STEM Kit Challenge - Countries

Thursday, April 24 at 12:15 p.m.

Every participant will receive a random STEM kit from a different country. The challenge? Assemble your kit in under an hour. Your finished projects are then yours to take home! Kits may include projects from Greece, Thailand, Chile, Poland, Costa Rica, England and more.

Appropriate for ages 7 - 13. Kits can be assembled alone, with a partner or with a parent.

Registration is required and space is limited. See below for registration information.

Story Time with an Animal Control Officer

Friday, April 25 at 10:30 a.m.

Meet local Animal Control Officer Kevin Sullivan. Officer Sullivan will read a story about what it's like to be an animal control officer and tell us about the Blackstone Regional Animal Shelter. He'll also be accompanied by his four-legged furry friend, Seamus McDoodle. **No registration is required.**

“Incredible Earthworms”

Presented by Hands on Nature

Saturday, April 26 at 11 a.m.

This hour-long program will teach the audience about earthworms, their simple anatomy and how they have adapted to a life underground.

Develop a new appreciation for these incredible invertebrates while observing them with magnifiers. Everyone will make a worm farm to take home. Sponsored by the Friends of the Blackstone Library. Appropriate for ages three and up. **Registration is required and space is limited.**

See below for registration information.

Registration for Blackstone residents begins: Monday, April 7

Registration for all patrons begins: Monday, April 14
