stations at three different locations. You can obtain a plastic bag to pick up the waste and deposit it in the numerous garbage cans located in the Village.

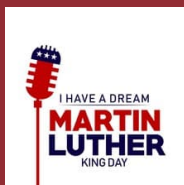

We continue to stress the importance of the "Not everything is flushable". Please check out the "Do Not Flush!" list to protect your sewer and septic system. A "Flushable" label does not mean it is SAFE for your septic system or the Town's sewer. Please read the brochure we have included on the Town's website at [www.belmontnh.gov](http://www.belmontnh.gov)

We need your help to ensure our sewers keep flowing.

Should you have any questions, please do not hesitate to contact the Town Administrator's Office at 267-8300 ext. 124.

## Town Clerk's Corner

The New Year is here!!!

Here are a few things the Clerk's Office would like to share with you...

As of January, owners may now register or renew their dog's license. Remember, April 30, 2023 is the deadline to have dogs registered. This process can be done in person, by mail or online at [www.belmontnh.org](http://www.belmontnh.org). New dogs must be done in person for the first time with proof of current rabies vaccination. The cost for an altered dog is \$6.50, non-altered dog is \$9.00 and if you are a senior owner (65 and older) \$2.00.

Here are a few reasons why you should license your pet:

1. **It's the law** In the majority of states, it's actually required that dog owners license their pets. You could get asked to show your dog's license while you're out for a walk, and if you don't have one, you're looking at a decent-sized fine. You'll get a tag that serves as the dog's license, so it should be on their collar at all times.
2. **It proves your dog is properly vaccinated** You can't license your dog without getting its rabies vaccinations. Knowing your dog has its license makes it easier for the staff at a grooming salon or boarding facility to be assured your dog is healthy.
3. **Your dog has a better chance of being returned home if lost** In some communities, your pet's license means a free trip home if they're found by local animal control. Without a license, it might mean an expensive overnight stay at the municipal animal shelter.

Running for elected office is one of the best ways you can give back to your community. Whether you want to run for Selectman, Budget Committee, or Planning Board, there are many reasons to give it a shot.

Elected officials have a great deal of power and influence over the daily lives of the residents in the town of Belmont. They can put forth new laws, help create and maintain fiscal budget responsibilities for the Town, and improve their constituents' quality of living. In this sense, starting a political campaign is a concise and tangible way to make a difference.

First, you must be a registered Belmont voter and complete the candidacy filing at the Town Clerk's Office. The Town Clerk's Office will be accepting candidacy filings beginning January 25, 2023 thru February 03, 2023 Monday through Friday 7:30 AM – 4:00 PM, We will remain open from 4PM – 5PM Friday, February 3<sup>rd</sup> for filing purposes only. If you have any questions, you may contact the Town Clerk's Office at 267-8300 x 2 or stop by the office Monday – Friday 7:30AM to 4:00PM.

The Town Deliberative Session will be held February 4<sup>th</sup> at the Belmont High School Cafeteria at 10:00AM and elections for Town and School will be on March 14<sup>th</sup>, 2023. They are held at Belmont High School from 7:00AM to 7:00PM. Absentee ballots will be available after the

Deliberative Meeting on request.

Fourth issue water/sewer bills are due January 10<sup>th</sup>, 2023. This bill covered September thru November 2022. You can mail your payment, stop by the Town Hall and come in, use the drop box on the left side of the door, or pay on our Town website, [www.belmontnh.gov](http://www.belmontnh.gov). We accept cash, check or credit card. Remember there will be a 2.79% convenience fee from the credit card company.

In January 2023, our office will be sending out delinquent notices. These notices are intended to make the resident aware of any unpaid balances from the past year so they can bring their account current as we approach the time of year when the Tax Collector executes liens in April 2023.

There are lots of new faces at the Town of Belmont and we appreciate your patience while clerks are in training. We look forward to a GREAT 2023!!

## Santa's Little Helpers says "Thank you!"

We would like to thank the various donors who assisted us with the Santa's Little Helpers this year. The generous monetary donations along with purchased items were able to assist many families in need this Christmas. With the support of these donors, it made the process very smooth and it is much appreciated; not only by the families, but also by us here at the Police Department.

We hope everyone has a safe, happy and healthy new year.

### Winter Parking Reminder:

There shall be no overnight parking of vehicles along any roadway between November 15th and April 30th of any year, inclusive.

As always, if you have any questions for us, we can be reached at 603-267-8350.

## Highway Department News

Once again, the Town of Belmont Public Works Department welcomes the New Year ready to handle anything Winter throws their way!

