

How To Be A Festive Soul

Happy Nonsense by Dustin J. Pari

A CHRISTMAS LECTURE FOR ADULTS

Dustin Pari is welcomed to the Blackstone Public Library yet again! If his paranormal lectures haven't interested you, don't hesitate to come by for this festive Christmas lecture.

"The title says it all! If you are struggling with the holiday blues and are looking for a little yuletide boost, this is the lecture for you. Playful and fun, yet serious and thoughtful, *How To Be A Festive Soul* teaches lessons that can foster a positive spirit in you all year long. Dustin takes an in-depth look at the characters and some of the notable scenes from the Rankin & Bass classic *Rudolph The Red Nosed Reindeer* and breaks it down as only he can. This is truly a present for the soul that you will want to share with your friends and family." – dustinpari.com

Dustin is well known for his time spent as part of *Ghost Hunters* and *Ghost Hunters International*, as well as his appearances on *Destination Truth* and *Ghost Nation*. Traveling the world in search of answers has given him years of experience and understanding of the unseen realm. Dustin has become sought after not only for his popular paranormal events, but for his motivational and spiritual lectures as well. We are thrilled to have him at our library again, so don't miss out on this event!
