## Beginner's Chess for All Ages

Thursday  
July 8  
7:00 PM

This online class teaches the fundamentals of chess as a strategy game that is the most popular game in the world. In one hour you will learn the basics of playing chess including:

- Setting up the chess men
- Using the pawns
- Chess pieces and how they move to win
- Special moves
- Ten tips for playing a better game
- How to win a game of chess in 4 moves

**This program is for adults, teens,  
and children ages 8 and up.**

**BLACKSTONE PUBLIC LIBRARY**

Since teaching is done online with examples, interaction, animations and quizzes, a chess set is unnecessary.

This class will be taught by Glenn Davison. Glenn presents this class with the enthusiasm of a lifelong chess player who plays often and offers many interesting details about the game of chess.

Glenn has taught dozens of chess classes to beginners and his students say that his seminars are interesting and fun for everyone.
