Scanning Days

Let us preserve your memories!

Have you wanted to convert your photographs to a digital format? We can help! The library will be offering free scanning days.

Patrons may bring up to 25 photographs to be scanned and stored on a flash drive for your use.

The flatbed scanner can accommodate small photos and photos up to 8.5" x 11.7".

Appointments are required and are in 30-minute intervals.

Please call the library to reserve your spot.

"Scanning Days" are supported by grant funds from the Institute of Museum and Library Services under the provisions of the Federal Library Services and Technology Act as administered by the Massachusetts Board of Library Commissioners.

Flash drives are funded through Library's Gift Account.
