celebrate. Contributions by the Friends for the Capital Campaign were vital to the project.

The mission of the Friends of the Benzie Shores District Library is to support the Library through advocacy, fundraising, and volunteers. The Friends are dedicated to the goal of making our library the best through community awareness and involvement. And we invite you to join us! ## SCARY AND NOT SO SCARY TALES AT YOUR LIBRARY

In 2014, I was watching the Fall Festival parade from the window of the Library when I noticed the Michigan Dogman walking in the parade. I ran into the parade and begged the Dogman to come to the Library after the parade to get a Library Card. We have resurrected this photo every year since. It is a great reminder that libraries are for everyone. Even the Dogman.

This October, we have planned a variety of spooky season programs for all ages. In addition to great programming, the Library has your favorite classic horror films and books. And of course, we have local filmmaker Rich Brauer's Dogman series.