### ***Snow Obstruction and Removal Ordinance***

The Town of Belmont has an ordinance regulating snow obstruction and removal. A full, recently updated copy of this ordinance can be found on the Town website. Click the Info Center tab and follow to Ordinances. This policy has been adopted with the intent to protect the safety, health and welfare of the general public. It regulates removal and placement of snow and ice in areas maintained by Town Personnel and equipment (i.e. Town maintained roads, sidewalks, Fire Hydrants and parking lots). Your Public Works Personnel spend long hours using Department resources to keep Town roads, sidewalks, and parking lots free of snow and ice for residents and visitors. The purpose of this ordinance is to help the Department keep them that way. The placement of snow and ice by any means, during and at the conclusion of a winter event can be dangerous. Snow and ice moved in those areas create hazards by placing physical obstructions such as chunks or windrows across the road. These hazards can then be hit resulting in damage to vehicles or cause accidents due to motorists utilizing evasive maneuvers to miss the obstruction. They can also cause icy conditions as the sun warms the pavement and traffic drives through making the roadway slippery. The Department asks that you do not push snow across the road during and after any winter weather and recently adopted policy changes reflect that. Following this simple request leaves the roads in a safe, travelable condition and prevents the need for crews to be reactivated after storm events allowing them to get much needed rest and time with family.

Before you dig, remember to call DigSafe  
Not only is it safe, **IT'S THE LAW!**

## Driveway Dilemma

Last month winter arrived and brought with it, cold weather, snow and ice. Mid-December, we saw our first accumulating snowfall that left the Town with varying totals of anywhere from 6 to 12 inches of heavy, wet snow. Your Public Works Team did a great job keeping up with what seemed like a never-ending event. While performing clean up duties, a couple members of the team were asked about plowing things differently in an effort to mitigate the amount of snow that ends up in property owners' driveways. The short answer to that is no, but there is a reason. Most trucks are equipped with one direction plows and the wing on the passenger side is always at a fixed angle when deployed. The trucks are designed to clear a path of snow 13 to 14 feet wide from the center of the road and push it to the edge of pavement. The snow from the lane of the roadway being plowed will end up in the maintenance right of way on the property at the edge of the road. There is something that can be done by property owners to lessen the impact to a previously shoveled or plowed driveway. Below, you will find an illustration borrowed from our neighbors to the north about how to prevent the dreaded "Second Shovel". It shows how clearing to the left side of the driveway for approximately 20 feet gives the plow and wing a place to unload built up snow, lessening the amount that gets pushed into the driveway.

# CONSERVATION COMMISSION

## Currier-Sanborn/Tioga Marsh

The Tioga Marsh Conservation Area contains approximately 265 acres and is owned by the Town of Belmont. It is located on the north side of Depot Road along the Belmont/Northfield Town line, about 2.6 miles west Belmont Village. The Conservation area consists of three abutting tracts of land. About 185 acres along the Tioga River were first acquired by the Town in 2004 from Phillip Harker. In 2012, a Conservation Easement was placed on the land and held by the Five Rivers Conservation Trust. Another 79 acres located between the above mentioned tract and the Winnepesaukee River along with .24 acres on the shore of Silver Lake across Gardners Grove Road were acquired in 2018 from the Sanborn Family Trust through the State of New Hampshire Land and Community Heritage Investment Program.

The property is a mixture of woodlands, marsh, and floodplain-forest. As are all of the BCC managed properties, it is open to passive recreation, hunting, and fishing.

Winter, when there is snow cover, is a great time to see what wildlife has been in your yard or neighborhood! You can also visit one of the Conservation lands to go track hunting!

### **Some positive permit changes for the beginning of 2023:**

1. The preferred method of sending your permit to you is via e-mail, or you may come pick it up as always.
2. If you would like to have your permit mailed to you, please include a self-addressed, stamped envelope with your application.

### **We have some additional changes to permit applications moving forward:**

1. If you are planning to build an ADU apartment there is a ADU application required in addition to the building application.
2. There is a major (>300sf) and minor (<300sf) application to streamline large vs. small projects.
3. Due to the popularity of solar installations there is a dedicated application for them now.

Last but not least, if you are looking to get a Mechanical, Electrical, Generator or Plumbing permit, you can apply on-line! Please use the EB2.gov link below to submit your application electronically:

## HOME PERFORMANCE WITH ENERGY STAR® Moderate-Income Program

The Home Performance with ENERGY STAR - Moderate-Income (HPwES-MI) program is open to qualifying customers of Eversource, Liberty Utilities, Until, and NH Electric Cooperative. The HPwES-MI looks to support those NH residents that are over income for Home Energy Assistance (income eligible weatherization program) yet may struggle to cover the customer co-pays in our market rate Home Performance program. HPwES-MI offers higher incentives on weatherization measures and 0% finance options to help cover the customer co-pay.

The program rebate structure is as follows:

Measure Type	Incentive Level	Customer Co-Pay
Air Conditioning	80%	20%
Air Sealing	100%	0%
Appliance Timers	100%	0%
Door Replacements	80%	20%
Duct Sealing	80%	20%

Maximize your blood donation. Help more patients.  
If you are an eligible type O, B - or A - donor, consider making a Power Red donation.  
Red blood cells are the most commonly transfused blood component.

Please call 1-800-RED CROSS (1-800-733-2767) or visit [RedCrossBlood.org](http://RedCrossBlood.org) and enter:  
BELMONT to schedule an appointment.

**Come give Jan. 1-31 and automatically be entered for a  
chance to win an exciting trip for you and a guest to  
Super Bowl LVII in Phoenix! Includes travel, hotel, \$500  
gift card, pre-game activities and more! Terms apply;  
visit [RedCrossBlood.org/SuperBowl](http://RedCrossBlood.org/SuperBowl).**
