

# Program Descriptions

**Movie Night:** A jump start to our summer reading program for people who signed up early! Join us in the Meeting Room to watch a movie on the projector screen. Popcorn and juice boxes will be served.

**Henna Alchemy Kickoff:** Learn how to safely make and apply your own henna and receive a beautiful henna design from instructor Mandy Roberge. Take home the henna you made to use later.

**Tie-Dye:** Tie-dye a fun string bag, or bring your own t-shirt from home.

**Needle Felting:** Pop Up Art School will teach us how to use a needle and wool to make our own patch. Sew your patch onto a bag or jacket!

**This is (Not) About Drugs:** A program presented by the District Attorney's Office focused on topics such as peer pressure and stress, overdose, opioid effects on the brain and central nervous system, and addiction. Snacks will be served!

**Paint Night:** Library Director Lisa will lead us in a step-by-step paint class.

**Magical Food:** This interactive presentation starts with a cooking demonstration of two types of pumpkin pasties- sweet and savory! Everyone will get a chance to taste both. Sample butterbeer and play wizard trivia with cockroach clusters as prizes! Don't forget to try out the magical photo booth where participants will get to make their own wizard trading card. Cake will be served to celebrate Harry Potter's birthday.

**Copper Bookmarks:** Heather Beck will teach us the ancient technique of coppersmithing. Use tools to hammer a design into copper. All participants will create their own unique copper bookmark.

**Pretzel Party Finale:** You must check in at least three times to be eligible to attend this super fun finale party. Soft pretzels will be served with a variety of toppings and dips. Savory cheese, sweet caramel, cinnamon and sugar, and more! There will be drawings and end-of-summer prizes for all eligible participants.
