Experienced Photographers Needed!

As part of the former strategic plan survey, patrons had requested a photography club. The library will be offering a monthly photography club beginning in January 2025. The club will meet for 8 weeks. There will be a photography exhibit and reception after the 8-week session.

We are looking for experienced photographers to share their knowledge. We are hoping to get one guest speaker for each monthly meeting. There will be a small honorarium of \$50 (funded by the Friends of the Blackstone Public Library) for each speaker.

This will be an informal and relaxed atmosphere where folks can exchange ideas, strategies, and more.

Monthly meeting dates will be on Tuesdays at 6:30 PM:
1/21/25, 2/18/25, 3/18/25, 4/22/25,
5/20/25, 6/17/25, 7/15/25, 8/19/25

Please contact Renee Milliken if you are interested in being a guest speaker:
