End of Summer

Hello!

August is a quiet time at the library. Our summer reading programs are over, and school has yet to begin. We are working on creating great programs for the upcoming months, so stay in touch to learn all about them.

To get ready for a new school year, the library is holding a Community Conversation on mental health, with an emphasis on our local youth. See details below and please plan to attend.

Enjoy August,

Laura

**Community Conversation:
Youth Mental Health -
How do we Help our Kids?**

Thursday, August 22nd
6pm
Community Room

After more than a decade of stability or improvement, the mental health of adolescents plunged in the early 2010s. Rates of depression, anxiety, self-harm, and suicide rose sharply, more than doubling on many measures. Why?

Join this important conversation, facilitated by Ben Woo, a Licensed Clinical Mental Health Counselor at Crossroads Counseling in Franconia, and Laura Clerkin, Bethlehem Library Director. Both have recently read *The Anxious Generation: How the Great Rewiring of Childhood Is Causing an Epidemic of Mental Illness* by Jonathan Haidt. They will summarize the key points of the book as a jumping off point to the discussion.

Adults and youth are encouraged to speak about what they are seeing, how they are feeling, and to share ideas for solutions for our community.

1984 by George Orwell
