These notices shall satisfy two separate but related procedural requirements for activities to be undertaken by the Town of Belmont, NH (Grantee).

REQUEST FOR RELEASE OF FUNDS

On or about February 7, 2023, the Town of Belmont will request CDFA/CDBG to release CDBG Program Funds to undertake a project known as Gale School Renovation, 60 Concord Street. The building will be renovated to house a daycare and care for adults with disabilities.

Estimated Total Project Cost: \$2mil+. CDBG-CV Funding: \$500,000; Other Funding: \$1.5mil+

FINDING OF NO SIGNIFICANT IMPACT

The Grantee has determined that the project(s) will have no significant impact on the human environment. This determination is based on the assumption that the developer will get all required permits and will adhere to all applicable regulations. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at the Grantee offices listed above and may be examined or copied weekdays 9 A.M. to 4 P.M. An electronic file may be requested at donnalanebdbg@roadrunner.com.

PUBLIC COMMENTS

Any individual, group, or agency disagreeing with this determination or wishing to comment on the project may submit written comments to the Grantee listed above. All comments received by February 6, 2023 will be considered by the Grantee prior to authorizing submission of a request for release of funds. Comments should specify which Notice they are addressing.

RELEASE OF FUNDS

satisfied. CDFA/CDBG's and/or HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the Grantees to use CDBG Program funds.

OBJECTIONS TO RELEASE OF FUNDS
